difficulties to meet their requirement of raw material to fulfill their contractual obligations of exports of value added textile products with their foreign buyers in timely manner.

Khawaja M Zubair, Chairman, the KCA said that due to acute shortage of raw cotton in the country owing to failure of local cotton crop since last 04-05 years, the local textile industry is compelled to import raw cotton from abroad to meet its rising requirement of raw material to keep their textile mills in operation and timely fulfill their contractual obligations of exports of value added textile products with their foreign buyers. In such a situation, the Department of Plant Protection is going against the policy of the

ing 30% share of the Government of Singapore, is reluctant to ship raw cotton to Pakistan.

Khawaja M Zubair, Chairman, the KCA urges upon the Government of Pakistan/ Ministry of National Food Security and Research to look into the matter immediately, in the best interest of the cotton economy and play its due role in addressing this serious issue concerning the local exports oriented textile industry, otherwise, our regional competitors would take advantage of this situation by capturing our foreign buyers of valued added products of textiles, resulting in not only the exports of Pakistan would be badly affected but also incur heavy losses of foreign exchange for the country.—PR

Leading Pakistani food companies participate in 'IFE London'

KARACHI: Number of Pakistani food and drinks companies are participating in the International Food & Drinks Event (IFE), London and showcasing at IFE a range of food products.

IFE is the UK's leading event for food and drink companies and professionals and is being held in London ExCel from 21 to 23 March 2022.

With the help of the Trade Development Authority of Pakistan, Pakistan High Commission London established Pakistan Pavilion with the brand name "Emerging Pakistan."

Five leading food and beverages companies from Pakistan were selected for the exhibition. They include M/s Iftikhar Ahmed & Co, M/s Bismillah Sehla Processing, M/s GNS Pakistan, M/s Karmanwala, M/s Mehran Foods. Companies are displaying a diverse range of products

which include rice, spices, pickle, sauces, paste, dessert mix, fresh and pitted dates, and by-products of dates.

After lifting of Covid restrictions, the exhibition attracted a huge footfall and large number of local and international buyers.

The event provided a good opportunity to the exhibitors to showcase their products.

Trade and Economic Commission London is facilitating the Pakistani exporters by arranging their B2B meetings with the potential buyers from across the retail, wholesale, distribution, import & export, and foodservice sectors. The event is expected to generate a good number business leads and future contracts for the participating exhibitors. The event will help in highlighting the potential of Pakistani food and drinks sector at the international level.—PR
