VISION STATEMENT

"To be the leading wealth management firm by offering global investment advice trusts services, family estate planning etc for all Pakistani clients whether based in Pakistan or abroad".

DIRECTORS' REPORT TO THE UNIT HOLDERS

FOR THE YEAR ENDED JUNE 30, 2024

On behalf of the Board of Directors, I am pleased to present the Financial Statements of Alfalah GHP Income Multiplier Fund (AGIMF), Alfalah GHP Cash Fund (AGCF), Alfalah GHP Alpha Fund (AGAF), Alfalah GHP Value Fund (AGVF), Alfalah GHP Sovereign Fund (AGSOF), Alfalah GHP Income Fund (AGIF), Alfalah GHP Stock Fund (AGSTF), Alfalah GHP Money Market Fund (AGMMF), Alfalah Stable Return Fund Plan-4, Alfalah Stable Return Fund Plan-6, Alfalah Stable Return Fund Plan-8, Alfalah Stable Return Fund Plan-9, Alfalah Stable Return Fund Plan-10, Alfalah Stable Return Fund Plan-11, Alfalah GHP Prosperity Planning Fund (AGPPF), Alfalah GHP Dedicated Equity Fund (AGDEF), Alfalah Financial Sector Income Fund (AFSIF), Alfalah GHP Pension Fund (AGPF), Alfalah KPK Employee Pension Fund - Money Market Sub Fund and Alfalah Consumer Index Exchange Traded Fund (ACIETF) for the year ended June 30, 2024.

Economy Overview

Real GDP growth for FY24 clocked in at 2.38% as compared to -0.21% in FY23. Growth remained in positive territory mainly because of strong growth in agriculture sector of 6.25% after being impacted adversely in FY23 due to mass destruction of major agriculture crops and livestock caused by floods. Ample increase in export of 12% helped to curtail leakages in external account, as CAD for FY24 stood at USD 681million as compared to USD 3.275bn in same period last year (down substantially by 79%). Moreover, remittances remained a key support for stabilization of external balance this year and continued on a rising trend in FY24, as monthly remittance averaged at USD 2.5bn compared to USD 2.3bn in FY23.

On account of resumption of inflows from multilateral and bilateral partners as well as continuation of IMF program, forex reserves recovered massively to USD 13.97bn at June end compared to USD 9.16bn at the end of last year. Improved macros resulted in stabilization of exchange rate this year which faced immense pressure last year. Going forward, PKR might depreciate at normal levels of 5%-6% on an annual basis as potential flows from friendly countries and fiscal consolidation will likely keep PKR slide in check.

Inflation for FY24 averaged at 23.9% as compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. In response to subsiding inflation, the Central Bank announced a highly anticipated 150bps cut in the policy rate to 20.5% on June 10, 2024, marking the first rate cut since June 2023.

On the fiscal front, tax revenue surged handsomely by 28% in FY24 compared to 16% last year. As per tax revenue breakup for FY24, direct tax revenue increased by 39%, while indirect taxes including duties and sales tax have increased by 22. Moreover, higher markup expense and defense expenses resulted in fiscal deficit to arrive at 6.81% of GDP for FY24 compared to 7.7% for same period last year.

IMF and Pakistan have reached a Staff level Agreement on a 37 month Extended Fund Facility (EFF) expected to be around SDR 5,320mn (~US\$7bn). This agreement builds on the economic stabilization achieved through the 2023 Stand-By Arrangement (SBA) that successfully concluded in May'24. This agreement is subject to approval by the IMF's Executive Board, which should be forthcoming in the next few weeks and the timely confirmation of necessary financing assurances from Pakistan's development and bilateral partners (particularly China and GCC states). The IMF program has provided much-needed certainty and assurance for our economic plan. Its guidance and support have strengthened the path towards sustainable growth and prosperity.

Large Scale Manufacturing Index (LSMI) is on the rising trajectory with May 2024 index increased by 7.5% YoY. Further boost in economic activity is expected as monetary easing has already started and it is expected to continue going forward. GDP is anticipated to grow by 3.60% in FY25 respectively with Agriculture expected to continue to play a major role this year as well.

Real interest rates remain significantly positive even after a 100 bps cut in the latest MPC meeting. Monetary easing is expected to continue throughout the year as inflation is expected to average around 11%-12% in FY25. However, several factors need to be considered in determining quantum and speed of the rate cuts including budgetary pressures, PKR depreciation and any uptick in oil prices due to worsening of Middle East conflict and another round of electricity tariff hikes owing to reduce circular debts starting in October 2024. All these factors pose an upside risk to inflation estimates.

Equity Market Review

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%.

Money Market

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persists, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Operations and Performance

Alfalalah GHP Alpha Fund:

In FY24, AGAF earned a return of 93.40% while the benchmark return was 78.70% during year.

Payout:

During the year, the fund paid 32.7589/unit cash dividend to the unit holders.

Alfalah GHP Cash Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Conventional Money Market Scheme

Investment Objective

The investment objective of Alfalah GHP Cash Fund (AGCF) is to provide regular stream of income at comparative rate of return while preserving capital to extent possible by investing in assets with low risk and high degree of liquidity from a portfolio constituted of mostly money market securities and placements.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive return as compared to peer funds with minimum possible risk through investing in low duration money market instruments within the guidelines provided under NBFC rules.

Money Market Review

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persists, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

During FY24, Alfalah GHP Cash Fund (AGCF) generated a return of 22.11% while the benchmark of the fund was 20.90%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP CASH FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Cash Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

**INDEPENDENT AUDITOR'S REPORT****To the Unit holders of Alfalah GHP Cash Fund****Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of Alfalah GHP Cash Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended, in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	Balances with banks and Investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 2,019.27 million and investments aggregated to Rs. 3,910.76 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: ▪ Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; ▪ Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and ▪ Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Matter

The financial statements of the Fund for the year ended June 30, 2023, were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 28, 2023.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH GHP CASH FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Cash Fund (the Fund) is an open-ended fund registered under the Trust Act, 1882 executed between Alfalah Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited (the Trustee). On June 21, 2012, the first supplemental trust deed for change of trustee and amendment of trust deed of the Fund was executed and MCB Financial Services Limited was appointed as the new Trustee. On October 28, 2019, a second supplemental trust deed for change of trustee and amendment of trust deed of the Fund was executed and Central Depository Company of Pakistan Limited was appointed as the new Trustee.

During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Accordingly, on September 17, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agriculture Building, 2nd Floor, Street 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.3 The Fund is categorised as a 'money market scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust Deed, the objective of the Fund is to provide a regular stream of income at competitive rate of return while preserving capital to the extent possible by investing in assets with low risk and a high degree of liquidity from a portfolio constituted mostly of money market securities and placements.

1.5 The Management Company has been assigned a quality rating of 'AM1' by VIS Credit Rating Company Limited dated December 29, 2023 [2023: 'AM2+' dated March 3, 2023 by Pakistan Credit Rating Agency Limited (PACRA)]. The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes. The Fund has been given a stability rating of AA+(f) by Pakistan Credit Rating Agency Limited dated September 28, 2023 (2023: AA+ dated September 22, 2022).

1.6 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

2.1.1 These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and have, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 is yet to be adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements.
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires the management to exercise judgment in the application of the Company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors, including expectation of future events, that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying value of assets and liabilities. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments which have been classified as 'at fair value through profit or loss' and which are measured at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

3.2.3 Impairment (other than debt securities)

The fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's circular.

3.2.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.4 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of any duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company / distributors receive redemption applications during business hours on that date. The redemption price represents the NAV as on the close of the business day, less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.8 Distributions to unit holders

Distribution to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised on the date when the transaction takes place;
- Unrealised appreciation / (diminution) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise;
- Income on sukuk certificates, term deposit receipts, letter of placement and Government securities is recognised on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis; and
- Profit on savings account with banks is recognised on time proportion basis using the effective yield method.

3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and fee of the SECP are recognised in the Income Statement on an accrual basis.

3.12 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.13 Earnings per unit

Earnings per unit is calculated by dividing the net profit of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.14 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

- Pakistan Investment Bonds		15,230,902	-
Prepaid fees and subscriptions		71,583	-
Advance tax	6.1	158,136	71,413
		<u>45,561,352</u>	<u>8,007,782</u>

- 6.1** As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2024, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on debt amounts to Rs. 0.15 million (2023: 0.07 million) during the year.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

	Note	2024	2023
		----- (Rupees) -----	
7 PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY			
Management remuneration payable	7.1	7,622,830	3,022,512
Sindh Sales Tax payable on management remuneration	7.2	990,968	392,927
Allocated expenses payable	7.3 & 7.5	-	500,000
Selling and marketing expenses payable	7.4 & 7.5	11,747,178	10,894,976
Provision for Federal Excise Duty and related Sindh Sales Tax on remuneration of the Management Company	7.6	9,810,527	9,810,527
Sales load payable		9,903	6,823
		<u>30,181,406</u>	<u>24,627,765</u>

- 7.1** As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rates ranging from 0.6% to 1.23% of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.

- 7.2** Sindh Sales Tax on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 has been charged at the rate of 13% (2023: 13%). During the year, an amount of Rs. 0.99 million was charged on account of sales tax on management fee.

- 7.3** In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has not charged allocated expenses to the Fund during the year.

- 7.4** The SECP has allowed the Asset Management companies to charge selling and marketing expenses to all categories of open-end mutual funds up to a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, the Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

- 7.5** During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling & marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.
- 7.6** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED and the related sales tax has been made for the year from June 13, 2013 till June 30, 2016 amounting to Rs. 9.81 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these financial statements of the Fund, the net asset value of the Fund as at June 30, 2024 would have been higher by Rs. 0.85 per unit (2023: Rs. 1.51 per unit).

8	PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2024	2023
			----- (Rupees) -----

	CDS charges payable		583,409	593,409
			<u>988,033</u>	<u>853,471</u>

- 8.1** The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed, at a percentage of average annual net assets. The rate of 0.055% was applicable during the year ended June 30, 2024 (2023: 0.055%).
- 8.2** Sindh Sales Tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 has been charged at the rate of 13% (2023: 13%).

9	PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN	Note	2024	2023
			----- (Rupees) -----	
	Fee payable	9.1	<u>354,296</u>	<u>1,341,576</u>

- 9.1** In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.075% (2023: 0.02%) per annum of the daily net assets during the year ended June 30, 2024.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

	2024	2023
	----- Rupees -----	
10 ACCRUED EXPENSES AND OTHER LIABILITIES		
Capital gain tax payable	48,661,632	2,419,815

Sindh Sales Tax	61,100	51,542
	<u>824,852</u>	<u>695,822</u>

12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2024 and June 30, 2023.

13 TOTAL EXPENSE RATIO

The total expense ratio (TER) of the Fund as at June 30, 2024 based on the current year results is 1.54% (2023: 0.74%) which includes 0.11% (2023: 0.37%) representing Government levies such as Sindh Sales Tax and fee to SECP etc. This ratio is within the maximum limit of 2% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "money market scheme".

14 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these financial statements.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the SECP.

Market risk comprises of three types of risks: currency risk, interest rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

18.1.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The profit rate profile of the Fund's profit bearing financial instruments, as at June 30, 2024, is as follows:

	2024	2023
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Bank balances	2,019,268,321	1,244,328,990
Pakistan Investment Bonds	299,190,000	-
Short term sukuk certificates	106,000,000	335,216,167
GoP ijara sukuk certificates	19,992,000	-
	<u>2,444,450,321</u>	<u>1,579,545,157</u>

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds bank balances, which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs 24.44 million (2023: Rs. 15.80 million). The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

----- 2024 -----					
Effective yield / profit rate	Exposed to yield / profit risk			Not exposed to yield / profit rate risk	Total
	Upto three months	More than three months and up to one year	More than one year		

On-balance sheet financial instruments

Total interest rate sensitivity gap		2,951,406,474	335,216,167	-	(20,774,686)	3,265,847,955

Cumulative interest rate sensitivity gap		2,951,406,474	3,286,622,641	3,286,622,641		

18.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

As at the reporting date, the Fund does not hold any financial instrument that may expose the Fund to price risk.

18.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

18.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	----- 2024 -----		----- 2023 -----	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	----- (Rupees) -----		----- (Rupees) -----	
Bank balances	2,019,268,321	2,019,268,321	1,244,328,990	1,244,328,990
Investments	3,910,756,609	106,000,000	2,042,293,651	735,216,167
Profit receivable	45,331,633	45,331,633	7,936,369	7,936,369
	<u>5,975,356,563</u>	<u>2,170,599,954</u>	<u>3,294,559,010</u>	<u>1,987,481,526</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of financial assets.

No financial assets were considered to be past due or impaired either at June 30, 2024 and June 30 2023.

18.2.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its balances with banks and profit accrued on bank balances.

The credit rating profile of balances with banks and profit accrued on bank balances are as follows:

Bank balances and accrued profit

Banks	Rating agency	Rating (Short Term / Long Term)	2024	2023
			% of financial assets exposed to credit risk	% of financial assets exposed to credit risk
Allied Bank Limited	PACRA	A1+ / AAA	0.43%	1.00%
Bank Alfalah Limited	PACRA	A1+ / AA+	46.84%	87.01%
Bank Al Habib Limited	PACRA	A1+ / AAA	-	0.03%
The Bank of Punjab	PACRA	A1+ / AA+	-	-
Faysal Bank Limited	PACRA	A1+ / AA	0.02%	11.94%
Habib Bank Limited	VIS	A1+ / AAA	52.72%	-
Muslim Commercial Bank Limited	PACRA	A1+ / AAA	-	-
Samba Bank Limited *	PACRA	AA-	-	0.02%
United Bank Limited	VIS	A1+ / AAA	-	-

* Samba bank limited has no short term rating

18.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with credit worthy counterparties thereby mitigating any credit risk. Further investments in Market Treasury Bills are not exposed to credit risk.

18.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets up to 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining year at the end of the reporting year to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

----- 2024 -----						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial Instruments with no fixed maturity	Total
----- (Rupees) -----

19 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

19.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the assets or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023 and June 30, 2024 the Fund held the following financial instruments measured at fair value:

Financial assets at fair value through profit or loss	2024			
	Level 1	Level 2	Level 3	Total
	(Rupees)			
Investments				
Market Treasury Bills	-	3,444,260,784	-	3,444,260,784

Pakistan Investment Bonds	-	299,190,000	-	299,190,000
Short term sukuk certificates**	-	106,000,000	-	106,000,000
	<u>41,313,825</u>	<u>3,869,442,784</u>	<u>-</u>	<u>3,910,756,609</u>

	2023			
	Level 1	Level 2	Level 3	Total
Financial assets at fair value through profit or loss	(Rupees)			
Investments				
Market Treasury Bills	-	1,307,077,484	-	1,307,077,484
Term deposit receipt**	-	400,000,000	-	400,000,000
Short term sukuk certificates**	-	335,216,167	-	335,216,167
	-	2,042,293,651	-	2,042,293,651

* This includes sukuk tradeable on Pakistan Stock Exchange.

** The carrying value of these balances approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

During the year ended June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

20 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. The amount of net assets attributable to unit holders can change significantly on a daily basis as the Fund is subject to daily issuance and redemptions at the discretion of unit holders. These unit holders of the Fund are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the Statement of Movement in Unit Holders' Fund.

The Fund's objectives when managing unit holders' fund are to safeguard the Fund's ability to continue as a going concern in order to provide returns for the benefits of the unit holders to maintain a strong base of assets to support the development of the investment activities of the Fund and to meet unexpected losses or opportunities. As required under the NBFC Regulations, every open end scheme shall maintain minimum fund size (i.e. net assets of the Fund) of Rs. 100 million at all times during the life of scheme. In order to comply with the requirement and to maintain or adjust the Unit Holders' Fund, the Fund's policy is to monitor the level of daily issuance and redemptions relative to the liquid assets and adjust the amount of distributions the Fund pays to the unit holders and to redeem and issue units in accordance with the constitutive documents of the Fund which includes the Fund's ability to restrict redemptions.

The Fund manager, Investment Committee members and the Chief Executive Officer of the Management Company critically track the movement of 'Assets under Management'. The Board of Directors is updated regarding key performance indicators such as yield and movement of NAV and total Fund size at the end of each quarter.

The Fund has maintained and complied with the requirements of minimum fund size during the current year.

21 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

22 CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current period. No significant rearrangements or reclassifications were made in these financial statements.

23 GENERAL

Figures have been rounded off to the nearest rupee unless otherwise stated.

24	Particulars	Date of declaration	Per unit distribution	Capital value	Undistributed income

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khorro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalalah GHP Money Market Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Money Market Scheme

Investment Objective

To generate competitive returns consistent with low risk from a portfolio constituted of short term instruments including cash deposits, money market placements, and government securities.

Accomplishment of Objective

The Fund has achieved its objective of generating regular income by investing in mid to low duration fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review:-

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persists, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

During FY24, Alfalah GHP Money Market Fund (AGMMF) generated a return of 22.18% while the benchmark of the fund generated 20.90%.

INDEPENDENT AUDITOR'S REPORT

To The Unit Holders of Alfalah GHP Money Market Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Money Market Fund** (the Fund), which comprise the statement of assets and liabilities as at **June 30, 2024**, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Fund and Alfalah Asset Management Limited (the Management Company) in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted by the Institute of Chartered Accountants of Pakistan together with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

S. No.	Key audit matter	How the matter was addressed in our audit
1.	Existence and valuation of investments The investments amounting to Rs. 35,267 million represent 68% of the total assets of the fund as at year end. In view of the significant amount of total investments in relation to determination of net asset value of the fund, we have considered it as a key audit matter. Refer to notes 3.2 and 5 of the financials statements of the fund for the year ended June 30, 2024 in relation to the above referred investments.	We performed a combination of audit procedures focusing on the existence and valuation of the investments. Our key procedure included the following: • we reviewed the processes and key controls relating to existence and valuation and evaluated the design and implementation of such controls. • we evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9. • we checked existence of investments from the Investor Portfolio Services (IPS) account statement and custodian statements.

S. No.	Key audit matter	How the matter was addressed in our audit
		- we re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policy of the Fund. - we also evaluated the adequacy of the overall disclosures in the financial statements in respect of the investment portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Matter

The annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose audit report dated September 28, 2023, expressed an unmodified opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon and the information related to any other fund.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Company and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Y A

Independent, Correspondent Firm to
Deloitte Touche Tohmatsu Limited

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in all material respects, in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Arif Nazeer.

ALFALAH GHP MONEY MARKET FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Money Market Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between IGI Funds Limited, (Former Management Company) and Central Depository Company of Pakistan Limited (CDC), as the Trustee. The Trust Deed was executed on March 04, 2010. On October 15, 2013, the management rights were transferred from the Former Management Company to Alfalah Asset Management Limited (the Management Company) by sanctioning of order by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. SCD/NBFC-II/IGIFL and AFGHP/742/2013. The SECP has approved second Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations), vide its letter No. SCD/AMCW/AGISF/238/2015 dated February 03, 2015 to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Money Market Fund.

The Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Consequently, the Fund was required to be registered under the Sindh Trust Act and on September 9, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.3 The Fund is categorised as a 'money market scheme' pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the trust deed, the objective of the Fund is to generate competitive returns consistent with low risk from a portfolio constituted of short term instruments. The Fund invests in cash deposits, money market placements and government securities. The investment objectives and policy are explained in the Fund's offering document.

1.5 The VIS Credit Rating Company Limited has assigned an asset manager rating of AM1 (positive outlook) to the Management Company on December 29, 2023 (PACRA rating 2023: AM2++ dated August 31, 2023) and assigned stability rating of "AA+ (f)" to the Fund.

1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2024 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not detailed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- Classification and valuation of financial assets (notes 3.2.2 and 5)
- Impairment of financial assets (notes 3.2.2.1 and 3.2.3)

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.2.3 Expected credit loss

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.2.3.1 Expected credit loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.11 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised appreciation / (diminution) arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which these arise.
- Income on sukuk certificates, term deposit receipts, commercial paper, letter of placement, certificate of investment and government securities is recognised on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis.
- Interest income on bank balances is recognised on an accrual basis.

3.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.13 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.14 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

4. BANK BALANCES	Note	2024 ----- (Rupees) -----	2023 -----
Balances with banks in:

6. ADVANCES, PREPAYMENTS AND PROFIT RECEIVABLE			
Profit receivable on:			
Pakistan investment bonds		238,587,955	33,123,193
Bank balances		112,249,372	1,887,223
Sukuk certificates		60,594,177	43,739,254
GOP Ijara sukuk		1,353,725	-
Term deposit receipts		-	54,220,283
Advance tax	6.1	1,059,716	997,466
Prepaid credit rating fee		350,309	315,969
Prepaid brokerage		-	56,184
		414,195,254	134,339,572

- 6.1** As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2023, withholding tax on profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The tax withheld on profit on debt amounts to Rs. 1.059 million (2023: Rs. 0.99 million)

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

		2024	2023
	Note	----- (Rupees) -----	-----
7. PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANGEMENT COMPANY			
Management remuneration payable	7.1	50,347,515	15,923,276
Sindh sales tax payable on management remuneration	7.2	7,114,499	2,639,347
Federal excise duty payable on management remuneration	7.3	11,119,352	11,119,352
Selling and marketing expenses	7.4	87,632,645	31,037,923
Allocated expenses payable	7.5	-	41,589,856
Sales load payable		67,185	19,877
		156,281,196	102,329,631

- 7.1** As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration variably keeping in view the overall return and the total expense ratio limit of the Fund subject to the maximum limit of 1.5% of average annual net assets as disclosed in the offering document. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2** During the year, an amount of Rs. 46.165 million (2023: Rs. 18.093 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 41.691 million (2023: Rs. 16.911 million) has been paid to the Management Company which acts as a collecting agent.
- 7.3** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 11.119 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these financial statements of the Fund, the net asset value of the Fund as at June 30, 2024 would have been higher by Re. 0.0220 per unit (June 30, 2023: Re. 0.0290 per unit).

- 7.4** In accordance with circular 11 dated July 5, 2019 issued by the SECP with respect to charging selling and marketing expenses, the Management Company, based on its discretion, has charged selling and marketing at the rates of 0.1820% (2023: 0.2043%) per annum of average annual net assets of the Fund during the year ended June 30, 2024, subject to total expense charged being lower than actual expense incurred.

During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling and marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

- 7.5** In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense incurred.

8. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

	Note	2024 ----- (Rupees) -----	2023 -----
Trustee remuneration payable	8.1	2,259,385	1,449,991
Sindh sales tax payable on trustee remuneration	8.2	294,710	189,488
CDS charges payable		-	74,628
		<u>2,554,095</u>	<u>1,714,107</u>

- 8.1** The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. During the period, the Trustee has charged remuneration at the rate of 0.055% per annum of average annual net assets of the Fund (2023: 0.055% per annum from July 1, 2022 till June 30, 2023 of average annual net assets of the Fund).
- 8.2** During the year, an amount of Rs. 3.176 million (2023: Rs. 2.121 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 3.072 million (2023: Rs. 2.071 million) was paid to the Trustee which acts as a collecting agent.

9. FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

	Note	2024 ----- (Rupees) -----	2023 -----
Fee payable	9.1	<u>3,090,288</u>	<u>5,933,028</u>

- 9.1** In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to a "Money Market Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

13. AUDITORS' REMUNERATION

Audit fee	145,200	145,200
Review and other certifications	286,154	286,154
Out of pocket expenses	43,135	43,135
Sindh sales tax	37,959	37,959
	<u>512,448</u>	<u>512,448</u>

14. TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 1.53% (June 2023: 1.01%) which includes 0.19% (June 2023: 0.09%) representing government levies on the Fund such as sales taxes and annual fee to the SECP etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a money market scheme.

15. TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2024 to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements.

16. CASH AND CASH EQUIVALENTS

17. TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates approved by the Board of Directors. The management considers that the transactions between the related parties / connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

19. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

19.1.2 Yield / Interest rate risk

Yield / Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2024, is as follows:

	2024 ----- (Rupees) -----	2023 -----
Variable rate instruments (financial assets)		
Bank balances	16,147,196,147	17,956,715,695
Pakistan investment bonds	4,717,229,002	1,561,244,000
Sukuk certificates	1,680,000,000	864,000,000
GOP Ijara Sukuk	22,544,425,149	20,381,959,695
Fixed rate instruments (financial assets)		
Market treasury bills	28,813,290,844	14,720,748,244
Term deposit receipts	-	2,850,000,000
GOP Ijara Sukuk	57,414,825	-
	28,870,705,669	17,570,748,244

a) Sensitivity analysis for variable rate instrument

Presently, the Fund holds PKFRV based Pakistan investment bonds, KIBOR based Sukuk certificates and bank balances which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 225.444 million (2023: Rs. 203.81 million). The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

As at June 30, 2024, the Fund holds market treasury bills and fixed ijara Sukuk certificates which are classified as financial assets 'at fair value through profit or loss' exposing the Fund to fair value interest rate risk. In case of 100 basis points increase / decrease in interest rates, with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 288.707 million (2023: Rs. 175.707 million). The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

----- 2024 -----						
Effective yield / interest rate	Exposed to yield / interest risk			Not exposed to yield / interest rate risk	Total	
	Upto three months	More than three months and up to one year	More than one year

Cumulative interest rate sensitivity gap		19,517,959,695	20,381,959,695	20,381,959,695		

19.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Equity price risk is the risk that the fair value of equity instruments decreases as a result of changes in the level of equity indices and the value of individual stocks. The Fund does not have any investment in equity securities as of June 30, 2024.

19.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee and as listed in the offering document. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

19.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	(Rupees)			
Bank balances	16,147,222,015	16,147,222,015	17,956,734,684	17,956,734,684
Investments	35,267,934,671	1,680,000,000	19,995,992,244	3,714,000,000
Profit receivable	412,785,229	172,843,549	132,969,953	99,846,760
Security deposit	100,000	100,000	100,000	100,000
	51,828,041,915	18,000,165,564	38,085,796,881	21,770,681,444

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets excluding investment in government securities which are not exposed to credit risk as they are guaranteed by the Government of Pakistan.

No financial assets were considered to be past due or impaired either at June 30, 2024 and June 30, 2023.

19.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2024 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	2024	2023
			% of bank balances exposed to credit risk	
Allied Bank Limited	PACRA	A1+/AAA	0.02%	0.03%
Bank Al Habib Limited	PACRA	A1+/AAA	0.01%	0.01%
Bank Alfalah Limited	PACRA	A1+/AA+	1.28%	95.83%
Habib Bank Limited	VIS	A1+/AAA	77.26%	0.09%
Habib Metropolitan Bank Limited	PACRA	A1+/AA+	-	-
MCB Bank Limited	PACRA	A1+/AAA	-	-
National Bank of Pakistan	PACRA	A1+/AAA	-	-
Samba Bank Limited	VIS	AA/A1	-	-
Dubai Islamic Bank Pakistan Limited	PACRA	AA/A1+	-	-
The Bank of Punjab	PACRA	A1+/AA+	-	-
Faysal Bank Limited	PACRA	A1+/AA	21.42%	4.04%
United Bank Limited	VIS	A1+/AAA	-	-
			100.00%	100.00%

Above ratings are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2024.

Ratings of commercial papers, term deposit receipts and sukuk certificates have been disclosed in related notes to the financial statements.

19.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk. Details of the Fund's concentration of credit risk of financial instruments by economic sectors are as follows:

	2024		2023	
	Rupees	%	Rupees	%
Commercial banks (including TDR and profit receivable)	16,259,471,387	90.33%	20,808,621,907	95.82%
Power generation, Telecommunication and others				
- sukuk certificates (including profit receivable)	1,740,594,177	9.67%	907,739,254	4.18%
Central Depository Company of Pakistan Limited	100,000	0.00%	100,000	0.00%
	18,000,165,564	100.00%	21,716,461,161	100.00%

19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

----- 2024 -----						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial instruments with no fixed maturity	Total

20. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024, the Fund held the following financial instruments measured at fair values:

	2024			
	Level 1	Level 2	Level 3	Total
At fair value through profit or loss	(Rupees)			
Market Treasury Bills	-	28,813,290,844	-	28,813,290,844
Pakistan Investment Bonds	4,717,229,002	-	-	4,717,229,002
Short term sukuk certificates*	-	1,680,000,000	-	1,680,000,000
GOP Ijara Sukuk	57,414,825	-	-	57,414,825
	4,774,643,827	30,493,290,844	-	35,267,934,671

	2023			
	Level 1	Level 2	Level 3	Total
At fair value through profit or loss	(Rupees)			
Market Treasury Bills	-	14,720,748,244	-	14,720,748,244
Term deposit receipts	-	2,850,000,000	-	2,850,000,000
Pakistan Investment Bonds	1,561,244,000	-	-	1,561,244,000
Short term sukuk certificates*	-	864,000,000	-	864,000,000
	1,561,244,000	18,434,748,244	-	19,995,992,244

* The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

During the year ended June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

21. UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

22. SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

23. CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

24. GENERAL

Figures have been rounded off to the nearest rupee.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khorro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfaluh GHP Sovereign Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Income Scheme

Investment Objective

The objective of the AGSOF is to deliver optimal risk adjusted returns by investing mainly in mix of short to long term Government Securities and other debt Instruments

Accomplishment of Objective

The Fund has achieved its objective of generating regular income by investing in low-medium duration fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review:-

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persists, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

During FY24, Alfalah GHP Sovereign Fund generated a return of 23.05% against the fund's benchmark returned 21.68%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP SOVEREIGN FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Sovereign Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer

INDEPENDENT AUDITOR'S REPORT

To The Unit Holders of Alfalah GHP Sovereign Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Sovereign Fund** (the Fund), which comprise the statement of assets and liabilities as at **June 30, 2024**, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Fund and Alfalah Asset Management Limited (the Management Company) in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted by the Institute of Chartered Accountants of Pakistan together with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

S. No.	Key audit matter	How the matter was addressed in our audit
1.	Existence and valuation of investments The investments amounting to Rs. 3,439.6 million represent 86.79% of the total assets of the fund as at year end. In view of the significant amount of total investments in relation to determination of net asset value of the fund, we have considered it as a key audit matter. Refer to notes 3.2 and 5 of the financials statements of the fund for the year ended June 30, 2024 in relation to the above referred investments	We performed a combination of audit procedures focusing on the existence and valuation of the investments. Our key procedure included the following: • we reviewed the processes and key controls relating to existence and valuation and evaluated the design and implementation of such controls. • we evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9.

Y A

Independent Chartered Accountant Firm to:
Deloitte Touche Tohmatsu Limited

S. No.	Key audit matter	How the matter was addressed in our audit
		• we checked existence of investments from the Investor Portfolio Services (IPS) account statement and custodian statements. • we re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policy of the Fund. • we also evaluated the adequacy of the overall disclosures in the financial statements in respect of the investment portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Matter

The annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose audit report dated September 28, 2023, expressed an unmodified opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon and the information related to any other fund.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Company and Board of Directors of the Management Company for the Financial Statements

Management Company is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management Company is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management Company either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent Correspondent Firm to
Deloitte Touche Tohmatsu Limited

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Management Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in all material respects, in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Arif Nazeer.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Alfalah GHP Sovereign Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed on May 6, 2014.
- 1.2** During the year ended June 30, 2021, The Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2022" (the Sindh Trust Act). Consequently, the Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 13, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.
- 1.3** The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor, ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.4** The Fund is categorised as "Income Scheme" pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.5** According to the trust deed, the objective of the Fund is to deliver optimal risk adjusted returns by investing mainly in mix of short to long term Government Securities and other debt Instruments. The investment objectives and policy are explained in the Fund's offering document.
- 1.6** The VIS Credit Rating Company Limited has assigned an asset manager rating of AM1 (positive outlook) to the Management Company on December 29, 2023 (PACRA rating 2023: AM2++ dated August 31, 2023) and assigned stability rating of "AA-(f)" by PACRA dated April 09, 2024 to the Fund.
- 1.7** Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan (CDC) as the Trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2024 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements relate to Classification, impairment and valuation of financial assets (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.2.2 Classification and subsequent measurement

a) Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost ;
- at fair value through other comprehensive income (FVOCI);
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

b) Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. The management considers its investment in equity securities as a group of assets and assesses them on a fair value basis and hence has classified them as at FVTPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVTPL is recognised in the "Income Statement".

Since all investments in equity instruments have been designated as FVTPL, the subsequent movement in the fair value of equity securities is routed through the "Income Statement".

The Fund can only invest in equity securities for the purpose of spread transactions.

3.2.3 Expected credit loss

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted around that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.2.4 Expected credit loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

3.2.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.2.7 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the "Income Statement".

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.7 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company receives redemption applications during business hours on that date. The redemption price represents NAV as on the close of business day, less any duties, taxes, charges on redemption and provision for transactions costs, if applicable.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the period end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place;
- Unrealised gains / losses arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which these arise.

- Income on government securities, term finance certificates, sukuks and margin trading system (MTS) is recognised on a time proportionate basis using the effective yield method.
- Profit on bank balances is recognised on an accrual basis.

3.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.13 Earnings per unit

Earnings per unit is calculated by dividing the net income for the period after taxation of the Fund by the weighted average number of units outstanding during the period.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.14 Margin Trading System

Transactions of purchase under Margin Trading System (MTS) of marketable securities are entered into at contracted rates for specified periods of time. Securities purchased under MTS are not recognised in the "Statement of Assets and Liabilities". The amount paid under such agreements is recognised as receivable in respect of MTS. Profit is recognised on an accrual basis using the effective interest method. Cash releases are adjusted against the receivable as a reduction in the amount of receivable. The maximum maturity of an MTS contract is 60 calendar days out of which 25 percent exposure is automatically released at expiry of every 15th day from the date of contract.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

Advances and deposits:

- Advance against MTS - National Clearing Company of Pakistan Limited	2,750,000	2,750,000
- Advance against TFC exposure - National Clearing Company of Pakistan Limited	887,007	573,419
- Deposit with Central Depository Company of Pakistan Limited	100,000	100,000

Profit receivable on:

- Bank balances	2,611,800	1,045,221
- Pakistan investment bonds	65,856,651	3,317,286
- Sukuk certificates	-	63,009
- GOP ijara sukuk certificates	2,461,646	
- Term finance certificates	958,826	841,745

Receivable against sale of investments 306,117 80,125,531

Advance tax 6.1 223,853 215,021

76,155,900 89,031,232

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2021, withholding tax on profit on bank deposits paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on bank deposits amounts to Rs. 0.0223 million (2023: Rs. 0.0215 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Honourable Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as other receivables as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7. PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY

	Note	2024 ----- (Rupees) -----	2023 -----
Management remuneration payable	7.1	4,012,786	93,976
Sindh sales tax payable on management remuneration	7.2	3,155,205	2,581,237
Federal exercise duty payable on management remuneration	7.3	18,099,663	18,099,663
Payable against allocated expenses	7.4	3,121,396	211,879
Payable against selling and marketing expenses	7.5	15,341,569	-
Sales load payable		629,344	629,344
Preliminary expenses and floatation costs payable		-	5,000
Other payable		50,000	50,000
		44,409,963	21,671,099

- 7.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration variably keeping in view the overall return and the total expense ratio limit of the Fund subject to the maximum limit of 1.5% of average annual net assets as disclosed in the offering document. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the year, an amount of Rs. 2.66 million (2023: Rs. 0.453 million) was charged and an amount of Rs. 4.72 million (2023: Rs. 0.538 million) was paid on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2023: 13%).
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 18.01 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these financial statements of the Fund, the net asset value of the Fund as at June 30, 2024 would have been higher by Rs. 0.5 per unit (June 30, 2023: Rs. 4.39 per unit).

- 7.4** In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). Accordingly, the Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense incurred.
- 7.5** In accordance with circular 11 dated July 5, 2019 issued by the SECP with respect to charging selling and marketing expenses, the Management Company, based on its discretion, has charged selling and marketing at the rates of 0.43% (2023: Nil) per annum of average annual net assets of the Fund during the year ended June 30, 2024, subject to total expense charged being lower than actual expense incurred.

During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling and marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

8. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

	Note	2024 ----- (Rupees) -----	2023 -----
Trustee remuneration payable	8.1	220,945	21,278
Sindh sales tax payable on trustee remuneration	8.2	35,578	2,766
		256,523	24,044

- 8.1** The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. As per the tariff specified therein, based on the daily net assets at the rate of 0.055% per annum of the net assets of the Fund. (June 30, 2023: 0.055% per annum).
- 8.2** During the year, an amount of Rs. 0.21 million (2023: Rs. 0.038 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2023: 13%).

9. FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

Fee payable	9.1	250,046	105,235

- 9.1** In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Income Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

10. ACCRUED AND OTHER LIABILITIES

Withholding tax payable	44,489,445	7,311,825
Capital gain tax payable	3,135,309	845

- Sukuk certificates	84,662	-
- Other Income	12,511	-
	<u>605,443,878</u>	<u>85,189,705</u>

13. AUDITORS' REMUNERATION

Annual audit fee	145,200	145,201
Review and other certifications	286,154	286,154
Out of pocket expenses	44,352	43,135
Sindh sales tax	38,056	37,959
	<u>513,762</u>	<u>512,449</u>

14. TOTAL EXPENSE RATIO

The annualised total expense ratio (TER) of the Fund based on the current period results is 1.54% which included 0.18% representing Government levies on the Fund such as provision for sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 2.5% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "income scheme".

15. TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these financial statements.

16. TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, GHP Beteiligungen Holding Limited, Bank Alfalah Limited, MAB Investment Incorporated, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates as approved by the Board of Directors. The management considers that the transactions between the related parties / connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

Remunerations to the Management Company and the Trustee of the Fund are determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances at period end with related parties / connected persons, other than those which have been disclosed elsewhere in these condensed interim financial statements, are as follows:

18. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

18.1.2 Yield / Interest rate risk

Yield / Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2024, is as follows:

	2024	2023
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Bank balances	447,064,361	23,856,981
Term finance certificates	12,479,694	12,490,000
Sukuk certificates	-	2,507,443
Pakistan investment bonds	1,338,804,600	252,211,000
	<u>1,798,348,655</u>	<u>291,065,424</u>
Fixed rate instruments (financial assets)		
Market treasury bills	1,928,124,825	80,451,320
Pakistan investment bonds	-	19,562,327
GOP Ijara sukuk certificates	160,255,990	-
	<u>2,088,380,815</u>	<u>100,013,647</u>

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based sukuk certificates, term finance certificates, bank balances and PKFRV based Pakistan investment bonds which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs 17.98 million (June 30, 2023: Rs 2.91 million) The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2024, the Fund holds market treasury bills and GOP ijara sukuk certificates which are classified as financial assets 'at fair value through profit or loss' exposing the Fund to fair value interest rate risk. In case of 100 basis points increase / decrease in interest rates announced by Financial Markets Association of Pakistan for Pakistan investment bonds and with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 20.88 million (June 30, 2023: Rs. 1 million). The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

----- 2024 -----					
Yield / effective interest rate	Exposed to yield / interest rate risk			Not exposed to yield / interest risk	Total
	Upto three months	More than three months and upto one year	More than one year

18.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Equity price risk is the risk that the fair value of equity instruments decreases as a result of changes in the level of equity indices and the value of individual stocks. The Fund does not have any investment in equity securities as of June 30, 2024.

18.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee and as listed in the offering document. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

18.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	----- 2024 -----		----- 2023 -----	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	----- (Rupees) -----			
Bank balances	447,064,361	447,064,361	23,856,981	23,856,981
Investments	3,439,665,109	12,479,694	367,222,090	14,997,443
Advances and profit receivable	76,155,900	7,613,750	89,031,232	85,498,925
	<u>3,962,885,370</u>	<u>467,157,805</u>	<u>480,110,303</u>	<u>124,353,349</u>

The difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in Government Securities of Rs. 3,427.185 million (June 30, 2023: Rs. 352.225 million) are not exposed to credit risk.

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets.

No financial assets were considered to be past due or impaired either at June 30, 2024 and June 30, 2023.

18.2.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks and profit accrued thereon, credit exposure arising as a result of investment in term finance certificates and sukuk certificates and profit accrued thereon.

Bank balances

The Fund held bank balances at June 30, 2024 with banks having following credit ratings:

Name of bank	Rating Agency	Rating (Short Term / Long Term)	2024	2023
			----- (%) -----	
Habib Bank Limited	VIS	AAA / A-1+	80.62%	0.07%
Bank Al Habib Limited	PACRA	AAA / A1+	11.30%	7.13%
Bank Alfalah Limited	PACRA	AA+ / A1+	7.50%	88.49%
Allied Bank Limited	PACRA	AAA / A1+	0.54%	2.97%
JS Bank Limited	PACRA	AA- / A1+	0.02%	0.22%
Zarai Taraqati Bank Limited	VIS	AAA / A1+	0.01%	0.04%
Soneri Bank Limited	PACRA	AA- / A1+	0.01%	-
National Bank of Pakistan	PACRA	AAA / A1+	-	0.81%
Bank of Punjab Limited	PACRA	AA+ / A1+	-	0.04%
Samba Bank Limited	PACRA	AA-	-	0.05%
MCB Bank Limited	PACRA	AAA / A1+	-	0.07%
Faysal bank Limited	PACRA	A1+ / AA	-	0.10%
			<u>100%</u>	<u>100%</u>

Above rates are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2024.

Ratings of term finance certificates and sukuk certificates have been disclosed in related notes to financial statements.

18.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk as stated above, the Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

18.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets either in short term instruments or in investments that are traded in an active market and can be readily disposed of and are considered readily realisable in order to maintain liquidity.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

2024

19. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024, the Fund held the following financial instruments measured at fair values:

	2024			
	Level 1	Level 2	Level 3	Total
	(Rupees)			
Investments				
Term Finance Certificates	12,479,694	-	-	12,479,694
Pakistan Investment Bonds	1,338,804,600	-	-	1,338,804,600
GOP Ijara Sukuk Certificates	160,255,990	-	-	160,255,990
Market Treasury Bills	-	1,928,124,825	-	1,928,124,825
	1,511,540,284	1,928,124,825	-	3,439,665,109

	2023			
	Level 1	Level 2	Level 3	Total
	(Rupees)			
Investments				
Term Finance Certificates	12,490,000	-	-	12,490,000
Pakistan Investment Bonds	271,773,327	-	-	271,773,327
Sukuk certificates	2,507,443	-	-	2,507,443
Market Treasury Bills	-	80,451,320	-	80,451,320
	286,770,770	80,451,320	-	367,222,090

During the year ended June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

20. UNIT HOLDER'S FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitors capital of the Fund on the basis of the value of net assets attributable to the unit holders and tracks the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors are updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

21. SUPPLEMENTARY NON - FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors, credit rating of the Fund and the Management Company of the Fund as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khor – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Income Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Income Scheme

Investment Objective

To minimize risk, construct a liquid portfolio of fixed income instruments and provide competitive returns to the unit holders.

Accomplishment of Objective

The Fund has achieved its objective of generating regular income by investing in low duration fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persist, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

During the year under review, AGIF earned a return of 23.73% while the fund's benchmark stood at 21.89%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP INCOME FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Income Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

**INDEPENDENT AUDITOR'S REPORT****To the Unit holders of Alfalah GHP Income Fund****Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of Alfalah GHP Income Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 1,679.22 million and investments aggregated to Rs. 3,097.05 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: ▪ Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; ▪ Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and ▪ Obtained bank reconciliation statements and tested reconciling items on a sample basis.

■ KARACHI ■ LAHORE ■ ISLAMABAD

Other Matter

The financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 28, 2023.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

AMEL

A.F.FERGUSON & CO.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Income Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, between IGI Funds Limited (Former Management Company) and Central Depository Company of Pakistan Limited (CDC) as the Trustee. On October 15, 2013, the management rights of the Fund were transferred from the former Management Company to Alfalah Asset Management Limited [formerly Alfalah GHP Investment Management Limited] (the Management Company) by order No. SCD/NBFC-II/IGIFL & AFGHP/742/2013 of the Securities and Exchange Commission of Pakistan (SECP). The SECP has approved the second Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) vide its letter No. SCD/AMCW/AD-ZI/AGIF/241/2015 dated February 03, 2015 to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Income Fund (formerly IGI Income Fund).

After promulgation of Provincial Trust Acts namely "Sindh Trusts Act, 2020" (the Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan, the abovementioned Trust Deeds have been registered under the Sindh Trust Act on 17 September, 2021.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the Rules) through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at 2nd Floor, Islamic Chambers of Commerce, Industry and Agriculture Building, Clifton, Karachi, Pakistan.

1.3 The Fund is categorised as an 'Income Scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust Deed, the principal activity of the Fund is to invest in fixed-rate securities and other avenues of investment, which include corporate debt securities, Government securities, sukuk and term finance certificates, certificates of investment, certificates of musharaka, commercial papers, term deposit receipts, spread transactions, transactions under Margin Trading Systems and reverse repurchase agreements.

1.5 The Management Company has been assigned a quality rating of 'AM1' by VIS Credit Rating Company Limited dated December 29, 2023 (2023: 'AM2+' dated March 03, 2023 by PACRA). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes PACRA has Assigned Stability Rating of AA-(f) to the Fund dated March 22, 2024, (June 30, 2023, A+(f) dated October 13, 2022)

1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and have, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 is yet to be adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires the management to exercise judgment in the application of the Company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors, including expectation of future events, that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying value of assets and liabilities. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of financial assets (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments which have been classified as 'at fair value through profit or loss' and which are measured at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost;
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

3.2.3 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has been placed on the Management Company's website as required under the SECP's circular.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss arising on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.7 Issuance and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of any duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company / distributors receive redemption applications during business hours on that date. The redemption price represents the NAV as on the close of the business day, less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.8 Distributions to unit holders

Distribution to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.11 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised on the date when the transaction takes place;
- Unrealised appreciation / (diminution) arising on re-measurement of investments classified as financial assets at 'fair value through profit or loss' are included in the Income Statement in the period in which they arise;
- Income on corporate sukuks certificates, government securities and term finance certificates is recognised on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis; and
- Profit on savings account with banks is recognised on time proportion basis using the effective yield method.

3.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.13 Earnings per unit

Earnings per unit is calculated by dividing the net profit of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.14 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

6. ADVANCES, DEPOSITS, PREPAYMENTS AND PROFIT RECEIVABLE

Profit receivable on:			
- Bank balances		18,924,424	1,895,433
- Pakistan investment bonds		127,574,177	1,172,233
Corporate sukuks certificates		1,252,522	1,743,532
- Term finance certificates		3,457,877	3,217,750
Deposits:			
- National Clearing Company of Pakistan Limited (NCCPL)		3,323,911	3,251,710
- Central Depository Company of Pakistan Limited (CDC)		100,000	100,000
Prepayments:			
- Fees and subscription		218,684	260,848
Advance tax	6.1	303,009	279,384
		155,154,604	11,920,890

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, withholding tax on savings account paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on savings account amounts to Rs. 0.30 million (2023: Rs. 0.28 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7. PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANGEMENT COMPANY	Note	2024	2023
		----- (Rupees) -----	-----
Management remuneration payable	7.1	2,825,153	278,466
Sindh sales tax payable on management remuneration	7.2	367,270	36,201
Federal excise duty payable on management remuneration	7.3	9,778,882	9,778,882
Sindh Sales Tax payable on Federal Excise Duty on management remuneration	7.3	1,353,987	1,353,987
Selling and marketing expenses payable	7.4	6,618,269	-
Sales load payable		76,713	174,492
		<u>21,020,274</u>	<u>11,622,028</u>

- 7.1 As per Regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration variably keeping in view the overall return and the total expense ratio limit of the Fund subject to the maximum limit of 1.12% (2023: 0.75%) of average annual net assets as disclosed in the offering document. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the year, an amount of Rs. 1.72 million (2023: Rs. 0.52 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (2023: 13%).
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 11.132 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these financial statements of the Fund, the net asset value of the Fund as at June 30, 2024 would have been higher by Re. 0.26 per unit (2023: Re. 2.85 per unit).

- 7.4 In accordance with Circular 11 dated July 5, 2019, SECP has allowed Asset Management companies to charge selling and marketing expenses to all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged selling and marketing expenses to the Fund based on its discretion ranging from 0.024% to 0.540%(2023: Nil) of the average annual net assets of the Fund subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

- 7.5 During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling & marketing expenses and accounting & operational charges to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

8. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

Note	2024	2023
	----- (Rupees) -----	
Remuneration payable	215,497	26,570
Sindh sales tax payable on remuneration of the Trustee	28,015	3,454
CDS charges payable	99,198	58,818
	<u>342,710</u>	<u>88,842</u>

- 8.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed at the rate of 0.075% (2023: 0.075%) per annum of the average annual net assets of the Fund.
- 8.2 During the year, an amount of Rs. 0.17 million (2023: Rs. 0.04 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (2023: 13%).

9. PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

Fee payable	9.1	<u>215,434</u>	<u>97,331</u>

- 9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.075% (2023: 0.02%) per annum of the daily net assets during the year ended June 30, 2024.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

10. ACCRUED EXPENSES AND OTHER LIABILITIES

	2024	2023
	----- (Rupees) -----	
Capital gain tax payable	1,527,644	5,431,373
Withholding tax payable on dividend	37,375,851	-
Auditors' remuneration payable	498,639	298,661
Brokerage and settlement charges payable	727,593	150,382
Sales load payable	1,567,788	457,550
Printing charges payable	41,692	43,718
Zakat payable	15,858	11,021
	<u>41,755,065</u>	<u>6,392,705</u>

11. CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2024 and June 30, 2023.

12. AUDITORS' REMUNERATION

Annual audit fee	222,600	250,000
Fee for half yearly review of condensed interim financial statements	133,560	121,000
Fee for other certifications	89,040	-
Out of pocket expenses	39,965	38,637
	<u>485,165</u>	<u>409,637</u>
Sindh Sales Tax	38,813	32,771
	<u>523,978</u>	<u>442,408</u>

13. TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed at least 90% of the Fund's accounting income for the year ended June 30, 2024 as reduced by capital gains (whether realised or unrealised) to its unit holders, therefore no provision for taxation has been made in these financial statements.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

14. TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 1.61% (2023: 1.45%) which includes 0.2% (2023: 0.14%) representing government levies on the Fund such as sales taxes, fee to the SECP etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an 'Income Scheme'.

15. TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, Alfalah Investment Company Limited and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Selling and marketing expenses are charged to the Fund by the Management Company subject to the maximum prescribed Total Expense Ratio.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

17. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

17.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

17.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

17.1.2 Yield / Interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market yield / interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The yield / interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2024, is as follows:

	2024	2023
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Corporate sukuks certificates	42,150,099	59,449,883
Balances with banks	1,679,217,001	265,772,132
Term finance certificates	44,926,898	44,964,000
Pakistan Investment Bonds	2,829,794,000	-
	<u>4,596,087,998</u>	<u>370,186,015</u>
Fixed rate instruments (financial assets)		
Market Treasury Bills	113,894,171	45,070,402
Pakistan Investment Bonds	66,105,900	37,006,270
Government of Pakistan Ijarah Sukuks	175,288	-
	<u>180,175,359</u>	<u>82,076,672</u>

a) Sensitivity analysis for variable rate instrument

Presently, the Fund holds PKFRV based Pakistan Investment Bonds and KIBOR based corporate sukuks certificates, term finance certificates and bank balances which expose the Fund to cash flow yield/ interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 45.94 million (2023: Rs. 3.70 million) The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's yield / interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 and June 30, 2023 can be determined as follows:

----- 2024 -----					
Effective yield / interest rate	Exposed to yield / interest risk			Not exposed to yield / interest rate risk	Total
	Upto three months	More than three months and up to one year	More than one year		

----- (Rupees) -----

Cumulative interest rate sensitivity gap

409,096,677	452,271,986	452,271,986

17.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from yield / interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Equity price risk is the risk that the fair value of equity instruments decreases as a result of changes in the level of equity indices and the value of individual stocks. The Fund does not have any investment in equity securities as of June 30, 2024.

17.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

17.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	(Rupees)			
Balances with banks	1,679,223,453	1,679,223,453	265,781,431	265,781,431
Investments	3,097,046,356	87,076,997	186,490,555	104,413,883
Deposit and other receivables	154,632,911	27,058,734	11,380,658	11,380,658
	<u>4,930,902,720</u>	<u>1,793,359,184</u>	<u>463,652,644</u>	<u>381,575,972</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Investment in government securities and related profit receivable, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

17.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2024 and June 30, 2023 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	2024	2023
			% of bank balances exposed to credit risk	
Allied Bank Limited	PACRA	A1+ / AAA	0.25%	1.01%
Bank Alfalah Limited	PACRA	A1+ / AAA	33.01%	56.62%
BankIslami Pakistan Limited	PACRA	A1 / AA-	0.01%	0.04%
The Bank of Punjab*	PACRA	A1+ / AA+	-	0.01%
Faysal Bank Limited*	PACRA	A1+ / AA	-	0.02%
Habib Bank Limited	VIS	A-1+ / AAA	0.15%	0.03%
Habib Metropolitan Bank Limited	PACRA	A1+ / AA+	0.01%	-
MCB Bank Limited*	PACRA	A1 / A+	-	0.01%
Soneri Bank Limited*	PACRA	A1+ / AA-	-	0.02%
Zarai Taraqiyati Bank Limited*	VIS	A-1+ / AAA	-	0.01%
Mobilink Microfinance Bank Limited	PACRA	A1 / A	66.38%	-
U Microfinance Bank Limited	VIS	A-1 / A+	0.19%	38.31%
Bank Al Habib Limited*	PACRA	A1+ / AAA	-	3.92%
			<u>100.00%</u>	<u>100.00%</u>

* Nil due to rounding off difference.

Above ratings are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2024.

Ratings of corporate sukuks certificates and term finance certificates have been disclosed in related notes to the financial statements.

17.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk.

17.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

----- 2024 -----						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than five years	Financial instruments with no fixed maturity	Total

18. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024 and June 30, 2023, the Fund held the following financial instruments measured at fair values:

2024			
Level 1	Level 2	Level 3	Total
(Rupees)			
Market Treasury Bills	-	113,894,171	-
Pakistan Investment Bonds	-	2,895,899,900	-
Government of Pakistan Ijarah Sukuks	175,288	-	-
Corporate sukuks certificates	-	42,150,099	-
Term finance certificates	-	44,926,898	-
175,288	3,096,871,068	-	3,097,046,356

	2023			
	Level 1	Level 2	Level 3	Total
At fair value through profit or loss	(Rupees)			
Market Treasury Bills	-	45,070,402	-	45,070,402
Pakistan Investment Bonds	-	37,006,270	-	37,006,270
Corporate sukuks certificates	-	59,449,883	-	59,449,883
Term finance certificates	-	44,964,000	-	44,964,000
	-	186,490,555	-	186,490,555

During the year ended June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

19. UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

20. SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

21. CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

22. GENERAL

Figures have been rounded off to the nearest rupees.

23. DATE OF AUTHORISATION FOR ISSUE

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khor – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Income Multiplier Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Aggressive Income Scheme

Investment Objective

The investment objective of Alfalah GHP Income Multiplier Fund (AGIMF) is to generate stable and consistent returns while seeking capital preservation through a diversified portfolio of high quality debt securities and liquid money market instruments and placements.

Accomplishment of Objective

The Fund has achieved its objective of generating regular income by investing in low-medium duration fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persist, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund performance review and strategies employed

During the year, Alfalah GHP Income Multiplier Fund's earned a return of 23.60% while the fund's benchmark stood at 21.69%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP INCOME MULTIPLIER FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Income Multiplier Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Alfalah GHP Income Multiplier Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah GHP Income Multiplier Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended, in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and Investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 305.66 million and investments aggregated to Rs. 1,034.09 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: • Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; • Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and • Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Matter

The financial statements of the Fund for the year ended June 30, 2023, were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 28, 2023.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Muel

A.F. FERGUSON & CO.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH GHP INCOME MULTIPLIER FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Income Multiplier Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882 executed between Alfalah Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited (the Trustee) on March 08, 2007. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, on February 14, 2007. The SECP approved the first and second Supplemental Trust Deeds, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008, vide its letter No. SCD/NBFC-II/AGIMF/573/2010 and No. SCD/NBFC-II/AGIMF/177/2010 dated February 26, 2010 and July 20, 2010, respectively to modify and restate the previous Trust Deed to effectuate amendments listed in Annexure A of the Supplement Trust Deeds.

After the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2022" (the Sindh Trust Act), the abovementioned Trust Deeds have been registered under the Sindh Trust Act on September 20, 2021.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.3 The Fund is categorised as an 'Aggressive income scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in debt and money market securities. The Fund invests in debt instruments, money market securities and interest bearing accounts. The investment objectives and policy are explained in the Fund's offering document.

1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 December 29, 2023 (stable outlook) to the Management Company dated June 30, 2024 (2023: AM2+ dated March 3, 2023 by Pakistan Credit Rating Agency Limited(PACRA). PACRA has assigned a stability rating of A+(f) to the Fund in its credit rating report dated April 09, 2024 (June 30, 2023: AA(f) dated October 13, 2023).

1.6 Title to the assets of the fund are held in the name of Central Depository Company of Pakistan (CDC) as the Trustee of the fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and have, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 has not yet been adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements relate to classification and valuation of financial instruments (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments held at 'fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost;
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

3.2.3 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has been placed on the Management Company's website as required under the SECP's circular.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.4 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the statement of assets and liabilities, is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.7 Issuance and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of any duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company / distributors receive redemption applications during business hours on that date. The redemption price represents the NAV as on the close of the business day, less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.8 Distributions to unit holders

Distribution to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement at the date at which the transaction takes place;
- Unrealised appreciation / (diminution) arising on re-measurement of investments classified as financial assets at 'fair value through profit or loss' are included in the Income Statement in the period in which they arise;
- Income on term finance certificates, government securities and commercial papers are recognised on time proportion basis using the effective yield except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by SECP for which the income is recorded on receipt basis; and
- Profit on savings account with banks is recognised on a time proportion basis using the effective yield method.

3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.12 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, Super Tax on High Earning Persons introduced in the Finance Act, 2022 is also not applicable on the Funds (Section 4C of the Income Tax Ordinance, 2001).

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.13 Earnings per unit

Earnings per unit is calculated by dividing the net profit for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.14 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

5.1.3 Significant terms and conditions of impaired term finance and sukuk certificates outstanding at the year end are as follows:

5.1.3.1 On April 1, 2021, sukuk certificates of Hascol Petroleum Limited have been classified as non-performing by Mutual Funds Association of Pakistan (MUFAP). Therefore, in accordance with the requirement of SECP's Circular No.33 of 2012, the sukuk certificates have been classified as non-performing asset and no further profit has been accrued thereafter. Accordingly, an amount of Rs. 25.996 million has been provided against the investment as at June 30, 2024.

5.1.3.2 In prior years, a restructuring agreement was signed between Agritech Limited and the Investment Agent in respect of the term finance certificates, whereby, certain terms included in the original Trust Deed dated November 15, 2007 were amended, including the repayment period which was extended from November 29, 2014 to November 29, 2017. Consequently, the security was classified as non-performing by MUFAP on June 14, 2010 and accrual of income on these TFCs was suspended. Accordingly, the security had been fully provided in accordance with the requirements of SECP circulars and directives issued from time to time and the Board's approved provisioning policy.

5.1.3.3 This represents additional certificates of Agritech Limited received by the Fund through restructuring agreement reached between lenders and Agritech Limited. Under such agreement, outstanding mark up due on May 29, 2011 and July 13, 2011 against 1st and 2nd issue respectively amounting to Rs. 20.187 million was settled in the form of certificates valuing Rs. 20.187 million. This investment has been fully provided since these have been received in lieu of suspended overdue mark-up to be recognised to income upon realisation.

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2024, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on debt amounts to Rs. 0.172 (2023: 0.154) million during the year.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7 PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY	Note	2024	2023
		----- (Rupees) -----	
Management remuneration payable	7.1	1,543,972	2,011,622
Sindh Sales Tax payable on management remuneration	7.2	200,716	261,518
Allocated expenses payable	7.3	12,250,962	500,000
Selling and marketing expenses payable	7.4	-	2,914,725
Federal excise duty payable on management remuneration		11,439,981	11,439,981
Sindh sales tax payable on federal excise duty on management remuneration	7.5	1,713,175	1,713,175
Sales load payable		1,812,002	2,911,637
		<u>28,960,808</u>	<u>21,752,658</u>

- 7.1 As per Regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration during the year at the rates ranging from 0.50% to 1.39% (2023: 1.25%). The remuneration is payable to the Management Company monthly in arrears.

- 7.2 During the year, an amount of Rs. 4.005 million (2023: Rs. 0.576 million) at the rate of 13% (June 30, 2023: 13%) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011.

- 7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has charged allocated expenses to the Fund within the range from 0.52% to 0.67% (2023: 0.05%) subject to not being higher than actual expense incurred.

- 7.4 In accordance with Circular 11 dated July 5, 2019 with respect to charging selling and marketing expenses, the Management Company, based on its own discretion, has charged selling and marketing expenses at the rate of ranging from 0.23% (2023: 0.14%) per annum of the average annual net assets of the Fund during the year ended June 30, 2024 while keeping in view the overall return and total expense ratio limit of the Fund as defined under the NBFC Regulations, subject to total expense charged being lower than actual expense incurred.

During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling & marketing expenses and accounting & operational charges to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

- 7.5 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 11.4 (2023: 11.4) million is being retained in these financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these financial statements of the Fund, the net asset value of the Fund as at June 30, 2024 would have been higher by Re. 0.53 per unit (2023: Re. 0.09 per unit).

8 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

	Note	2024 ----- (Rupees) -----	2023 ----- (Rupees) -----
Trustee remuneration payable	8.1	84,984	368,343
Sindh Sales Tax payable on trustee remuneration	8.2	11,048	47,885
		<u>96,032</u>	<u>416,228</u>

8.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. As per the tariff specified therein, based on the daily net assets at the rate of 0.075% (2023: 0.075%) per annum of the net assets of the Fund.

8.2 During the year, an amount of Rs. 0.517 million (2023: Rs. 0.204 million) at the rate of 13% (June 30, 2023: 13%) has been charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011.

9 FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

	Note	2024 ----- (Rupees) -----	2023 ----- (Rupees) -----
Fee payable	9.1	80,516	419,117

9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.075% (2023: 0.02%) per annum of the daily net assets during the year ended June 30, 2024.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

10 ACCRUED EXPENSES AND OTHER LIABILITIES

	2024 ----- (Rupees) -----	2023 ----- (Rupees) -----
Withholding tax payable	2,776,408	43,811,228
Dividend payable	274,600	587,613
Capital gain tax payable	3,752,935	-
Auditors' remuneration payable	496,078	299,521
Settlement charges payable	156,094	147,268
Brokerage expenses payable	516,036	-
Sales load payable	4,105,164	3,167,767
Other payable	217,768	181,736
	<u>12,295,083</u>	<u>48,195,133</u>

11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments as at June 30, 2024 and June 30, 2023.

12 AUDITORS' REMUNERATION

	2024 ----- (Rupees) -----	2023 ----- (Rupees) -----
Annual audit fee	219,089	195,000
Half yearly review of condensed interim financial statements	131,454	115,149
Fee for other certifications	87,636	55,000
Out of pocket expenses	79,195	36,515
	<u>517,374</u>	<u>401,664</u>
Sindh sales tax	41,389	32,133
	<u>558,763</u>	<u>433,797</u>

13 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 1.67% (2023: 0.62%) which includes 0.16% (2023: 0.06%) representing government levies on the Fund such as Sales Taxes, fee to the SECP etc. This ratio is within the maximum limit of 2.5% (2023: 2.5%) (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an Income Scheme.

14 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2024 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

15 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, Alfalah Investment Company Limited and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected person are also in the normal course of business, at contracted rates and at terms determined in accordance with the market rates.

Remunerations to the Management Company and the Trustee of the Fund are determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Allocated expenses and selling and marketing expenses are charged to the Fund by the Management Company subject to the maximum prescribed Total Expense Ratio.

Details of transactions and balances at year end with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

17 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

17.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

17.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

17.1.2 Yield / Interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market yield / interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The yield / interest rate profile of the Fund's profit bearing financial instruments, as at June 30, 2024, is as follows:

	2024	2023
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Balances with banks	305,653,265	7,469,341,450
Term finance certificates	217,143,300	-
Pakistan Investment Bonds	637,470,665	-
Government of Pakistan (GoP) Ijara Sukuk	126,928,000	-
	<u>1,287,195,230</u>	<u>7,469,341,450</u>
Fixed rate instruments (financial assets)		
Pakistan Investment Bonds	45,948,788	-
Market Treasury Bills	6,606,460	-
	<u>52,555,248</u>	<u>-</u>

a) Sensitivity analysis for variable rate instrument

Presently, the Fund holds balances with banks, term finance certificates, PKFRV based Pakistan Investment Bonds and KIBOR based GoP Ijarah Sukuks certificates which expose the Fund to cash flow yield / interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 12.87 million (2023: Rs. 75.82 million). The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's yield / interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

Particulars	2024					Total
	Effective yield / interest rate	Exposed to yield / interest risk			Not exposed to yield / interest rate risk

Cumulative interest rate sensitivity gap		7,469,341,450	7,469,341,450	7,469,341,450		

17.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from yield / interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

17.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

17.2.1 Exposure to credit risk

The maximum exposure to credit risk as at June 30, 2024 was as follows:

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure	Balance as per statement of assets and liabilities	Maximum exposure
	(Rupees)		(Rupees)	
Balances with banks	305,659,648	305,659,648	7,469,341,450	7,469,341,450
Investments	1,034,097,213	217,143,300	-	-
Deposits and other receivables	49,295,092	8,339,352	115,907,661	115,907,661
	<u>1,389,051,953</u>	<u>531,142,300</u>	<u>7,585,249,111</u>	<u>7,585,249,111</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Investment in government securities and related profit receivable, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

17.2.2 Bank balances

The Fund held bank balances at June 30, 2024 and June 30, 2023 with banks having following credit ratings:

Balances with banks by rating category

Above ratings are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2024.

17.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk.

17.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining year at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

18 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

18.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024 and June 30, 2023, the Fund held the following financial instruments measured at fair values:

Financial assets at 'fair value through profit or loss'

Term finance certificates

Government of Pakistan (GoP) Ijara Sukuk certificate

Market Treasury Bills

Pakistan Investment Bonds

Commercial papers

During the year ended June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

19 Unit Holders' Fund risk management

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officers of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

20 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors, credit rating of the Fund and the Management Company of the Fund as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Alpha Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Funds: Conventional Stock Scheme

Investment Objective

The investment objective of Alfalah GHP Alpha Fund (AGAF) is seeking long term capital appreciation from a portfolio that is substantially constituted of equity and equity related securities.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds.

Equity Market Review

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%.

Fund Performance

In FY24, AGAF earned a return of 93.40% while the benchmark return was 78.70% during year.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP ALPHA FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Alpha Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Alfalah GHP Alpha Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah GHP Alpha Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and Investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 34.33 million and investments aggregated to Rs. 970.64 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: • Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; • Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and • Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Matter

The financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 28, 2023.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

MEL

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH GHP ALPHA FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Alpha Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited (CDC) as the Trustee on December 27, 2007. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 on May 13, 2005. The SECP approved the first Supplemental Trust Deed under the Non-Banking Finance Companies and Notified Entities Regulations, 2008, vide its letter No. NBFC/RS/AGIML/AGAF/176/2010 dated February 26, 2010 to modify and restate the previous Trust Deed to effectuate the amendments listed in Annexure A of the first Supplemental Trust Deed.

During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Accordingly, on September 20, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.3 The Fund is categorised as an 'Equity Scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust deed, the objective of the Fund is long term capital appreciation from a portfolio that is substantially constituted of equity and equity related securities. The Fund invests in equity securities and profit bearing accounts. The investment objectives and policy are explained in the Fund's offering document.

1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company dated December 29, 2023 [June 30, 2023: AM2+ (stable outlook) dated March 3, 2023 by Pakistan Credit Rating Agency Limited (PACRA)].

1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act 2017, along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirement of IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and hence, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of financial assets (notes 3.3 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments classified as 'at fair value through profit or loss' which are measured at their respective fair values.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

3.1 The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.2 Cash and cash equivalents

These comprise balances with banks in savings, current accounts and other short-term highly liquid investments with original maturities of three months or less.

3.3 Financial assets

3.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.3.2 Classification and subsequent measurement

3.3.2.1 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at Fair Value through Other Comprehensive Income (FVOCI). The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

3.3.3 Impairment (other than debt securities)

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.3.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.3.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.4 Financial liabilities

3.4.1 Classification and subsequent measurement

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

3.4.2 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption applications during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement, on the date when the transaction takes place.
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the year in which these arise.
- Dividend income is recognised when the Fund's right to receive the same is established i.e. on the commencement of date of book closure of the investee company / institution declaring the dividend and;
- Profit on saving accounts with bank is recognised on an accrual basis.

3.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

3.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.14 Earnings per unit

Earnings per unit is calculated by dividing the net profit of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4	BANK BALANCES	Note	2024	2023
			(Rupees)	
	Balances with banks in:			
	Savings accounts	4.1	34,326,189	23,295,091
	Current accounts		6,601	9,299
			<u>34,332,790</u>	<u>23,304,390</u>

- 4.1 This includes bank balances of Rs. 33.004 million (June 30, 2023: Rs. 19.64 million) maintained with Bank Alfalah Limited (a related party) that has an expected profit rate of 20.5% (2023: 20.50%) per annum. Other balances in savings accounts have an expected profit ranging from 7.25% to 20.60% (2023: 8.50% to 20.50%) per annum.

* Nil figures due to rounding off difference.

5.1.1 All shares have a nominal value of Rs. 10 each except for the shares of National Foods Limited and Thal Limited which have a nominal value of Rs. 5 each and shares of K-Electric Limited which have a nominal value of Rs. 3.5 each.

5.1.2 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to remain continued. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically during the year ended June 30, 2019. During the year ended June 30, 2020, the CISs have filed a fresh constitutional petition via CP 4653 dated July 11, 2019 in the Honourable High Court of Sindh. In this regard, on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018, effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. As at June 30, 2024, the bonus shares of the Fund withheld by certain companies at the time of declaration of bonus shares amounted to Rs. 1.074 million (June 30, 2023: Rs. 0.659 million).

5.1.3 The Finance Act, 2023 has introduced Section 236Z of the Income Tax Ordinance, 2001 effective from July 1, 2023. As per the aforementioned section, every company quoted on stock exchange issuing bonus shares to the shareholders of the company, is required to withhold tax ten percent of the bonus shares to be issued, determined on the basis of day-end price on the first day of closure of books of the issuing company and such tax shall be treated as final tax. Since the CISs are exempt from deduction of income tax under Clause 99 of Part I to the Second Schedule of the Income Tax Ordinance, 2001, the Fund has applied for the exemption of withholding tax on the bonus shares and the said application is pending before Federal Board of Revenue (FBR). The management of the Company is confident that the exemption shall be given in due course. Following are the amounts of bonus shares withheld under this section which shall be released to the Fund.

Name of the investee company	June 30, 2024		June 30, 2023	
	Bonus shares

	Note	2024 ----- (Rupees) -----	2023 ----- (Rupees) -----
Market value of investments	5.1 & 5.2	970,644,926	505,947,626
Less: carrying amount of investments	5.1 & 5.2	(745,593,920)	(540,394,209)
		<u>225,051,006</u>	<u>(34,446,583)</u>

6	ADVANCE, DEPOSITS AND OTHER RECEIVABLES	Note	2024 ----- (Rupees) -----	2023 -----
	Profit receivable on bank balances	6.1	649,661	119,474
	Advance tax	6.2	103,899	139,347
	Security deposit with Central Depository Company of Pakistan Limited		200,000	200,000
	Security deposit with the National Clearing Company of Pakistan Limited		2,500,000	2,500,000
			<u>3,453,560</u>	<u>2,958,821</u>

6.1 This includes Rs. 0.58 million accrued markup (June 30, 2023: Rs. 0.075 million) receivable from Bank Alfalah Limited (a related party).

6.2 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 151 and 150. However several withholding agents deduct tax at source based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced by the withholder.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the cumulative amount of withholding tax has been shown under other receivable as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7	PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY	Note	2024 ----- Rupees -----	2023 -----

Rate applicable from July 1, 2023 to October 27, 2023	Rate applicable from October 28, 2023 to June 30, 2024	Rate applicable from July 1, 2022 to June 30, 2023
1.75% of average annual net assets	1.50% of average annual net assets	1.75% of average annual net assets

7.2 During the year, an amount of Rs.1.416 million (2023: Rs.1.299 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (2023:13%).

7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company and performance fee with effect from July 01, 2016. However, as a matter of abundant caution, the provision for FED and the related sales tax has been made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 5.18 million (June 30, 2023: Rs. 5.18 million) is being retained in the financial statements as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been made, the Net Asset Value per unit of the Fund as at June 30, 2024 would have been higher by Re 0.27 (June 30, 2023: Re 0.49) per unit.

- 7.4** In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses for registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

The Management Company, based on its own discretion, has charged such expenses at the rate of 0.10% (2023: 0.10%) per annum of the average annual net assets of the Fund, subject to total expense charged being lower than actual expense incurred.

- 7.5** In accordance with Circular 11 dated July 5, 2019 issued by the SECP with respect to charging selling and marketing expenses, the Management Company, based on its own discretion, has charged selling and marketing expenses at the rates of 1.39% (2023: 0.4%) per annum of average annual net assets of the Fund during the year ended June 30, 2024, subject to total expense charged being lower than actual expense incurred.

- 7.6** During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling & marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

8	PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2024	2023
			----- Rupees -----	----- Rupees -----
	Trustee fee payable	8.1	135,467	86,796
	Sindh Sales Tax payable on trustee fee	8.2	17,611	10,986
			<u>153,078</u>	<u>97,782</u>

- 8.1** The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the trust deed as follows:

Net Assets (Rs.)	Tariff
Upto Rs. 1 billion	Rs. 0.7 million or 0.20% per annum of Net Assets.
Over Rs. 1 billion	Rs. 2 million plus 0.10% per annum of Net Assets on amount exceeding Rs. 1 billion.

- 8.2** During the year, an amount of Rs. 0.181 million (2023: Rs. 0.148 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh sales tax on Services Act, 2011 at the rate of 13% (2023:13%).

9	PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN	Note	2024	2023
			----- Rupees -----	----- Rupees -----
	Fee payable	9.1	<u>139,664</u>	<u>114,205</u>

- 9.1** In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.095% (2023: 0.02%) per annum of the daily net assets during the year.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2024 and June 30, 2023.

12 AUDITORS' REMUNERATION

Audit fee	413,820	440,000
Fee for half yearly review of condensed financial statements	248,292	249,700
Fee for other certifications	165,528	-
Out of pocket expenses and Sindh Sales Tax	155,596	101,878
	<u>983,236</u>	<u>791,578</u>

13 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 4.79% (2023: 4.81%) which includes 0.45% (2023: 0.32%) representing government levies on the Fund such as sales taxes, annual fee to the SECP, etc. This ratio is within the maximum limit of 4.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an Equity Scheme.

14 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2024 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

15 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

15.1 Connected persons / related parties include Alfalah Asset Management Limited being the Management Company, Funds under management of the Management Company, Bank Alfalah Limited and MAB Investment Incorporated being associated companies of Management Company, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, Alfalah GHP Investment Management Limited - Staff Provident Fund, directors and key management personnel of Alfalah GHP Investment Management Limited and Central Depository Company of Pakistan Limited (CDC) being the Trustee of the Fund, and other associated companies and connected persons. Connected persons also includes any person beneficially owing directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

15.2 Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

15.3 Remuneration to the Management Company of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

15.4 Remuneration to the Trustee of the Fund is determined in accordance with the provisions of the Trust Deed.

15.5 Allocated expenses and selling and marketing expenses are charged to the Fund by the Management Company subject to the maximum prescribed Total Expense Ratio.

15.6 The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

17 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

17.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risks: profit rate risk, currency risk, and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of June 30, 2024, the Fund is exposed to such risk on its balances held with banks. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income / (loss) for the year and net assets of the Fund would have been higher / lower by Rs. 343.26 million (2023: Rs. 232.95 million).

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

17.1 a) Sensitivity analysis for variable rate instruments

----- 2024 -----					
Effective profit rate (%)	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total
	Up to three months	More than three months and up to one year	More than one year

23,295,091	23,295,091	23,295,091	23,295,091	-	-

(ii) **Currency risk**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) **Price risk**

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price arising from the Fund investments in equity securities. The Fund manages its price risk arising from investment in the equity securities by diversifying its portfolio within the eligible limits prescribed in the Fund's constitutive documents, the NBFC regulations and circulars issued by the SECP time to time.

The table below summarizes the sensitivity of the Fund's net assets attributable to unit holders to the equity price movements as at June 30, 2024. The analysis is based on the assumption that the KSE index increased / decreased by 1%, with all other variables held constant and that the fair value of the Fund's portfolio of equity securities moved according to their historical correlation with the index. This represents managements' best estimate of a reasonable possible shift in the KSE index, having regard to the historical volatility of the index of the past three years.

At June 30, 2024, the fair value of equity securities exposed to price risk was disclosed in note 5.

	2024	2023
	----- Rupees -----	
Effect due to increase / decrease in KSE 100 index		
Investment and net assets	9,706,449	5,059,476
Income statement	<u>9,706,449</u>	<u>5,059,476</u>

17.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily settlement of equity securities and daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, 2008, the Fund can borrow in the short-term to ensure settlement, the maximum limit of which is fifteen percent of the net assets up to 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions request during the year ended June 30, 2024.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

	2024

Net financial assets / financial liabilities	14,748,825	(528,994)	-	-	522,867,458

17.3 Credit risk

17.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
(Rupees)				
Bank balances	34,332,790	34,332,790	23,304,390	23,304,390
Investments	970,644,926	-	505,947,626	-
Receivable against sale of investments	5,808,786	5,808,786	10,578,789	10,578,789
Dividend receivable	922,392	922,392	4,463	4,463
Advance, deposits and other receivables	3,349,661	3,349,661	2,819,474	2,819,474
	<u>1,015,058,555</u>	<u>44,413,629</u>	<u>542,654,742</u>	<u>36,707,116</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in equity securities of Rs 970.64 million (2023: 505.95 million) is not exposed to credit risk.

There is a possibility of default by participants or failure of the financial market / stock exchanges, the depositories, the settlements or clearing systems, etc. Settlement risk on equity securities is considered minimal because of inherent controls established in the settlement process. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instruments guidelines approved by the Investment Committee.

17.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and mark-up accrued thereon and receivable against sale of investments. The credit rating profile of balances with banks is as follows:

Name of bank	Rating (Short Term / Long Term)	Rating Agency	2024	2023
			% of financial assets exposed to credit risk	
Bank Alfalah Limited	A1+ / AAA	PACRA	96.13%	84.30%
Allied Bank Limited	A1+ / AAA	PACRA	3.24%	14.78%
MCB Bank Limited	A1+ / AAA	PACRA	0.33%	0.40%
Central Depository Company of Pakistan Limited	N/A	N/A	0.20%	-
National Bank of Pakistan	A1+ / AAA	PACRA	-	0.45%
Soneri Bank Limited	A1+ / AA-	PACRA	0.07%	0.07%
Khushhali Microfinance Bank Limited	A-2 / A-	VIS	0.03%	-
			<u>100.00%</u>	<u>100.00%</u>

17.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2024 and June 30, 2023 are unsecured and are not impaired.

18 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

18.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024 and June 30, 2023 the Fund held the following financial instruments measured at fair values:

2024			
Level 1	Level 2	Level 3	Total
Rupees			
Financial assets 'at fair value through profit or loss'			
Shares of listed companies - ordinary shares	970,644,926	-	970,644,926
	970,644,926	-	970,644,926
2023			
Level 1	Level 2	Level 3	Total
Rupees			
Financial assets 'at fair value through profit or loss'			
Shares of listed companies - ordinary shares	505,947,626	-	505,947,626
	505,947,626	-	505,947,626

19 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 17, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

20 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh - – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenor as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Stock Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Conventional Stock Scheme

Investment Objective

The investment objective of Alfalah GHP Stock Fund is to seek long-term capital growth by investing primarily in a diversified pool of equities and equity related instruments, management team shall ensure the active implementation of prudent investment practices, the highest professional standards and compliance of applicable laws.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds.

Equity Market Review

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%

KSE - 100

Fund Performance

During FY24, AGSF earned a return of 95.65% versus the benchmark (KSE-100) return 89.24% during the year.

INDEPENDENT AUDITOR'S REPORT

To The Unit Holders of Alfalah GHP Stock Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Stock Fund** (the Fund), which comprise the statement of assets and liabilities as at **June 30, 2024**, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund and Alfalah Asset Management Limited (the Management Company) in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted by the Institute of Chartered Accountants of Pakistan together with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

S. No.	Key audit matter	How the matter was addressed in our audit
1.	Valuation and existence of investments The investments amounting to Rs. 1,859.8 million represent 94% of the total assets of the fund as at year end. In view of the significant amount of total investments in relation to determination of net asset value of the fund, we have considered it as a key audit matter. Refer to notes 3.3 and 5 of the financials statements of the fund for the year ended June 30, 2024 in relation to the above referred investments.	We performed a combination of audit procedures focusing on the existence and valuation of investments. Our key procedure included the following: - we reviewed the processes and key controls relating to existence and valuation and evaluated the design and implementation of such controls. - we evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9.

YA

S. No.	Key audit matter	How the matter was addressed in our audit
		• we checked existence of investments from the custodian statement and statement of account of unit holder. • we re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policy of the fund. • we also evaluated the adequacy of the overall disclosures in the financial statements in respect of the investment portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Matter

The annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose audit report dated September 28, 2023, expressed an unmodified opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management Company is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon and the information related to any other fund.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Company and Board of Directors of the Management Company for the Financial Statements

Management Company is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management Company is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management Company either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Y A

Independent Member Firm to
Deloitte Touche Tohmatsu Limited

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Management Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Company.
- Conclude on the appropriateness of Management Company's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors of the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors of the Management, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in all material respects, in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this Independent auditor's report is Arif Nazeer.

ALFALAH GHP STOCK FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Stock Fund (the Fund) is an open-ended Fund constituted under a trust deed executed under the Trust Act, 1882 entered into on June 10, 2008 between IGI Funds Limited (Former Management Company), a company incorporated under the repealed Companies Ordinance, 1984 and Central Depository Company of Pakistan Limited (CDC) as the Trustee, also incorporated under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). On October 15, 2013, the management rights of the Fund were transferred from IGI Funds Limited to Alfalah Asset Management (formerly Alfalah GHP Investment Management Limited) [the Management Company] by means of the Securities and Exchange Commission of Pakistan sanctioned order No. SCD/NBFC-II/IGIFL & AFGHP/742/2013. The SECP has approved second supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations), vide its letter No. SCD/AMCW/AGISF/239/2015 dated February 03, 2015 to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Stock Fund.

The Trust Act, 1882 had been repealed due to promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Consequently, the fund was required to be registered under the Sindh Trust Act and on September 9, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.3 The Fund is categorized as an 'equity scheme' pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 The objective of the Fund is to provide good total return through a long term capital appreciation and income, from a portfolio that is substantially constituted of equity and equity related securities. The Fund may also invest a certain portion of its assets in debt and money market securities in order to meet liquidity requirements from time to time. The investment objectives and policy are explained in the Fund's offering document.

1.5 The VIS Credit Rating Company Limited (PACRA) has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023.

1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited (CDC) as the Trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984;
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2024 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not detailed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements is classification and valuation of investments (notes 3.3.2 and 5)

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

3.1 The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.2 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.3 Financial assets

3.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.3.2 Classification and subsequent measurement

3.3.2.1 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the Statement of Assets and Liabilities at fair value, with gains and losses recognised in the Income Statement, except where an irrevocable election has been made at the time of initial recognition to measure the investment at fair value through other comprehensive income (FVOCI). The management considers its investment in equity securities being managed as a group of assets and hence has classified them as fair value through profit or loss (FVTPL). Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVTPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVTPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

3.3.2.2 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost;
- at fair value through other comprehensive income (FVOCI); or
- at fair value through profit or loss (FVTPL)

Based on the business model of the entity

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.3.3 Expected credit loss

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.3.4 Expected credit loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

3.3.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.4 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.5 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.7 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.12 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised when the transaction takes place.
- Unrealised appreciation / (diminution) arising on re-measurement of securities classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Dividend income is recognised when the Fund's right to receive the same is established, i.e. on the date of commencement of book closure of the investee company / institution declaring the dividend.
- Profit on saving accounts with banks is recognised on an accrual basis.

3.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

5.1.1 All shares are fully paid-up ordinary shares of Rs 10 each except for Shabbir Tiles and Ceramics Limited, Thal Limited, Synthetic products Enterprise Limited and National Foods Limited, which have fully paid-up share of Rs 5 each. The K-Electric Limited has fully paid-up ordinary shares of Rs 3.5 each.

5.1.2 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance, 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including the bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the Honourable High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 of Part I to the Second Schedule to the Income Tax Ordinance, 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favor of CISs.

During the year ended June 30, 2018, the Honourable Supreme Court of Pakistan (HSC) passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50 percent of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50 percent of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition vide CP 4653 dated July 11, 2019 and on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares, issued to the Funds in lieu of their investments, be created in the meantime. The matter is still pending adjudication and the Fund has included these shares in its portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund during the year were not withheld by the investee companies, except for bonus / right on shares already withheld by the investee companies.

Moreover, the Finance Act, 2023 effective from July 01, 2023 has included section 236Z of the Income Tax Ordinance, 2001 requiring every Company quoted on stock exchange issuing bonus shares to the shareholders of the Company to withhold 10% of the bonus shares to be issued. During the year there were no bonus shares withheld by any Company as Funds did not invest in any Companies which issued bonus shares during the year.

As an abundant caution, the Fund has made payments which is equivalent to 5% value of the respective bonus shares, determined on the basis of day-end price on the first day of book closure. These payments have been recorded as part of cost of respective investments. As at June 30, 2024, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

Name of investee Company	2024		2023

Profit receivable on bank balances	1,719,128	-
Dividend receivable	1,718,367	-
Advance tax	355,886	334,300
	66,273,990	334,300

7.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2024, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on dividends and profit on debt amounts to Rs.0.355 million (2023: Rs. 0.344 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund on dividends and profit on debt has been shown as other receivables as at June 30, 2024 as in the opinion of the management, the amount of tax deducted at source will be refunded.

		2024	2023
		----- (Rupees) -----	-----
8 PAYABLE TO ALFALAH ASSET MANAGEMNT LIMITED - MANAGEMENT COMPANY	Note		
Management remuneration payable	8.1	4,432,820	1,786,950
Sindh sales tax payable on management remuneration	8.2	1,793,176	1,449,212
Payable against allocated expenses	8.3	759,980	428,244
Payable against selling and marketing expenses	8.4	9,858,310	10,020,001
Federal excise duty payable on management remuneration	8.5	10,130,264	10,130,264
Front end load payable		3,336,160	3,392,592
		30,310,710	27,207,263

8.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management remuneration as disclosed in the Offering Document, subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged remuneration at the rate of 2% (2023: 2%) of average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.

8.2 During the year, an amount of Rs. 3.881 million (2023: Rs. 3.129 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 3.537 million (2023: Rs. 3.1803 million) has been paid to the Management Company which acts as a collecting agent.

8.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has charged allocated expenses to the fund based on its discretion subject to not being higher than actual expense incurred.

8.4 In accordance with circular 11 dated July 5, 2019 issued by the SECP with respect to charging selling and marketing expenses, the Management Company, based on its discretion, has charged selling and marketing at the rates of 1.56% (2023: 1.51%) per annum of average annual net assets of the Fund during the year ended June 30, 2024, subject to total expense charged being lower than actual expense incurred.

During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling and marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

8.5 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 10.130 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these financial statements of the Fund, the net asset value of the Fund as at June 30, 2024 would have been higher by Re 0.53 per unit (June 30, 2023: Re 0.81 per unit).

		2024	2023

9 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note		
Trustee remuneration payable	9.1	229,759	150,120
Sindh sales tax payable on trustee remuneration	9.2	29,868	30,472
		259,627	180,592

- 9.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed as per the tariff specified therein, based on the daily NAV of the Fund. The remuneration is payable to the Trustee according to the following tariff structure:

Net Assets (Rs.)	Tariff for the year ended June 30, 2024
up to Rs. 1 billion	0.20% p.a. of net assets
over Rs.1 billion	Rs. 2.0 million plus 0.10% p.a. of net assets exceeding Rs.1 billion

- 9.2 During the year, an amount of Rs. 0.31 million (2023: Rs. 0.28 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 0.308 million (2023: Rs 0.289 million) was paid to the Trustee which acts as a collecting agent.

10 FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN			
Fee payable	10.1	<u>140,408</u>	<u>240,719</u>

- 10.1 "In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.095% per annum of the daily net assets of the Fund, applicable to an "Equity Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.095% per annum of the daily net assets during the year.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year."

	<u>1,010,966</u>	<u>1,010,966</u>

14 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these financial statements.

15 TOTAL EXPENSE RATIO

The annualised Total Expense Ratio (TER) of the Fund based on the current year result is 4.46% (2023: 4.44%) excluding government levies on the Fund such as provision for sales taxes, annual fee to the SECP etc. which are 0.49% (2023: 0.33%) representing government levies on the Fund. This ratio is within the maximum limit of 4.5% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "equity scheme".

16 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties/connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporated, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah Asset Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue/net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates as duly approved by the Board of Directors. The management considers that the transactions between the related parties/connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances at year end with related parties/connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

18 FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises three types of risk: currency risk, interest rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

18.1.2 Interest rate risk

Yield / Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2024, is as follows:

Variable rate instrument (financial asset)	Note	2024	2023
		----- (Rupees) -----	-----
Bank balance	4	<u>45,675,457</u>	<u>76,235,711</u>

a) Sensitivity analysis for variable rate instrument

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased the income statement and statement of comprehensive income by Rs 0.456 million (2023: Rs 0.0762 million) and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instruments

As at reporting date, the Fund does not hold any fixed rate instruments.

The composition of the Fund's investment may change over time. Accordingly, the sensitivity analysis prepared as at June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted price (unadjusted) in an active market for identical assets or liabilities that the entity can access at the measurement date;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices);
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024 and June 30, 2023, the Fund held the following assets measured at fair values:

----- As at June 30, 2024 -----			
Level 1	Level 2	Level 3	Total
----- Rupees -----			
Financial assets 'at fair value through profit or loss'			
Investments			
- Listed equity securities	1,838,606,129	-	1,838,606,129
- Units of exchange traded funds	21,277,660	-	21,277,660
	<u>1,859,883,789</u>	<u>-</u>	<u>1,859,883,789</u>

----- As at June 30, 2023 -----			
Level 1	Level 2	Level 3	Total
----- Rupees -----			
Financial assets 'at fair value through profit or loss'			
Investments			
- Listed equity securities	1,065,738,410	-	1,065,738,410
- Units of exchange traded funds	11,678,920	-	11,678,920
	<u>1,077,417,330</u>	<u>-</u>	<u>1,077,417,330</u>

During the year ended June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

18.5 Unit Holders' Fund risk management

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is the risk that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of Units at the discretion of the unit holders and occurrence of the unexpected losses in investment portfolio which may causes adverse effects on the Fund's continuation as going concern.

The Fund's objective when managing net assets attributable to unit holders is to safe guard the Fund's ability to continue as going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of Unit Holders' Fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues unit in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required make necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well returns earned on the net assets to maintain investors confidence and achieve future growth in business. Further the Board of Directors is updated about the Fund yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gain as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The fund has maintained minimum size of one hundred million at all times during the year.

19 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors, credit rating of the Fund and the Management Company of the Fund as required under Regulation 38 of the NBFC Regulations has been disclosed in Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Value Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Conventional Asset Allocation Scheme

Investment Objective

The investment objective of Alfalah GHP Value Fund (AGVF) is to generate stable and consistent returns from a well-diversified portfolio consisting of high quality equity and debt securities.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds.

Equity Market Review:

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%

Money Market Review

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persists, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

During FY24, AGVF underperformed its benchmark with a return of 58.42% versus the benchmark return of 54.43%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP VALUE FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Value Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Alfalah GHP Value Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah GHP Value Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 10.974 million and investments aggregated to Rs. 214.877 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: • Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; • Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and • Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Matter

The financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 28, 2023.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

AF

A.F. FERGUSON & CO.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH GHP VALUE FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Value Fund is an open-end collective investment scheme established through a Trust Deed registered under the Trusts Act, 1882. The Trust Deed was executed between Alfalah Asset Management Limited (the 'Management Company') and Central Depository Company of Pakistan Limited, (the Trustee) on May 19, 2005 and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), on May 13, 2005. The SECP approved the first Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations), vide its letter No. NBFC/RS/AGIML/AGVF/200/2010 dated March 10, 2010 to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Value Fund.

In the year 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Accordingly, on September 3, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Management Company of the Fund has been licensed by the SECP to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 through a certificate of registration issued by the Securities and Exchange Commission of Pakistan (SECP). The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.3 The Fund is categorised as an 'Asset Allocation Scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in equity, debt and money market securities. The investment policy and objectives are explained in the Fund's offering document.

1.5 The Management Company has been assigned a quality rating of 'AM1' by VIS Credit Rating Company Limited dated December 29, 2023 (2023: 'AM2+' assigned by PACRA dated August 31, 2023).

1.6 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and hence, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 is yet to be adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements.
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires the management to exercise judgment in the application of the Company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors, including expectation of future events, that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying value of assets and liabilities. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The estimates and judgments that have a significant effect on these financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 3.2 and 5)

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments which have been classified as 'at fair value through profit or loss' and which are measured at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

3.2.3 Impairment (other than debt securities)

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.4 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's circular.

3.2.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss arising on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the Statement of Assets and Liabilities, is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of any duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company / distributors receive redemption applications during business hours on that date. The redemption price represents the NAV as on the close of the business day, less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised on the date when the transaction takes place;
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise;
- Income on term finance certificates is recognised on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis;
- Dividend income is recognised when the Fund's right to receive the same is established i.e. on the commencement of date of book closure of the investee company / institution declaring the dividend; and
- Profit on balances with banks and other income is recognised on an accrual basis.

3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.12 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.13 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net profit / loss of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.14 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

5.1.1 All shares have a nominal value of Rs 10 each except for the shares of National Foods Limited and Thal Limited which have a nominal value of Rs. 5 each.

5.1.2 The above investments include shares having a market value (in aggregate) amounting to Rs. 14.20 million (2023: Rs. 12.08 million) which have been pledged with the National Clearing Company of Pakistan Limited for guaranteeing settlement of Fund's trades in accordance with Circular no. 11 dated October 23, 2007 issued by the Securities and Exchange Commission of Pakistan. The details of shares which have been pledged are as follows:

Name of investee Company	2024	2023	2024	2023

	40,000	163,000	14,204,800	12,082,500

5.1.3 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule of the Income Tax Ordinance 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to remain continued. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically during the year ended June 30, 2019. During the year ended June 30, 2020, the CISs had filed a fresh constitutional petition via CP 4653 dated July 11, 2019 in the Honourable High Court of Sindh. In this regard, on July 15, 2019, the Honourable High Court of Sindh had issued notices to the relevant parties and had ordered that no third party interest on bonus shares issued to the Funds in lieu of their investments be created in the meantime. The matter is still pending adjudication and the Funds have included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Furthermore, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund since July 1, 2018 have not been withheld by the investee companies.

As at June 30, 2024, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of bonus shares.

Name of investee Company	2024		2023

Total as at June 30, 2024								9,988,000	9,983,758	(4,242)	4.96%	4.65%	0.10%
Total as at June 30, 2023								10,033,975	9,992,000	(41,975)			

5.3.1 This represents additional TFCs of Agritech Limited (Formerly Pak American Fertilizer Limited) received by the Fund through restructuring agreement reached between lender and Agritech Limited. Under such agreement, outstanding mark-up due on May 29, 2011 amounting to Rs. 7.61 million was settled in the form of zero coupon TFCs valuing Rs. 7.61 million. This investment has been recorded as 100% impaired since these securities have been received in lieu of suspended overdue mark-up to be recognised in income upon realisation. During the year, the Fund has received Rs 0.017 million against recovery of provided term finance certificate of Agritech Limited.

5.3.2 Non-compliant investments

Name of non-compliant investment	Note	Type of investment	Value of investment before provision	Provision balance as on July 01, 2023	Provision during the year	Provision balance as on June 30, 2024	Value of investment after provision	Fair value as a percentage of	
								net assets of the fund	gross assets of the fund

5.3.3 At the time of purchase / investment, the Term Finance Certificates were in compliance with the investment requirement of the Constitutive Documents and investment restriction parameters laid down in the NBFC Regulations and the NBFC Rules. However, subsequently they were defaulted or downgraded upon default to non investment grade and became non-compliant with the investment restriction parameters laid down in the NBFC Regulations and the NBFC Rules and with the requirements of the Constitutive Documents. Disclosure of the non-compliance is made as required by Circular No. 16 of 2010 dated July 07, 2010 issued by the SECP.

6 ADVANCES, DEPOSITS AND OTHER RECEIVABLES

Security deposits with:

- Central Depository Company of Pakistan Limited	100,000	100,000
- National Clearing Company of Pakistan Limited	2,500,000	2,500,000

Mark-up / return receivable on:

- Bank balances	78,244	111,459
- Term finance certificates	767,061	704,824
- Term deposit receipts	-	4,578
- Government securities - Pakistan Investment Bonds	4,832,418	-
Advance tax	6.1	3,015,088
		11,292,811
		6,430,854

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2024, withholding tax on profit on balances with banks and debt instruments paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on dividend and profit on bank balances amounts to Rs. 3.02 million during the year (2023: Rs. 3.01 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7	PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY	Note	2024	2023
			----- (Rupees) -----	-----
	Remuneration payable	7.1	343,446	429,311
	Sindh Sales Tax payable on remuneration of the Management Company	7.2	44,648	55,810
	Allocated expense payable	7.3	110,341	22,126
	Selling and marketing expenses payable	7.4	910,362	2,460,488
	Sales load payable		206,069	206,070
	Provision for Federal Excise Duty and related Sindh Sales Tax on remuneration of the Management Company	7.5	6,513,203	6,513,203
			<u>8,128,069</u>	<u>9,687,008</u>

- 7.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document, subject to the total expense ratio limit. The Management Company has charged remuneration at a rate of 2% (2023: 2%) of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.

- 7.2 During the year, an amount of Rs. 0.590 million (2023: Rs. 0.924 million) was charged on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (2023: 13%).

- 7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

The Management Company, based on its own discretion, has charged such expenses at the rate of 0.10% (2023: 0.10%) per annum of the average annual net assets of the Fund for the year subject to total expense charged being lower than actual expense incurred.

- 7.4 In accordance with Circular 11 dated July 5, 2019 issued by the SECP with respect to charging selling and marketing expenses, the Management Company, based on its own discretion, has charged selling and marketing expenses at the following rates during the year ended June 30, 2024, subject to total expense charged being lower than actual expense incurred:

Rate applicable from April 1, 2024 to June 30, 2024	Rate applicable from July 1, 2023 to March 31, 2024	Rate applicable from July 1, 2022 to June 30, 2023
0.00% per annum of the average annual net assets of the Fund	0.72% per annum of the average annual net assets of the Fund	0.72% per annum of the average annual net assets of the Fund

- 7.5 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution, the provision for FED and the related sales tax made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 6.51 million is being retained in these financial statements as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been made, the Net Asset Value per unit of the Fund as at June 30, 2024 would have been higher by Rs 1.58 (2023: Rs 1.20) per unit.

- 7.6 During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling & marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

8 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

	Note	2024 ----- (Rupees) -----	2023 -----
Remuneration payable	8.1	33,683	43,583
Sindh Sales Tax payable on remuneration of the Trustee	8.2	4,379	5,666
		<u>38,062</u>	<u>49,249</u>

- 8.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed as per the tariff specified therein, based on the daily NAV of the Fund. The remuneration is payable to the Trustee according to the following tariff structure:

Net Assets (Rs.)	Tariff for the year ended June 30, 2024
up to Rs. 1 billion	0.20% per annum of net assets
over Rs. 1 billion	Rs. 2 million plus 0.10% per annum of net assets on amount exceeding Rs. 1 billion.

- 8.2 During the year, an amount of Rs. Rs. 0.059 million (2023: Rs. 0.092 million) was charged on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (2023: 13%).

9 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

	Note	2024 ----- (Rupees) -----	2023 -----
Fee payable	9.1	33,422	71,046

- 9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.095% (2023: 0.02%) per annum of the daily net assets during the year ended June 30, 2024.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month.

10 ACCRUED EXPENSES AND OTHER LIABILITIES

	2024 ----- (Rupees) -----	2023 -----
Auditors' remuneration payable	983,236	524,901
Withholding tax payable	16,322,891	2,067,858

Other payable	50,974	38,202
	<u>18,774,478</u>	<u>3,529,815</u>

11 CONTINGENCIES AND COMMITMENTS

There were no other contingencies and commitments outstanding as at June 30, 2024 and June 30, 2023.

	2024	2023
	----- Rupees -----	----- Rupees -----
12 AUDITORS' REMUNERATION		
Annual audit fee	413,820	440,000
Fee for half yearly review of condensed interim financial statements	413,820	249,700
Out of pocket expenses	82,764	68,970
Sindh Sales Tax	72,832	60,694
	983,236	819,364

13 TOTAL EXPENSE RATIO

The total expense ratio (TER) of the Fund as at June 30, 2024 is 4.79% (2023: 4.68%) which includes 0.43% (2023: 0.31%) representing government levies on the fund such as Sales Taxes, fee to the SECP etc. This ratio is within the maximum limit of 4.5% (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an "Asset Allocation Scheme".

14 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed at least 90% of the Fund's accounting income for the year ended June 30, 2024 as reduced by capital gains (whether realised or unrealised) to its unit holders, therefore no provision for taxation has been made in these financial statements.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the SECP.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

(i) Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2024, the Fund is exposed to such risk on its balances with banks and investments in term finance certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks and KIBOR based term finance certificates which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher / lower by Rs. 0.21 million (2023: Rs. 0.48 million).

The composition of the Fund's investment portfolio, profit rates and the rates announced by the Financial Markets Association of Pakistan (FMAP) are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

----- 2024 -----					
Effective yield / interest rate	Exposed to yield / interest risk			Not exposed to yield / interest rate risk	Total

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Equity price risk is the risk that the fair value of equity instruments decreases as a result of changes in the level of equity indices and the value of individual stocks. The Fund does not have any investment in equity securities as of June 30, 2024.

18.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, 2008, the Fund can borrow in the short-term to ensure settlement subject to the maximum limit which is fifteen percent of the net assets up to 90 days and would be secured by the assets of the Fund. However, no borrowing was required to be obtained by the Fund during the year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

2024						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one month and upto five years	More than 5 years	Financial Instruments with no fixed maturity	Total

18.3 Credit risk

18.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arises from deposits with banks and financial institutions, profit receivable on bank deposits, credit exposure arising as a result of investment in debt securities, profit receivable on debt securities and receivable against conversion of units.

Credit risk arising on the debt instruments other than government securities is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed. The Fund, however, also invests in unrated instruments based on internal ratings assigned by the Fund manager using an approach that is consistent with the approach used by the rating agencies. Credit risk arising on other financial assets is monitored through a regular analysis of financial position of brokers and other parties. In accordance with the risk management policy of the Fund, the investment manager monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

	2024		2023	
	Balance as per statement of assets and	Maximum exposure to credit risk	Balance as per statement of assets and	Maximum exposure to credit risk
	(Rupees)		(Rupees)	
Balances with banks	10,974,434	10,974,434	38,200,127	38,200,127
Investments	214,876,860	104,087,107	234,063,349	165,174,125
Deposits and other receivables	11,292,811	6,460,393	6,430,854	6,430,854
	<u>237,144,105</u>	<u>121,521,934</u>	<u>278,694,330</u>	<u>209,805,106</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Investment in government securities and related profit receivable, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

18.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks and related profit receivable thereon. The credit rating profile of balances with banks is as follows:

Bank balances and accrued profit

Banks	Rating agency	Rating (Short Term / Long Term)	2024 % of financial assets exposed to	2023 % of financial assets exposed to
Allied Bank Limited	PACRA	A1+ / AAA	2.96%	7.32%
Bank Alfalah Limited	PACRA	A1+ / AA+	93.64%	91.12%
Bank Al Habib Limited	PACRA	A1+ / AAA	0.38%	0.86%
The Bank of Punjab	PACRA	A1+ / AA+	1.43%	0.29%
Faysal Bank Limited	PACRA	A1+ / AA	0.18%	0.05%
Habib Bank Limited	VIS	A1+ / AAA	0.11%	0.02%
Habib Metropolitan Bank Limited	PACRA	A1+ / AA+	0.25%	0.12%
JS Bank Limited	PACRA	A1+/AA-	0.24%	0.05%
National Bank of Pakistan	PACRA	A1+ / AAA	0.00%	0.00%
Soneri Bank Limited	PACRA	A1+/AA-	0.81%	0.17%
			<u>100.00%</u>	<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA and VIS Credit Rating Company Limited as of June 30, 2024.

18.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2024 and June 30, 2023 are unsecured and are not impaired except as disclosed in note 5.3.1 and 5.3.2 to these financial statements.

19 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the date of the statement of assets and liabilities. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the assets or liability that are not based on observable market data (i.e. unobservable inputs).

As at 30 June 2024 and 30 June 2023, the Fund held the following financial instruments measured at fair values:

2024				
Level 1	Level 2	Level 3	Total	
(Rupees)				
Financial assets 'at fair value through profit or loss'				
Investments				
Listed equity securities	94,103,349	-	-	94,103,349
Term finance certificates	-	9,983,758	-	9,983,758
Pakistan Investment Bonds	-	78,108,284	-	78,108,284
Market Treasury Bills	-	32,681,469	-	32,681,469
	94,103,349	120,773,511	-	214,876,860

2023				
Level 1	Level 2	Level 3	Total	
(Rupees)				
Financial assets 'at fair value through profit or loss'				
Investments				
Listed equity securities	151,637,325	-	-	151,637,325
Units of mutual funds	-	3,544,800	-	3,544,800
Term finance certificates	-	9,992,000	-	9,992,000
Market Treasury Bills	-	68,889,224	-	68,889,224
	151,637,325	82,426,024	-	234,063,349

20 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 18, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh - – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Prosperity Planning Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Fund of Funds Scheme

Investment Objective

Alfalah GHP Prosperity Planning Fund is an Open-ended Fund of Funds Scheme that aims to generate returns on investment as per the respective Allocation Plan by investing in Collective Investment Scheme in line with the risk tolerance of the investor.

Money Market

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persist, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Equity Market Review

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%

Active Allocation Plan

During FY24, The fund's return stood at 57.42% against the benchmark return of 61.39%.

INDEPENDENT AUDITOR'S REPORT

To The Unit Holders of Alfalah GHP Prosperity Planning Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Prosperity Planning Fund** (the Fund), which comprise the statement of assets and liabilities as at **June 30, 2024**, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund and Alfalah Asset Management Limited (the Management Company) in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted by the Institute of Chartered Accountants of Pakistan together with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

S. No.	Key audit matter	How the matter was addressed in our audit
1.	Valuation and existence of investments The investments amounting to Rs. 813.9 million represent 98.9% of the total assets of the fund as at year end. In view of the significant amount of total investments in relation to determination of net asset value of the fund, we have considered it as a key audit matter. Refer to notes 3.3 and 5 of the financials statements of the fund for the year ended June 30, 2024 in relation to the above referred investments.	We performed a combination of audit procedures focusing on the existence and valuation of investments. Our key procedure included the following: • we reviewed the processes and key controls relating to existence and valuation and evaluated the design and implementation of such controls. • we evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9.

40

S. No.	Key audit matter	How the matter was addressed in our audit
		• we checked existence of investments from the statement of account of unit holder. • we re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policy of the Fund. • we also evaluated the adequacy of the overall disclosures in the financial statements in respect of the investment portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Matter

The annual financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of chartered accountants, whose audit report dated September 28, 2023, expressed an unmodified opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management Company is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon and the information related to any other fund.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Company and Board of Directors of the Management Company for the Financial Statements

Management Company is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management Company is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management Company either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

YA

Independent Correspondent Firm is
Deloitte Touche Tohmatsu Limited

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Management Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors of the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors of the Management, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in all material respects, in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Arif Nazeer.

For Alfalah Asset Management Limited
(Management Company)

Chief Executive Officer

Chief Financial Officer

Director

ALFALAH GHP PROSPERITY PLANNING FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Alfalah GHP Prosperity Planning Fund (the Fund) is an open-ended Fund constituted under a trust deed executed under the Trust Act, 1882 entered into on July 07, 2015 between Alfalah Asset Management Limited the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Fund was registered by the Securities and Exchange Commission of Pakistan (SECP) under the Non Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) vide its letter No. SCD/SMCW/AGPPF/30/2015 dated July 30, 2015 and Offering Document was approved by SECP vide its letter No. SCD/AMCW/AGPPF/29/2015 dated July 30, 2015.
- 1.2** The Trust Act, 1882 had been repealed due to promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 17, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.
- 1.3** The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.4** The Fund is categorised as a 'Fund of Funds' pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.5** The objective of the Fund is to generate returns on investment as per the respective Allocation Plan by investing in collective investment schemes in line with the risk tolerance of the investor. The investment objectives and policy are explained in the Fund's offering document. Presently, the following allocation plans are offered:
- a. Alfalah GHP Active Allocation Plan;
 - b. Alfalah GHP Conservative Allocation Plan
 - c. Alfalah GHP Moderate Allocation Plan; and
 - d. Alfalah Capital Preservation Plan 4
- 1.6** The VIS Credit Rating Company Limited has assigned an asset manager rating of AM1 (positive outlook) to the Management Company on December 29, 2023 (PACRA rating 2023: AM2++ dated August 31, 2023)
- 1.7** Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

2.3 Standards, interpretations and amendments to published accounting standards that are not yet effective

There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2024 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not detailed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the approved accounting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in the application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements is classification and valuation of investments (notes 3.3 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments held 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentational currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentational currency.

3. MATERIAL ACCOUNTING POLICY INFORMATION

3.1 The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.2 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.3 Financial assets

3.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.3.2 Classification and subsequent measurement

3.3.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL) based on the business model of the entity

Based on the business model of the entity.

The investments of the Fund includes investments in units of mutual funds which are categorised as Puttable Instruments and are mandatorily required to be classified as financial assets at fair value through profit or loss.

3.3.2.2 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

a) 'Financial assets at fair value through profit or loss'

Basis of valuation in the units of mutual funds

The investments of the Fund in the collective investment scheme are valued on the basis of daily net assets value (NAV) announced by the Management Company.

The fair value of financial instruments i.e. investment in mutual funds is based on their net asset value at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

3.3.3 Expected credit loss

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

3.3.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.3.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.4 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.5 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.7 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company receives redemption applications during business hours on that date. The redemption price represents NAV as on the close of business day, less any duties, taxes, charges on redemption and provision for transactions costs, if applicable.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.12 Revenue recognition

- Gain or losses arising on sale of investments classified as financial assets 'at fair value through profit or loss' are recognized in the income statement in the period in which they arise.
- Unrealised gains / (losses) arising on revaluation of securities classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Dividend income is recognized when the Fund's right to receive the same is established. i.e. on the commencement of date of book closure of the investee Fund declaring the dividend.
- Profit on bank balances is recognised on accrual basis.

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 151 and 150. However, during the year ended June 30, 2024 withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on dividends and profit on debt amounts to Rs. 4.235 million (2023: 4.233 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund on dividends and profit on debt has been shown as other receivables as at June 30, 2024 as in the opinion of the management, the amount of tax deducted at source will be refunded.

7.1 The Management Company has charged remuneration at the rate of 1% (2023: 1%) of average annual net assets of the fund during the year. However, no remuneration is charged on that part of the net assets which has been invested in the mutual funds managed by the Management Company. The remuneration is paid to the Management Company on a monthly basis in arrears.

7.2 During the year, Sindh Sales Tax on management remuneration has been charged at the rate of 13% (2023: 13%) amounting to Rs 320 (2023 : Rs 1,418), Rs 4,488 (2023 : Rs 1,854), Rs 2,996 (2023 : Rs 1,733) and Rs 7,404 for Active Allocation Plan, Conservative Allocation Plan, Moderate Allocation Plan and Capital Preservation Plan 4 respectively.

7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Accordingly, the Management Company has charged allocated expenses to the fund based on its discretion subject to not being higher than actual expense incurred.

7.4 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 0.023 million is being retained in these financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan.

Had the provision for FED not been recorded in these financial statements, the net asset value of the Fund as at June 30, 2024 would have been higher by Rs 0.00713 per unit (2023: Rs 0.01142), Rs per 0.0028 unit (2023: Rs 0.00325) and Rs 0.03045 per unit (2023: Rs 0.03086) for Active Allocation Plan, Conservative Allocation Plan and Moderate Allocation Plan respectively.

8. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

- 9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2023, the SECP vide SRO No. 592(I)/2023 dated May 17, 2023, has revised the rate of fee to 0.075% per annum of the daily net assets of the Fund, applicable to an "Fund of Fund Scheme". Previously, the rate of fee applicable on all categories of CISs was 0.02% per annum of the daily net assets of the Fund. Accordingly, the Fund has charged the SECP fee at the rate of 0.075% per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

13. TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 are 0.60%, 0.64%, 0.73% and 0.49% (2023: 0.82%, 0.41% and 0.66%) which includes 0.085%, 0.086%, 0.093% and 0.101% (2023: 0.031%, 0.03% and 0.032%) representing government levies on the Fund such as provision for sales taxes, federal excise duties, annual fee to the SECP, etc in Active Allocation Plan, Conservative Allocation Plan, Moderate Allocation Plan and Capital Preservation Plan 4 respectively. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as a Fund of Funds.

14. TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ending June 30, 2024 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these financial statements for Conservative Allocation Plan, Moderate Allocation Plan and Capital Preservation Plan 4.

15. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Funds under management of the Management Company, Bank Alfalah Limited and MAB Investment Incorporated being associated companies of Management Company, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, Alfalah GHP Investment Management Limited - Staff Provident Fund, directors and key management personnel of Alfalah GHP Investment Management Limited and Central Depository Company of Pakistan Limited (CDC) being the Trustee of the Fund, and other associated companies and connected persons. Connected persons also includes any person beneficially owing directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates as duly approved by the Board of Directors. The management considers that the transactions between the related parties / connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

Remunerations to the Management Company and the Trustee of the Fund are determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

Details of transactions and balances at year end with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

17. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

17.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises three types of risk: currency risk, interest rate risk and price risk.

17.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

17.1.2 Interest rate risk

Yield / Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2024, is as follows:

		2024				
		Active Allocation Plan	Conservative Allocation Plan	Moderate Allocation Plan	Capital Preservation Plan 4	Total
		(Rupees)				
Variable rate instruments (financial assets)	Note					
Bank balances	4	<u>466,315</u>	<u>375,024</u>	<u>432,694</u>	<u>2,184,854</u>	<u>3,458,887</u>
		2023				
		Active Allocation Plan	Conservative Allocation Plan	Moderate Allocation Plan	Capital Preservation Plan 4	Total
		(Rupees)				
Variable rate instruments (financial assets)						
Bank balances	4	<u>730,526</u>	<u>72,934</u>	<u>548,500</u>	<u>-</u>	<u>1,351,960</u>

a) Sensitivity analysis for variable rate instrument

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased the income statement and statement of comprehensive income by Rs 34,589 (2023: Rs 13,520) and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

As at reporting date, the Fund does not hold any fixed rate instruments.

The composition of the Fund's investment may change over time. Accordingly, the sensitivity analysis prepared as at June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price risk arising from the Fund investments in open end mutual funds which are categorized as equity schemes. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

The table below summarizes the sensitivity of the Fund's net assets attributable to unit holders to the equity price movements as at June 30, 2024. The analysis is based on the assumption that PSX index increased / decreased by 1%, with all other variables held constant.

As at June 30, 2024, the fair value of open end mutual funds categorized as equity securities exposed to price risk was disclosed in note 5.1.

	2024	2023
<i>Effect due to increase / decrease in KSE 100 index</i>	<i>-----Rupees-----</i>	
Investments and net assets	1,699,253	496,924
Income statement	1,699,253	496,924

17.2 Credit risk

Credit risk represents the risk of a loss if counterparties fail to perform as contracted and arises principally from bank balances, investments, profit and other receivable.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

17.2.1 Exposure to credit risk

The maximum exposure to credit risk as at June 30, 2024 was as follows:

Alfalah GHP Prosperity Planning Fund
- Active Allocation Plan

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk

			100.00%	100.00%

17.2.4 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

17.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in short term instruments in order to maintain liquidity.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

17.4 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024, the Fund held the following financial instruments measured at fair values:

17.5 Unit Holders' Fund risk management

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is the risk that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of Units at the discretion of the unit holders and occurrence of the unexpected losses in investment portfolio which may causes adverse effects on the Fund's continuation as going concern.

The Fund's objective when managing net assets attributable to unit holders is to safe guard the Fund's ability to continue as going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of Unit Holders' Fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues unit in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required make necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well returns earned on the net assets to maintain investors confidence and achieve future growth in business. Further the Board of Directors is updated about the Fund yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gain as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

18. SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors, credit rating of the Fund and the Management Company of the Fund as required under Schedule V of the NBFC Regulations has been disclosed in Annexure I to the financial statements.

19. CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and conform with changes to presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

20. GENERAL

Figures have been rounded off to the nearest thousand rupees unless, otherwise specified.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Financial Value Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Conventional Asset Allocation Scheme

Investment Objective

The investment objective of the Fund is to seek long term capital appreciation through investments in equity stock, fixed income, Money Market, bank deposits primarily from the financial sector/segment/industry and any other instrument as defined in Constitutive documents

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds.

Equity Market Review:

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%

Money Market Review

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persists, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

The fund's return stood at 16.17% against the benchmark return of 15.68%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP VALUE FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Value Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

A.F. FERGUSON & CO.

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Alfalah GHP Value Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah GHP Value Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 10.974 million and investments aggregated to Rs. 214.877 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: - Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; - Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and - Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Matter

The financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 28, 2023.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

AFC

A.F. FERGUSON & CO.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH FINANCIAL VALUE FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah Financial Value Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Sindh Trust Act, 2020, executed between Alfalah Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited, (the Trustee). The Trust Deed was executed on August 02, 2023, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), on August 22, 2023. The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Financing Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 09, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agricultural Building, 2nd floor, ST-2/A, Block-9, KDA Scheme 5, Clifton Karachi.

In the year 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Accordingly, on September 3, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Fund is categorized as a Open End Asset Allocation Scheme pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.3 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in equity, debt and money market securities. The investment policy and objectives are explained in the Fund's offering document.

1.4 The Management Company has been assigned a quality rating of 'AM1' by VIS Credit Rating Company Limited dated December 29, 2023 and 'AM2++' by PACRA dated August 31, 2023 (June 30, 2023: 'AM2+' dated March 03, 2023). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes.

1.5 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

1.6 These are the financial statements of the Fund for the period from October 19, 2023 to June 30, 2024 therefore, comparative figures have not been included.

2. BASIS OF PREPARATION

The transactions undertaken by the Fund in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor are accounted for on substance rather than the form prescribed by the aforementioned guidelines. This practice is being followed to comply with the requirements of the approved accounting and reporting standards as applicable in Pakistan.

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for financial reporting. The accounting and reporting standards as applicable in Pakistan for financial reporting comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standard Board (IASB) as notified under the Companies Act 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS Accounting standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 is yet to be adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements.
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.3 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires the management to exercise judgment in the application of the Company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors, including expectation of future events, that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying value of assets and liabilities. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 3.2 and 5).

2.4 Accounting Convention

These financial statements have been prepared under the historical cost convention, except for investments classified as 'at fair value through profit or loss' which are measured at their respective fair values.

2.5 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

a) Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

b) Other financial assets

These are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components when they are recognised at fair value. They are subsequently measured at amortised cost using the effective interest method, less impairment.

3.2.3 Impairment (other than debt securities)

The Fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets carried at amortised cost and FVOCI. The Fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.4 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

3.2.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all the risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions, if any are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the period end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption applications during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the period.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the income statement at the date on which the transaction takes place;
- Unrealised appreciation / (diminution) arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which these arise;
- Income on sukuk certificates, term deposit receipts, and government securities is recognised on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis; and
- Interest income on bank balances is recognised on an accrual basis.

3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company, Trustee and fee of SECP are recognised in the Income Statement on an accrual basis.

3.12 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund.

3.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

"The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001."

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

"The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001."

3.14 Earnings / (loss) per unit

Earnings per unit is calculated by dividing the net income for the period after taxation of the Fund by the weighted average number of units outstanding during the period.

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

		<u>95,011,889</u>

7 PRELIMINARY EXPENSES AND FLOATATION COST

Preliminary expenses and floatation costs incurred		955,525
Less: amortised during the period	7.1	<u>(131,969)</u>
Balance as at period end		<u>823,556</u>

- 7.1** Preliminary expenses and floatation costs represents expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulations.

8 PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY

		June 30, 2024 (Rupees)
Management remuneration payable	8.1	303,866
Sindh Sales Tax payable on management remuneration	8.2	39,503
Preliminary expenses and floatation cost payable to the management company		945,526
Other payable		10,000
		<u>1,298,895</u>

- 8.1** As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the following rates during the period ended June 30, 2024:

Rate applicable from October 20, 2023 to February 29, 2024	Rate applicable from March 1, 2024 to June 30, 2024
0.4% per annum of the average annual net assets of the Fund	0.1% per annum of the average annual net assets of the Fund

The remuneration is payable to the Management Company monthly in arrears.

- 8.2** Sindh Sales Tax on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 has been charged at the rate of 13%. During the period, an amount of Rs. 0.301 million was charged on account of sales tax on management fee.

9 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

		June 30, 2024 (Rupees)
Trustee remuneration payable	9.1	166,776
Sindh Sales Tax payable on Trustee remuneration	9.2	21,680
		<u>188,456</u>

9.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. During the period, the Trustee has charged remuneration at the rate of 0.075% per annum from October 19, 2023 till June 30, 2024 of average annual net assets of the Fund.

9.2 Sales tax on remuneration of Trustee has been charged at the rate of 13% levied through the Sindh Sales Tax on Services Act, 2011.

10 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN	Note	June 30, 2024 (Rupees)
Fee payable	10.1	217,295
		<u>217,295</u>

10.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.095% per annum of the daily net assets during the period ended June 30, 2024.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month.

11 ACCRUED EXPENSES AND OTHER LIABILITIES

Auditors' remuneration	13	594,000
Printing charges		6,503
Brokerage payable		105,889
Capital gain tax payable		24,761,776
		<u>25,468,168</u>

12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2024.

13 AUDITORS' REMUNERATION

Annual audit fee	450,000
Other certifications	50,000
Out of pocket expenses	50,000
Sindh Sales Tax	44,000
	<u>594,000</u>

14 TOTAL EXPENSE RATIO (TER)

The Total Expense Ratio (TER) of the Fund is 0.53% which includes 0.14% representing government levies on the Fund such as sales taxes, fee to the SECP etc. This ratio is within the maximum limit of 4.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an asset allocation scheme.

15 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed at least 90% of the Fund's accounting income for the period ended June 30, 2024 as reduced by capital gains (whether realised or unrealised) to its unit holders, therefore no provision for taxation has been made in these financial statements.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

16 TRANSACTIONS WITH CONNECTED PERSONS AND RELATED PARTIES

16.1 Connected persons / related parties include Alfalah Asset Management Limited being the Management Company, funds under management of the Management Company, Bank Alfalah Limited, Alfalah CLSA Securities (Private) Limited and MAB Investment Incorporated being associated companies of the Management Company, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, Alfalah GHP Investment Management Limited - Staff Provident Fund, directors and key management personnel of Alfalah Asset Management Limited and Central Depository Company of Pakistan Limited being the Trustee of the Fund. Connected persons also includes any person beneficially owing directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

16.2 Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected person are in the normal course of business, at contracted rates and at terms determined in accordance with the market rates.

16.3 Remunerations to the Management Company and the Trustee of the Fund are determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

16.4 Details of transactions and balances at period end with related parties / connected persons, other than those which have been disclosed elsewhere in these condensed interim financial statements, are as follows:

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

The Management Company manages the market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by Investment Committee and the regulations laid down by the SECP.

Market risk comprises of three types of risks: currency risk, interest rate risk and price risk.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in interest rates. As of June 30, 2024, the Fund is exposed to such risk on its balances held with banks and investments in sukuk certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds Term finance certificates and bank balances which expose the Fund to cash flow interest rate risk. A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased the "Income Statement" and "Statement of Comprehensive Income" by Rs 257.22 Million and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, interest rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

-----June 30, 2024-----					
Effective profit rate	Exposed to profit rate risk			Not exposed to profit rate risk	Total
	Up to three months	More than three months and up to one year	More than one year		
----- (Rupees) -----					

On-balance sheet financial instruments

Financial assets

Bank balances	20.50% to 23.5%	679,783,933	-	-	-	679,783,933
Investments	21.15% to 24.47%	521,580,000	1,518,602,684	-	-	2,040,182,684
Deposits and other receivable		-	-	-	95,011,889	95,011,889
		1,201,363,933	1,518,602,684	-	95,011,889	2,814,978,506

		-	-	-	2,193,743	2,193,743

On-balance sheet gap		1,201,363,933	1,518,602,684	-	92,818,146	2,812,784,763
Total profit rate sensitivity gap		1,201,363,933	1,518,602,684	-	92,818,146	2,812,784,763
Cumulative profit rate sensitivity gap		1,201,363,933	2,719,966,617	2,719,966,617		

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

18.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, 2008, the Fund can borrow in the short-term to ensure settlement subject to the maximum limit which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. However, no borrowing was required to be obtained by the Fund during the period.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemption requests during the period ended June 30, 2024.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including balances with banks have been included in the maturity grouping of one month:

June 30, 2024						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial instruments with no fixed maturity	Total

18.3 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arises from deposits with banks and financial institutions, profit receivable on bank deposits, credit exposure arising as a result of investment in debt securities, profit receivable on debt securities and receivable against conversion of units.

Credit risk arising on the debt instruments other than government securities is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed. The Fund, however, also invests in unrated instruments based on internal ratings assigned by the Fund manager using an approach that is consistent with the approach used by the rating agencies. Credit risk arising on other financial assets is monitored through a regular analysis of financial position of brokers and other parties. In accordance with the risk management policy of the Fund, the investment manager monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

18.3.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

June 30, 2024	
Balance as per statement of assets and liabilities	Maximum exposure to credit risk

Rupees

Deposits and other receivable	95,011,889	95,011,889
	2,814,978,506	2,676,410,306

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of financial assets.

No financial assets were considered to be past due or impaired at June 30, 2024.

18.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks, investment in sukuk certificates and related profit receivable thereon. The credit rating profile of balances with banks is as follows:

Banks	Rating Agency	Rating (Short Term / Long Term)	2023 % of bank balances exposed to credit risk
Bank Alfalah Limited	PACRA	A1+ / AA+	1.60%
Bank Al Habib Limited	PACRA	A1+ / AAA	0.09%
Mobilink Microfinance Bank Limited	PACRA	A1/A	98.31%
			<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA as of June 30, 2024.

Ratings of investments have been disclosed in related notes to these financial statements. Since, the assets of the Fund are held with credit worthy counterparties, therefore any significant credit risk is mitigated.

18.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2024 are unsecured and are not impaired.

19 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

19.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024, the Fund held the following financial instruments measured at fair values:

	-----June 30, 2024 (Un-audited)-----			
	Level 1	Level 2	Level 3	Total
----- (Rupees) -----				
At fair value through profit or loss				
Investment in Treasury Bills	-	138,568,200	-	138,568,200
Investment in term finance certificates	-	1,901,614,484	-	1,901,614,484
	-	<u>2,040,182,684</u>	-	<u>2,040,182,684</u>

During the period from October 19, 2023 to June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

20 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 18, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

21 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Dedicated Equity Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Conventional Stock Scheme

Investment Objective

The investment objective of Alfalah GHP Dedicated Equity Fund is to seek long-term capital growth by investing primarily in a diversified pool of equities and equity related instruments, management team shall ensure the active implementation of prudent investment practices, the highest professional standards and compliance of applicable laws.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds.

Equity Market Review

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%

KSE - 100

Fund Performance

During FY24, AGDEF earned a return of 90.85 % versus the benchmark (KSE-100) return 89.24% during the year.

Performance comparison with Benchmark

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP DEDICATED EQUITY FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah GHP Dedicated Equity Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

**INDEPENDENT AUDITOR'S REPORT****To the Unit holders of Alfalah GHP Dedicated Equity Fund****Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of Alfalah GHP Dedicated Equity Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 0.453 million and investments aggregated to Rs. 166.774 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: • Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; • Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and • Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Affee

A.F.FERGUSON & CO.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH GHP DEDICATED EQUITY FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Dedicated Equity Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Sindh Trust Act, 2020, executed between Alfalah Asset Management Limited [the Management Company] and Central Depository Company of Pakistan Limited, (the Trustee). The Trust Deed was executed on August 24, 2021, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the NBFC (Establishment and Regulation) Rules, 2003 (NBFC Rules), on June 8, 2021.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Financing Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) through a certificate issued by the SECP on February 23, 2023 which is valid for the period of three years w.e.f. March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor, ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.2 The Fund commenced its operations from November 28, 2022. The Fund is categorised as a 'Dedicated Equity Fund (DEF)' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.3 The objective of the Fund is to provide equity exposure to "Fund-of-Funds". The Fund will not be actively marketed to retail or institutional investors, therefore, the Fund size may decline to zero when there are no "Fund-of-Funds" invested in the Fund. At any time when the Fund size declines to zero, the expenses of the Fund will be borne by the Management Company.

1.4 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 [2023: AM2++ (stable outlook) on August 31, 2023 by Pakistan Credit Rating Agency Limited (PACRA)].

1.5 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

2.1.1 These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards as applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting year beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and hence, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual years beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- 'The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of financial instruments (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years / periods presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

3.2.2.1 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at Fair Value through Other Comprehensive Income (FVOCI). The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

3.2.3 Impairment (other than debt securities)

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets carried at amortised cost. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulations.

3.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year / period end.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption applications during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year / period.

Distributions declared subsequent to the year / period end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting year / period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement, on the date when the transaction takes place.
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the year / period in which they arise.
- Dividend income is recognised when the Fund's right to receive the same is established i.e. on the commencement of date of book closure of the investee company / institution declaring the dividend.
- Profit on saving accounts with bank is recognised on an accrual basis.

3.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

3.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the year / period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net profit / loss of the year / period after taxation of the Fund by the weighted average number of units outstanding during the year / period.

Earnings / (loss) per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year / period end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

4	BALANCES WITH BANKS	Note	2024	2023
			------(Rupees)-----	
	In savings accounts	4.1	452,893	994,169
			<u>452,893</u>	<u>994,169</u>

4.1 These accounts carry profit rates of 20.5% (2023: 19% to 19.95%) per annum. These include bank balance of Rs. 23,884 (2023: Rs. 7,726) maintained with Bank Alfalah Limited (a related party), carrying profit at the rate of 20.5% (2023: 20.5%) per annum.

5.1.1 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance, 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including the bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the Honourable High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule to the Income Tax Ordinance, 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Honourable Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically during the year ended June 30, 2019. The CISs have filed a fresh constitutional petition vide CP 4653 dated July 11, 2019 and on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares, issued to the Funds in lieu of their investments, be created in the meantime. The matter is still pending adjudication and the Fund has included these shares in their portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018 effective from July 1, 2018 had omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. As at June 30, 2024, the bonus shares of the Fund withheld by certain companies at the time of declaration of bonus shares amounted to Rs. 0.0029 million (2023: Rs. 0.0021 million).

As at June 30, 2024, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

Balance as at year / period end		<u>398,907</u>	<u>547,422</u>
8.1 Preliminary expenses and floatation costs represents expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulations.			
9 PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY	Note	2024	2023
		------(Rupees)-----	
Management remuneration payable	9.1	311,168	-
Sindh sales tax payable on management remuneration	9.2	<u>56,278</u>	<u>-</u>
		<u>367,446</u>	<u>-</u>
9.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the offering document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 2% till May and 3% in June (2023: 0.7%) per annum of the average net assets of the Fund during the year / period ended June 30, 2024. The remuneration is payable to the Management Company monthly in arrears.			
9.2 Sindh sales tax on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 has been charged at the rate of 13%.			

10	PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2024 ------(Rupees)-----	2023 ------(Rupees)-----
	Trustee remuneration payable	10.1	23,171	8,163
	Sindh sales tax payable on Trustee remuneration	10.2	3,013	1,063
	CDS Charges		870	-
			<u>27,054</u>	<u>9,226</u>

10.1 The trustee is entitled to a monthly remuneration for services rendered to the fund under the provisions of the Trust Deed as per the tariff specified therein, based on the daily net assets of the Fund at the rate of 0.2% (2023: 0.2%) per annum of net assets of the Fund.

10.2 Sindh sales tax on remuneration of Trustee levied through the Sindh Sales Tax on Services Act, 2011 has been charged at the rate of 13%.

11	PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN	2024 ------(Rupees)-----	2023 ------(Rupees)-----
	Fee payable	<u>10,764</u>	<u>5,826</u>

11.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged the SECP fee at the rate of 0.095% per annum of the daily net assets during the year / period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month.

12	ACCRUED EXPENSES AND OTHER LIABILITIES	2024 ------(Rupees)-----	2023 ------(Rupees)-----
	Auditors' remuneration payable	399,841	314,820
	Brokerage payable	181,394	13,794
	Printing charges payable	6,498	8,467
	FED payable	-	1,728
	Withholding tax payable	27,458	-
	Settlement charges payable	25,658	15,180
		<u>640,849</u>	<u>353,989</u>

13 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2024 and June 30, 2023.

14	AUDITORS' REMUNERATION	2024 ------(Rupees)-----	2023 ------(Rupees)-----
	Audit fee	159,000	100,000
	Review and other certification	159,000	165,000
	Out of pocket expenses	31,800	26,500
	Sindh sales tax	27,984	23,320
		<u>377,784</u>	<u>314,820</u>

15 TOTAL EXPENSE RATIO (TER)

The annualised Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 4.38% (2023: 4.67%) which includes 0.48% (December 31, 2023: 0.31%) representing government levies on the Fund such as sales taxes, fee to the SECP, etc. This ratio is within the maximum limit of 4.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an 'Equity Scheme'.

16 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2024 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

17 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah Asset Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family member and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected person are also in the normal course of business, at contracted rates and at terms determined in accordance with the market rates.

Remunerations of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances at year / period end with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

19 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: yield / profit rate risk, currency risk, and price risk.

19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

19.1.2 Yield / profit rate risk

Yield / profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The profit rate profile of the Fund's profit bearing financial instruments, as at June 30, 2024, is as follows:

	2024	2023
	(Rupees)	
Variable rate instruments (financial assets)		
Bank balances	<u>452,893</u>	<u>994,169</u>

a) Sensitivity analysis for variable rate instrument

Presently, the Fund has bank balances which expose the Fund to variable rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the impact would have been immaterial. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instruments

The Fund does not have any investment in fixed rate instrument as of June 30, 2024 therefore it is not exposed to any fair value profit rate risk.

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

----- 2024 -----					
Effective yield / profit rate	Exposed to yield / profit risk			Not exposed to yield / profit rate risk	Total
	Upto three months	More than three months and up to one year	More than one year

Total interest rate sensitivity gap		994,169	994,169	994,169		

19.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price arising from the Fund investments in equity securities. The Fund manages its price risk arising from investment in the equity securities by diversifying its portfolio within the eligible limits prescribed in the Fund's constitutive documents, the NBFC regulations and circulars issued by the SECP time to time.

The table below summarizes the sensitivity of the Fund's net assets attributable to unit holders to the equity price movements as at June 30, 2024. The analysis is based on the assumption that the KSE index increased / decreased by 1%, with all other variables held constant and that the fair value of the Fund's portfolio of equity securities moved according to their historical correlation with the index. This represents managements' best estimate of a reasonable possible shift in the KSE index, having regard to the historical volatility of the index of the past three years.

At June 30, 2024, the fair value of equity securities exposed to price risk was disclosed in note 5.1.

Effect due to increase / decrease in KSE 100 index

	2024	2023
	(Rupees)	(Rupees)
Investment and net assets	1,667,739	452,087
Income statement	1,667,739	452,087

19.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets and the credit risk is minimised.

19.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	Rupees in '000			
Balances with banks	452,893	452,893	994,169	994,169
Investments	166,773,905	-	45,208,746	-
Security deposits	2,600,000	2,600,000	2,600,000	2,600,000
Advances, dividend and profit receivable	357,226	357,226	181,404	181,404
Receivable from Alfalah Asset Management Limited - Management Company	-	-	171,781	171,781
	170,184,024	3,410,119	49,156,100	3,947,354

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in listed equity securities of Rs. 166.773 million (2023: Rs. 45.209 million) are not exposed to credit risk.

There is a possibility of default by participants or failure of the financial market / stock exchanges, the depositories, the settlements or clearing systems, etc. Settlement risk on equity securities is considered minimal because of inherent controls established in the settlement process. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instruments guidelines approved by the Investment Committee.

No financial assets were considered to be past due or impaired as at June 30, 2024.

19.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2024 with banks having following credit ratings:

Bank names	Rating agency	Rating (Short Term / Long Term)	2024	2023
Allied Bank Limited	PACRA	A1+ / AAA	94.73%	0.78%
Bank Alfalah Limited	PACRA	A1+ / AA+	5.27%	99.22%
			<u>100.00%</u>	<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA as of June 30, 2024.

19.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk as stated above, the Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily settlement of equity securities and daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement, the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year / period.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting year / period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

----- 2024 -----						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial Instruments with no fixed maturity	Total
----- (Rupees) -----

20 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

20.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024, the Fund held the following financial instruments measured at fair values:

June 30, 2024			
Level 1	Level 2	Level 3	Total
(Rupees)			
Financial assets 'at fair value through profit and loss'			
Listed equity securities	166,095,578	-	166,095,578
Exchange traded fund	678,327	-	678,327
	166,773,905	-	166,773,905
June 30, 2023			
Level 1	Level 2	Level 3	Total
(Rupees)			
Financial assets 'at fair value through profit and loss'			
Listed equity securities	44,751,157	-	44,751,157
Exchange traded fund	457,589	-	457,589
	45,208,746	-	45,208,746

There were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements during the year / period.

21 UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all times during the life of the scheme. However, the Fund is exempt from any "Minimum Fund Size" requirement as specified under the NBFC Regulations.

22 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

23 CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah Consumer Index Exchange Traded Fund

Annual Fund Manager's Report

Type of Fund: Exchange Traded Fund
Category of Fund: Conventional Stock Scheme

Investment Objective

Alfalah Consumer Index Exchange Traded Fund (ACIETF) is an open-ended scheme that is traded on Pakistan Stock Exchange and shall aim to track the performance of the Benchmark index. The index shall be periodically re-balanced & reconstituted as specified in the offering document in order to provide long-term capital appreciation and dividends yield to the investors.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds.

Equity Market Review

During FY24, the benchmark index remained on a bullish trajectory and posted a positive return of 90.33% on account of improving economic indicators and fiscal consolidation. The index remained positive during the year as it peaked at 80,059 level in June'24, and closed at a lower level of 78,445 points.

Improvement in macro-economic indicators including a) recovery in economic activity due to declining trend of inflation; b) improving forex reserves and stable PKR due to multilateral and bilateral support and fiscal consolidation and c) signing of a 9 months long standby agreement with IMF resulted in bullish investor sentiments and resulted in investors shifting allocation to equity as valuation was already attractive.

Due to the above mentioned factors, average trading volume of KSE-100 index also increased by 156%YoY to 232 million shares. Banking, Fertilizer and Power sectors contributed to the index the most, as investors jumped to sectors with attractive valuation, high dividend yield, stable demand and USD pegged revenues in case of the Power sector, while chemical sector contributed most negatively to the index due to depressed global chemical margins on the back of fear of global recession and overcapacity by many Chinese players.

Foreigners remained net buyers in FY24, as the net foreign inflow amounted to USD 139.23mn compared to net inflow of USD 22.09mn during FY23.

Going forward, we believe that the new staff level agreement on a 37month Extended Fund facility will keep fiscal and external account check and stable, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages, maintaining market based exchange rate and implementing long-term economic reform. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, monetary easing, improving reserves, and a stable PKR, serves as a booster for the Equity market in future as the benchmark index is still trading at attractive multiples (forward PE of 4x) and offers a decent dividend yield of 12%

KSE - 100

Fund Performance

The fund generated a return from inception to date of 63.60% against the benchmark which generated 74.80%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH CONSUMER INDEX EXCHANGE TRADED FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah Consumer Index Exchange Traded Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

**INDEPENDENT AUDITOR'S REPORT****To the Unit holders of Alfalah Consumer Index Exchange Traded Fund****Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of Alfalah Consumer Index Exchange Traded Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 2.999 million and investments aggregated to Rs. 39.069 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: - Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; - Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and - Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

AF

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH CONSUMER INDEX EXCHANGE TRADED FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah Consumer Index Exchange Traded Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Sindh Trust Act, 2020, executed between Alfalah Asset Management Limited (formerly : Alfalah GHP Investment Management Limited) [the Management Company] and Central Depository Company of Pakistan Limited, (the Trustee). The Trust Deed was executed on August 24, 2021, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the NBFC (Establishment and Regulation) Rules, 2003 (NBFC Rules).

The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.2 The Fund is a hybrid type of Fund having features of both open and closed end funds. A new concept of "Authorised Participants "APs" has been introduced who will act as market makers. The Management Company will only have contact with the APs for issuance and redemption of units. The units of the Fund are tradeable in the Pakistan Stock Exchange Limited (PSX). The APs to whom the units are issued may either keep the units with themselves or trade in the PSX. Consequently, upon trading, the holder of the units keeps on changing. Moreover, on issuance and redemption of units, the basket of shares will be exchanged between AP and Management Company and cash will be paid / received if there is a difference in the applicable net asset value of a creation unit and the market value of the portfolio deposit.

1.3 The Fund commenced its operations from January 17, 2022. The Fund is categorised as a 'Exchange Traded Fund (ETF)' and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund. The par value per unit of the Fund is Rs. 10. The title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

1.4 The Fund aims to provide investors an opportunity to track the performance of Alfalah Consumer Index (ACI) that has been constituted and is maintained by the Management Company, and comprises of consumer focused companies up to a maximum of 20 stocks.

1.5 VIS Credit Rating Company limited (PACRA) has assigned an asset manager rating of AM1 (stable outlook) to the management company on December 29, 2023

1.6 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited (CDC) as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting year beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and hence, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual years beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of financial instruments (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

3.2.2.1 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI. The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

3.2.3 Impairment (other than debt securities)

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted around that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund.

3.8 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.9 Issue and redemption of units

Authorised Participants (APs) can purchase the units at the offer price and redeem at the redemption price at any of the authorised distribution offices during business hours.

The offer price shall be equal to the sum of:

- The Net Asset Value (NAV) as of the close of the previous business day (historical pricing); and
- Such amount as the Management Company may consider an appropriate provision for duties and charges.

Units of the Fund may be acquired or redeemed directly from the Fund only in Creation Units lot size or multiples thereof as mentioned in the Offering Document. Investors can sell the units at market prices on PSX which may be above or below actual NAV of the Fund.

3.10 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.11 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting year.

As clarified by the SECP vide its letter no. SCD/AMCW/ETF/240/2020 dated March 2, 2020 that element of income in case of Exchange Traded Funds shall be taken to Income Statement both at the time of issuance and redemption of units to the extent it pertains to Income Statement.

3.12 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised appreciation / (diminution) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the year in which they arise;

	Note	2024	2023
		----- (Rupees) -----	-----
Dividend receivable		26,884	-
Advance tax	6.1	429,192	425,530
Profit receivable		-	1,088
		<u>456,076</u>	<u>426,618</u>

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 151 and 150. However, during the year ended June 30, 2023 withholding tax on dividend paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on dividends amounts to Rs. 0.429 million (2023: 0.425 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honorable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favor of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honorable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund on dividends has been shown as other receivables as at June 30, 2023 as in the opinion of the management, the amount of tax deducted at source will be refunded.

		----- (Rupees) -----	-----
Balance at the beginning of the year	7.1	728,547	934,605
Less: amortised during the year		(206,062)	(206,058)
Balance as at year end		<u>522,485</u>	<u>728,547</u>

- 7.1 Preliminary expenses and flotation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

8 RECEIVABLE FROM ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY

As per the SECP's direction No. SCD/PRDD/Direction/18/2016 all AMCs are required to calculate the Total Expense Ratio (TER) in respect of each CIS to ensure that the TER is not in breach of the required maximum percentage. The AMCs are required to adjust the NAV of the CIS on the basis of TER at the end of each quarter during the financial year for the amount of expenses in excess of the TER limit prescribed in regulation 60(5) of the NBFC Regulations.

During the year ended June 30, 2024, the Fund was in breach of the TER ratio of 2.5% as prescribed under NBFC Regulations for a collective investment scheme categorised as an 'Fund of fund'. As a result, the Fund has recorded receivable from the Management Company to comply with the TER.

	Note	2024	2023
		----- (Rupees) -----	-----
Remuneration payable to Management Company	9.1	5,753	10,316
Sindh sales tax payable on remuneration of Management Company	9.2	765	1,341
Payable against preliminary expenses and flotation costs	7.1	1,027,500	1,027,500
Other payable		148,250	148,267
		<u>1,182,268</u>	<u>1,187,424</u>

- 9.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document, subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged remuneration at the rate of 0.5% (2023: 0.5%) of the average net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.

- 9.2 Sindh sales tax on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 has been charged at the rate of 13%.

10 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

Note	2024	2023
	----- (Rupees) -----	
Trustee remuneration payable	10.1	3,343
Sindh sales tax payable on Trustee remuneration	10.2	418
CDS charges payable		47,674
		<u>51,435</u>
		<u>45,459</u>

- 10.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed as per the tariff specified therein, based on the daily net assets of the Fund at the rate of 0.1% (2023: 0.1%) per annum of net assets of the Fund.

- 10.2 Sindh sales tax on remuneration of Trustee levied through the Sindh Sales Tax on Services Act, 2011 has been charged at the rate of 13%.

11 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

Note	2024	2023
	----- (Rupees) -----	
Fee payable	11.1	3,040
		<u>9,430</u>

- 11.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged the SECP fee at the rate of 0.095% per annum of the daily net assets during the year.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month.

12 ACCRUED EXPENSES AND OTHER LIABILITIES

Auditors' remuneration payable	579,914	475,987
Withholding tax payable	4,544	8,478
Printing charges payable	19,329	21,412
	<u>603,787</u>	<u>505,877</u>

13 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2024 and June 30, 2023

14 AUDITORS' REMUNERATION

Annual audit fee	287,192	181,500
Review and other certifications	287,192	297,154
Out of pocket expenses	57,438	47,865
Sindh sales tax	50,547	42,122
	<u>682,369</u>	<u>568,641</u>

15 TOTAL EXPENSE RATIO

The annualised Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 2.54% (2023: 2.56%) which includes 0.247% (2023: 0.057%) representing government levies on the Fund such as sales taxes, annual fee to the SECP etc. This ratio is within the maximum limit of 2.5% (2023: 2.5%) prescribed under the NBFC Regulations for a collective investment scheme categorised as an index tracking scheme.

16 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2024 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

17 TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates. The management considers that the transactions between the related parties / connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

The details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

19 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / profit rate risk and price risk.

19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

19.1.2 Yield / profit rate risk

Yield / profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The profit rate profile of the Fund's profit bearing financial instruments, as at June 30, 2024, is as follows:

	2024	2023
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Balances with banks	<u>2,998,541</u>	<u>2,304,487</u>

a) Sensitivity analysis for variable rate instrument

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased the income statement and statement of comprehensive income by Rs 0.030 million (2023: Rs 0.023 million) and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

The Fund does not have any investment in fixed rate instrument as of June 30, 2024 therefore it is not exposed to any fair value profit rate risk.

The composition of the Fund's investment portfolio and KIBOR rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

2024					
Effective yield / profit rate	Exposed to yield / profit risk			Not exposed to yield / profit rate risk	Total
	Upto three months	More than three months and up to one year	More than one year

Cumulative interest rate sensitivity gap

2,304,487	2,304,487	2,304,487

19.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price arising from the Fund investments in equity securities. The Fund manages its price risk arising from investment in the equity securities by diversifying its portfolio within the eligible limits prescribed in the Fund's constitutive documents, the NBFC regulations and circulars issued by the SECP time to time.

The table below summarizes the sensitivity of the Fund's net assets attributable to unit holders to the equity price movements as at June 30, 2024. The analysis is based on the assumption that the KSE index increased / decreased by 1%, with all other variables held constant and that the fair value of the Fund's portfolio of equity securities moved according to their historical correlation with the index. This represents managements' best estimate of a reasonable possible shift in the KSE index, having regard to the historical volatility of the index of the past three years.

At June 30, 2024, the fair value of equity securities exposed to price risk was disclosed in note 5.1.

Effect due to increase / decrease in KSE 100 index

	2024	2023
	(Rupees)	(Rupees)
Investment and net assets	<u>390,690</u>	<u>409,453</u>
Income statement	<u>390,690</u>	<u>409,453</u>

19.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets and the credit risk is minimised.

19.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and	Maximum exposure to credit risk
	(Rupees)		(Rupees)	
Balances with banks	2,998,541	2,998,541	2,304,487	2,304,487
Investments	39,069,026	-	40,945,262	-
Security deposit with Central Depository Company of Pakistan Limited - Trustee	100,000	100,000	100,000	100,000
Dividend and profit receivables	26,884	26,884	1,088	1,088
	<u>42,194,451</u>	<u>3,125,425</u>	<u>43,350,837</u>	<u>2,405,575</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in listed equity securities of Rs 39.069 million (2023: Rs 40.945 million) are not exposed to credit risk.

No financial assets were considered to be past due or impaired as at June 30, 2024.

19.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2024 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	2024	2023
			% of financial assets exposed to credit risk	
Allied Bank Limited	PACRA	A1+ / AAA	97.01%	94.54%
Bank Alfalah Limited	PACRA	A1+ / AA+	2.99%	5.46%
			<u>100.00%</u>	<u>100.00%</u>

19.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk as stated above, the Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets up to 90 days and would be secured by the assets of the Fund. The facility would bear profit at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

----- 2024 -----

20 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

20.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024, the Fund held the following financial instruments measured at fair values:

----- 2024 -----				
	Level 1	Level 2	Level 3	Total
	----- (Rupees) -----			
At fair value through profit or loss				
Investment in listed equity securities	39,069,026	-	-	39,069,026
----- 2023 -----				
	Level 1	Level 2	Level 3	Total
	----- (Rupees) -----			
At fair value through profit or loss				
Investment in listed equity securities	40,945,262	-	-	40,945,262

There were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements during the year.

21 UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all times during the life of the scheme. However, the Fund is exempt from any "Minimum Fund Size" requirement as specified under the NBFC Regulations.

22 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

23 CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

24 GENERAL

Figures have been rounded off to the nearest Pakistani rupee, unless otherwise stated.

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah Stable Return Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Fixed Return

Investment Objective

Alfalah Stable Return Fund is an Open-ended Fixed Return Fund that aims to generate returns on investment as per the respective Investment Plan by investing in avenues such as government securities, cash in bank account, money market placements, deposits, certificate of deposits, certificate of musharakahs.

Accomplishment of Objective

The Fund has achieved its objective of generating regular income by investing in low to mid duration fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review:-

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persist, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

During FY24, Alfalah Stable return Fund-Plan 4 (ASRF-4) generated a return of 20.97% while the benchmark of the fund generated 20.40%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH STABLE RETURN FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah Stable Return Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Alfalah Consumer Index Exchange Traded Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah Consumer Index Exchange Traded Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 2.999 million and investments aggregated to Rs. 39.069 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: - Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; - Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and - Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

MFL

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH STABLE RETURN FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT
FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah Stable Return Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Sindh Trust Act, 2020, executed between Alfalah Asset Management Limited [the Management Company] and Central Depository Company of Pakistan Limited, (the Trustee). The Trust Deed was executed on April 15, 2022, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), on June 3, 2022.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Financing Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 09, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agricultural Building, 2nd floor, ST-2/A, Block-9, KDA Scheme 5, Clifton Karachi.

1.2 The Fund commenced its operations from September 1, 2022. The Fund is categorised as a 'Stable Return Fund (SRF)' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.3 According to the Trust Deed, the objective of the Fund is to generate returns on investment as per the respective Investment Plan by investing in authorised investment avenues such as Government Securities, cash in bank account, money market placements, certificate of deposits and certificate of musharakah in line with the risk tolerance of the investor. The investment objectives and policy are explained in the Fund's offering document. Presently, the following return plans are offered:

- a. Alfalah Stable Return Plan - IV
- b. Alfalah Stable Return Plan - VI
- c. Alfalah Stable Return Plan - VIII
- d. Alfalah Stable Return Plan - IX
- e. Alfalah Stable Return Plan - X
- f. Alfalah Stable Return Plan - XI

1.4 The duration of the Fund is perpetual, however, return plans may have a set time frame. The issue and maturity dates of the return plans are as follows

Plans	Stable Return Plan - I	Stable Return Plan - II	Stable Return Plan - III	Stable Return Plan - IV	Stable Return Plan - V	Stable Return Plan - VI	Stable Return Plan - VII	Stable Return Plan - VIII	Stable Return Plan - IX	Stable Return Plan - X	Stable Return Plan - XI
Issue date	September 1, 2022	December 8, 2022	March 9, 2023	February 6, 2024	April 13, 2023	October 26, 2023	July 19, 2023	November 22, 2023	April 23, 2024	April 4, 2024	March 21, 2024
Maturity date	August 25, 2023	December 7, 2023	June 30, 2023	February 6, 2027	July 5, 2023	October 26, 2024	October 20, 2023	November 22, 2024	October 23, 2024	April 4, 2025	March 21, 2025

1.5 VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023 [June 30, 2023: AM2++ dated August 31, 2023 by Pakistan Credit Rating Agency Limited (PACRA)].

1.6 The title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and

- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the requirements of IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and hence, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements, and:
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.4 Critical accounting estimates and judgments

The preparation of these financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments, and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in the application of its accounting policies. The estimates, judgments, and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional currency.

3 MATERIAL ACCOUNTING POLICIES INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.3.2 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over the period lower of 5 years or maturity of fund in accordance with the requirements set out in the Trust Deed of the Fund.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the period also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the Statement of Assets and Liabilities, is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.12 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the Income Statement at the date on which the transaction takes place.
- Unrealised appreciation / diminution arising on remeasurement of investments classified at fair value through profit or loss are recorded in the period in which these arise.
- Income on Market treasury bills, Term finance certificates, Pakistan investments bonds, and Government of Pakistan ijarah sukuks is recognized on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis.
- Interest income on bank balances is recognised on an accrual basis.

3.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and fee to the SECP are recognised in the Income Statement on an accrual basis.

3.14 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over the period lower of 5 years or maturity of fund in accordance with the requirements set out in the Trust Deed of the Fund.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the period also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed

8.1 As per regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the offering document, subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 0.45% for ASRP - I and ASRP - II, 0.003% for ASRP - IV and 0.75% for ASRP - V, ASRP - VI, ASRP - VII, ASRP - VIII, ASRP - IX, ASRP - X and ASRP - XI (June 30, 2023: 0.75% for ASRP-I, ASRP-II, ASRP-III and ASRP-V) per annum of the average net assets of the Fund. The remuneration is payable to the Management Company on a monthly basis in arrears.

8.2 During the period an amount of Rs. 0.096 million for ASRP - I, Rs. 0.224 million for ASRP - II, Rs.0.049 million for ASRP - IV, Rs. 0.007 million for ASRP - V, Rs. 0.689 million for ASRP - VI, Rs. 0.305 million for ASRP - VII, Rs. 0.488 million for ASRP - VIII, Rs. 0.245 million for ASRP - IX, Rs. 0.13 million for ASRP - X and Rs. 0.342 million for ASRP- XI (June 30, 2023: Rs. 0.492 million for ASRP - I, Rs. 0.27 million for ASRP - II, Rs. 0.786 million for ASRP - III and Rs.0.495 million for ASRP - V) was charged on account of sales tax on remuneration of Management Company levied through the Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2023: 13%).

8.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

The Management Company, based on its own discretion, has charged such expenses at the rate of 0.0387% from July 1, 2023 to August 24, 2023 in ASRP - I, 0.007% from July 1, 2023 to December 7, 2023 for ASRP - II, 0.364% from July 20, 2023 to October 20, 2023 for ASRP - VII of the average annual net assets of the Fund.

8.4 In accordance with Circular 11 dated July 5, 2019 issued by the SECP with respect to charging selling and marketing expenses, the Management Company, based on its own discretion, has charged selling and marketing expenses at the following rates

Management Company has charged selling and marketing expenses to the Fund subject to not being higher than actual expense at the rate of 0.014% from July 1, 2023 to December 7, 2023 for ASRP - II, 0.21% from February 7, 2024 to June 30, 2024 for ASRP - IV, 1.112% from July 1, 2023 to July 6, 2023 for ASRP- V, 0.482% from October 26, 2023 to June 30, 2024 for ASRP - VI, 0.288% from July 20, 2023 to October 20, 2023 for ASRP VII, 0.514% from November 22, 2023 to June 30, 2024 for ASRP - VIII, 0.23% from April 24, 2024 to June 30, 2024 for ASRP - IX, 0.29% from April 5, 2024 to June 30, 2024 for ASRP - X, 0.48% from March 22, 2024 to May 31, 2024, 0.27% from June 1, 2024 to June 27 2024, 0.48% from June 28, 2024 to June 30 2024 for ASRP- XI of the average net assets of the Fund. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

8.5 During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling & marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

10.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.075% (2023: 0.02%) per annum of the daily net assets during the year ended June 30, 2024.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

14 TOTAL EXPENSE RATIO

The annualized Total Expense Ratio (TER) of ASRP - I, ASRP - II, ASRP - IV, ASRP - V, ASRP - VI, ASRP - VII, ASRP - VIII, ASRP - IX, ASRP - X and ASRP - XI for the period ended June 30, 2024 is 0.87%, 0.71%, 0.46%, 1.63%, 1.45%, 1.72%, 1.75%, 1.76%, 1.74% and 1.89% (2023: 0.73% for ASRP - I, 0.67% for ASRP - II, 0.93% for ASRP - III, 1.34% for ASRP - V) which includes 0.14% for ASRP - I, 0.14% for ASRP - II, 0.10% for ASRP - IV, 0.10% for ASRP - V, 0.17% for ASRP - VI, 0.18% for ASRP - VII, 0.2% for ASRP - VIII, 0.25% for ASRP - IX, 0.23% for ASRP - X, 0.23% for ASRP - XI (2023: 0.08% for ASRP - I, 0.09% for ASRP - II, 0.09% for ASRP - III and 0.12% for ASRP - V) representing government levies on the Fund such as sales taxes, fee payable to the SECP etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorized as a 'Fixed Rate Scheme'.

15 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the period as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the period derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. The Fund has not recorded any tax liability in respect of income relating to the current year as the Management Company has distributed at least 90 percent of the Fund's accounting income for the year ending June 30, 2024 as reduced by capital gains (whether realised or unrealised) to its unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of part IV of the Second Schedule of the Income Tax Ordinance, 2001.

19 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, profit rate risk and price risk.

19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

19.1.2 Profit rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2024, is as follows:

a) Sensitivity analysis for variable rate instruments

The Fund is exposed to cash flow interest rate risk for balances in savings accounts on which interest rate is 15% - 20.5% per annum.

In case of 100 basis points increase / decrease in interest rates on June 30, 2024, with all other variables held constant, the net income for the period and the net assets would have been higher / lower by Rs. 0.102 million (2023: Rs. 0.013 million) for ASRP - I, Rs. 0.131 million (2023: Rs. 0.003 million) for ASRP - II, Rs. Nil (2023: Rs. 10.851 million) for ASRP - III, Rs. 30.316 million for ASRP IV, Rs. 0.024 million (2023: Rs. 0.008 million for ASRP - V), Rs. 0.442 million for ASRP - VI, Rs. 0.002 million for ASRP - VII, Rs. 0.408 million for ASRP VIII, Rs. 13.352 million for ASRP IX, Rs. 0.013 million for ASRP X, Rs. 0.034 million for ASRP XI.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 and June 30, 2024 can be determined as follows:

19.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

19.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial liabilities. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the liabilities that are payable on demand have been included in the maturity grouping of one month:

19.3 Credit risk

19.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arising on the debt instruments is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The table below analyses the Fund's maximum exposure to credit risk:

Banks	Alfalah Stable Return Plan - I			Alfalah Stable Return Plan - II			Alfalah Stable Return Plan - III			Alfalah Stable Return Plan - IV

19.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk.

20 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at market prices prevailing on the date of the statement of assets and liabilities. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

20.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024 and June 30, 2023 the Fund held the following financial instruments measured at fair value:

21 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. The amount of net assets attributable to unit holders can change significantly on a daily basis as the Fund is subject to daily issuance and redemptions at the discretion of unit holders. These unit holders of the Fund are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the Statement of Movement in Unit Holders' Fund.

The Fund's objectives when managing unit holders' fund are to safeguard the Fund's ability to continue as a going concern in order to provide returns for the benefits of the unit holders to maintain a strong base of assets to support the development of the investment activities of the Fund and to meet unexpected losses or opportunities. As required under the NBFC Regulations, every open end scheme shall maintain minimum fund size (i.e. net assets of the Fund) of Rs. 100 million at all times during the life of scheme. In order to comply with the requirement and to maintain or adjust the Unit Holders' Fund, the Fund's policy is to monitor the level of daily issuance and redemptions relative to the liquid assets and adjust the amount of distributions the Fund pays to the unit holders and to redeem and issue units in accordance with the constitutive documents of the Fund which includes the Fund's ability to restrict redemptions.

The Fund manager, Investment Committee members and the Chief Executive Officer of the Management Company critically track the movement of 'Assets under Management'. The Board of Directors is updated regarding key performance indicators such as yield and movement of NAV and total Fund size at the end of each quarter.

The Fund has maintained and complied with the requirements of minimum fund size during the current year.

22 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

23 GENERAL

Figures have been rounded off to the nearest rupee.

24 DATE OF AUTHORISATION FOR ISSUE

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited.

His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh - – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

MrShams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Financial Sector Income Fund

Annual Fund Manager's Report

Type of Fund: Open-end Scheme

Category of Fund: Income Scheme

Investment Objective

The objective of the Alfalah Financial Sector Income Fund is to provide income enhancement and preservation of capital by offering different plans which will invest in prime quality Financial Sector TFCs/Sukuks, Bank deposits, spread transactions and short-term money market instruments.

Accomplishment of Objective

The Fund has achieved its objective of generating regular income by investing in low duration fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review

Real GDP growth for FY24 posted a growth of 2.38% in FY24 as compared to -0.21% in FY23

Inflation for FY24 averaged at 23.9% compared to 29.04% in FY23, mainly due to stability in exchange rate coupled with lower political noise, rising agricultural yields, fiscal consolidation and softening oil prices and even fell to 12% by year end. As a result, the Central Bank has started monetary easing from June 2024 resulting in 250bps cut in interest rates in previous 2 meetings.

The next monetary policy is scheduled on September 12, 2024, where another cut in the policy rate cannot be ruled out as inflation is forecasted to maintain a lower trajectory, paving way for further anticipated monetary easing.

The current real interest rate stands impressively high at 8.4%, well above its historical median of 1%, providing a robust foundation for potential monetary easing actions. This could potentially lead to a reduction in the policy rate by 5%-6% over the next fiscal year. However, risks persists, particularly from potential inflationary impacts stemming from reforms outlined in the budget and IMF program, as well as volatility in exchange rates and oil prices.

Fund Performance

The fund's return stood at 23.16% against the benchmark return of 21.78%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH FINANCIAL SECTOR INCOME FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah Financial Sector Income Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund from August 02, 2023 to June 30, 2024 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber

Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 26, 2024

**INDEPENDENT AUDITOR'S REPORT****To the Unit holders of Alfalah Financial Sector Income Fund****Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of Alfalah Financial Sector Income Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the period from August 2, 2023 to June 30, 2024, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the period from August 2, 2023 to June 30, 2024, in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	Balances with banks and investments constitute the most significant component of the net asset value. Balances with banks of the Fund as at June 30, 2024 amounted to Rs. 2,880.66 million and investments aggregated to Rs. 738.24 million. The existence of balances with banks and existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: ▪ Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; ▪ Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and ▪ Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

AHEL

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board of Directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Board of Directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Board of Directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH FINANCIAL SECTOR INCOME FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT
FOR THE YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Alfalah Financial Sector Income Fund (the Fund) was established under a Trust Deed executed between Alfalah Asset Management Limited Company as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The offering document was executed on March 4, 2023 under Sindh Trusts Act, 2020 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Management Company has been granted license by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP.
- 1.2** The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3** The Fund is categorized as a Fixed Income Scheme pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4** Alfalah Financial Sector Income Fund (AFSIF-I) is an Open-ended Fund. The objective of the Fund is to deliver returns by investing mainly in mix of short to long term Government Securities and other debt instruments. The investment objectives and policy are more fully explained in the Fund's offering document.
- 1.5** VIS Credit Rating Limited has assigned an asset manager rating of AM1 (stable outlook) to the Management Company on December 29, 2023. PACRA has assigned the stability rating to the Fund as A+(f) on December 29, 2023.
- 1.6** Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.
- 1.7** As per the offering document approved by the SECP, the accounting period, in case of the first such period, shall commence from the date on which the trust property is first paid or transferred to the Trustee. Accordingly, these financial statements have been prepared from August 2, 2023.
- 1.8** These are the first financial statements of the Fund for the period from August 2, 2023 to June 30, 2024, therefore, comparative figures have not been presented.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 is yet to be adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements.

- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

2.3 Critical accounting estimates and judgments

The preparation of these financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments, and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in the application of its accounting policies. The estimates, judgments, and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- Classification and valuation of financial assets (notes 3.2.2 and 5); and
- Impairment of financial assets (note 3.2.3)

2.4 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.5 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional currency.

3 MATERIAL ACCOUNTING POLICIES INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.2.3 Impairment (other than debt securities)

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets carried at amortised cost. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;

- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over the period lower of 5 years or maturity of fund in accordance with the requirements set out in the Trust Deed of the Fund.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the period also includes a portion of income already paid on units redeemed during the period.

Distributions declared subsequent to the period end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the period end.

3.12 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised appreciation / diminution arising on remeasurement of investments classified at fair value through profit or loss are recorded in the period in which these arise.
- Income on Market treasury bills, Term finance certificates, Pakistan investments bonds, and Government of Pakistan ijara sukuks is recognized on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis.
- Interest income on bank balances is recognised on an accrual basis.

3.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.14 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

5.5 Unrealised appreciation on re-measurement of investments classified at 'financial assets at fair value through profit or loss' - net		
Market value of investments	5.1, 5.2, 5.3 & 5.4	738,236,063
Less: Carrying value of investments	5.1, 5.2, 5.3 & 5.4	(735,998,608)
		<u>2,237,455</u>

6. ADVANCES, DEPOSIT, PREPAYMENTS AND OTHER RECEIVABLE

Profit receivable on:		
Pakistan Investment Bonds		5,397,345
Term finance certificates		2,295,245
Balances with banks		104,767,691
Security deposit with Central Depository Company of Pakistan Limited		100,000
Fees and subscriptions		120,915
Advance tax	6.1	4,911,488
		<u>117,592,684</u>

- 6.1** As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the period ended June 30, 2024, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on debt amounts to Rs. 4.91 million during the period.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2024 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

8. PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - THE MANAGEMENT COMPANY		
Management remuneration payable	8.1	2,698,434
Sindh sales tax payable on management remuneration	8.2	350,796
Selling and marketing expenses	8.3	9,400,253
Allocated expenses	8.4	-
Sales load payable		7,518
Other payable to Management Company		1,730,000
		<u>14,187,001</u>

8.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management remuneration as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration between 0.61% to 1.07% of average annual net assets during the period. The remuneration is paid to the Management Company on a monthly basis in arrears.

8.2 Sales tax on management remuneration has been charged at the rate of 13% levied through the Sindh Sales Tax on Services Act, 2011.

8.3 The SECP has allowed the asset management companies to charge selling and marketing expenses to all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense at the rate of 0.64% of the average net assets of the Fund. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

8.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

The Management Company, based on its own discretion, has charged such expenses at the rate of 0.10% of the average annual net assets of the Fund for the period from August 02, 2023 to December 31, 2023 whereas no expense has been charged for the period from January 1, 2024 to June 30, 2024, subject to total expense charged being lower than actual expense incurred.

8.5 During the year, the Securities and Exchange Commission of Pakistan (SECP) carried out onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling & marketing expenses to the funds under its management. As a result of this inspection, SECP raised certain observations relating to the chargeability of such expenses by the Management Company to the funds under its management. The Management Company has responded to the observations highlighted by the SECP and there has been no further correspondence on this matter with the SECP. Accordingly, the impact of the SECP's observations on unit holder's fund, if any, is not determinable as at the reporting date.

9. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE		
Trustee remuneration payable	9.1	180,316
Sindh sales tax payable on Trustee remuneration	9.2	23,442
		<u>203,758</u>

9.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. During the period, the Trustee has charged remuneration at the rate of 0.075% per annum from August 2, 2023 till June 30, 2024 of average annual net assets of the Fund.

9.2 Sales tax on remuneration of Trustee has been charged at the rate of 13% levied through the Sindh Sales Tax on Services Act, 2011.

		June 30, 2024 AFSIF-I (Rupees)
10. ANNUAL FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN		
Annual fee payable	10.1	<u>186,841</u>

10.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.075% per annum of the daily net assets during the year ended June 30, 2024.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

14. TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 1.61% which includes 0.17% representing government levies on the Fund such as sales taxes and annual fee to the SECP etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an income scheme.

15. TAXATION

The income of the Fund is exempt from income tax as per Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non Banking Finance Companies Regulations, the Fund is required to distribute not less than 90 percent of its accounting income for the year derived from sources other than capital gains as reduced by such expense as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of the Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the period to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements.

16. TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, Alfalah CLSA Securities (Private) Limited, MAB Investment Incorporation, Alfalah Insurance Company Limited, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

18. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

18.1.2 Yield / Interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2024, is as follows:

	June 30, 2024 AFSIF-I (Rupees)
Variable rate instruments (financial assets)	
Balances with banks	2,880,655,803
Pakistan Investment Bonds	120,725,000
Term Finance Certificates	343,322,115
	<u>3,344,702,918</u>
Fixed rate instruments (financial assets)	
Market Treasury Bills	232,875,515
Government of Pakistan Ijara sukuks certificates	41,313,825
	<u>274,189,340</u>

a) Sensitivity analysis for variable rate instrument

Presently, the Fund holds KIBOR based TFC certificates and bank balances and variable rate Pakistan Investment Bonds, which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the period and net assets of the Fund would have been higher / lower by Rs 33.50 million. The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

June 30, 2024					
Effective yield / interest rate	Exposed to yield / interest risk			Not exposed to yield / interest rate risk	Total
	Upto three months	More than three months and up to one year	More than one year		
On-balance sheet financial instruments					
Financial assets					
Balances with banks	20.75% to 22.75%	2,880,655,803	-	-	2,880,655,803
Investments	12.00% to 24.79%	-	738,236,063	-	738,236,063
Receivable against sale of investments		-	-	498,380	498,380
Deposit and other receivable		104,767,691	7,692,590	100,000	112,560,281
Sub total		2,985,423,494	745,928,653	598,380	3,731,950,527
Financial liabilities					
Payable to Alfalah Asset Management Limited - Management Company		-	-	14,187,001	14,187,001
Payable to Central Depository Company of Pakistan Limited - Trustee		-	-	203,758	203,758
Accrued expenses and other liabilities		-	-	772,200	772,200
Sub total		-	-	15,162,959	15,162,959
On-balance sheet gap		2,985,423,494	745,928,653	(14,564,579)	3,716,787,568
Total interest rate sensitivity gap		2,985,423,494	745,928,653	(14,564,579)	3,716,787,568
Cumulative interest rate sensitivity gap		2,985,423,494	3,731,352,147	3,731,352,147	

18.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

18.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

18.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

----- June 30, 2024 -----		
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
----- (Rupees) -----		
Balances with banks	2,880,655,803	2,880,655,803
Investments	738,236,063	343,322,115
Deposit and other receivable	112,560,281	112,560,281
	<u>3,731,452,147</u>	<u>3,336,538,199</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Difference in the balance as per statement of assets and liabilities and maximum exposure to credit risk is due to the fact that investment in Government of Pakistan Ijara Sukuk certificates, Market Treasury Bills and Pakistan Investment Bonds amounting to Rs. 394.91 million is not exposed to credit risk.

No financial assets were considered to be past due or impaired at June 30, 2024.

18.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2024 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	June 30, 2024 % of financial assets exposed
Bank Al Habib	PACRA	A1+ / AAA	0.03%
Bank Alfalah Limited	PACRA	A1+ / AAA	4.51%
HBL Microfinance Bank	VIS	A-1 / A+	0.03%
Umicrofinance Bank Limited	VIS	A-1 / A+	94.87%
Mobilink Microfinance Bank	VIS	A-1 / A	0.56%
			<u>100.00%</u>

The Fund held investments in term finance certificates as at June 30, 2024 with companies having following credit ratings:

Investee Companies	Rating agency	Rating (Short Term / Long Term)	June 30, 2024 % of investments exposed to credit risk
Kashf Foundation	PACRA	AAA	46.11%
TPL Properties Limited	PACRA	A1/A+	53.89%
			<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA as of June 30, 2024.

18.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk.

18.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current period.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the period.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

June 30, 2024						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial Instruments with no fixed maturity	Total
(Rupees)						
Financial assets						
Bank balances	2,880,655,803	-	-	-	-	2,880,655,803
Investments	-	-	617,511,063	120,725,000	-	738,236,063
Deposit and profit receivable	-	-	7,792,590	-	-	7,792,590
Receivable against sale of investments	498,380	-	-	-	-	498,380
Security deposit with the Central Depository Company of Pakistan Limited - Trustee	-	-	-	-	-	-
	2,881,154,183	-	625,303,653	120,725,000	-	3,627,182,836
Financial liabilities						
Payable to Alfalah Asset Management Limited - Management Company	14,187,001	-	-	-	-	14,187,001
Payable to Central Depository Company of Pakistan Limited - Trustee	203,758	-	-	-	-	203,758
Accrued expenses and other liabilities	-	772,200	-	-	-	772,200
	14,390,759	772,200	-	-	-	15,162,959
	2,866,763,424	(772,200)	625,303,653	120,725,000	-	3,612,019,877

19. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

19.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024, the Fund held the following financial instruments measured at fair values:

	June 30, 2024			
	Level 1	Level 2	Level 3	Total
At fair value through profit or loss	(Rupees)			
Market Treasury Bills	-	232,875,123	-	232,875,123
Government of Pakistan Ijara sukuks certificates	41,313,825	-	-	41,313,825
Pakistan Investment Bonds	-	120,725,000	-	120,725,000
Term Finance Certificates	-	343,322,115	-	343,322,115
	41,313,825	696,922,238	-	738,236,063

During the period ended June 30, 2024, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

20. UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be 100 hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of 100 hundred million rupees at all times during the period.

21 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) **PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE**

Following are the members of the Investment Committee of the Fund:

Khaldoon Bin Latif	Chief Executive Officer
Ayub Khuhro	Chief Investment Officer
Faisal Ali Khan	Chief Financial Officer
Shariq Mukhtar Hashmi	Chief Compliance Officer
Mustafa Kamal	Head of Fixed Income
Muddasir Ahmed Shaikh	Head of Equities
Shams-ud-din Shah, CFA, FCCA	Head of Research
Omar Mukhtar	Head of Risk
Salman Jawaaid	Fund Manager Fixed Income Funds
Anil Kumar, CFA	Fund Manager Equity Funds

Khaldoon Bin Latif-Chief Executive Officer

Mr. Latif has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Investments, Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC, that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan. In addition to this, he brings both buy and sell side exposure of domestic capital markets in Pakistan. He began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the buy side, he has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund.

Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Muhammad Ayub Khuhro brings over 15 years of extensive experience in the banking and asset management industry to his role as Chief Investment Officer at Alfalah Investments. Prior to joining the company, he served as Chief Investment Officer at Faysal Asset Management Limited (FAML), where he played a pivotal role in revitalizing the investment process, fund management teams, and research department. His strategic initiatives significantly contributed to FAML's unprecedented growth and its ability to adapt to evolving market dynamics. Mr. Khuhro's career journey began at Pak Oman AMC in the research division, followed by a role as Research Head in the Equity Capital Markets Division at Faysal Bank Limited. His responsibilities included managing an equity portfolio valued at over USD 80 million and providing comprehensive research insights to support the Investment Committee's decision-making process. Additionally, he played a key role in IPOs and private equity valuations for the bank. With a Bachelor's degree in Economics from Lahore University of Management Sciences (LUMS), Mr. Khuhro possesses a deep understanding of equity, fixed income, and money market investments. His expertise extends to strategic and tactical asset allocations, driven by thorough research and evaluation of historical performance across multiple asset classes and instruments.

Faisal Ali Khan-Chief Financial Officer

Faisal Ali Khan is serving as Chief Financial Officer of Alfalah Investments and prior to joining he was associated with Faysal Funds where he served as CFO and Company Secretary. In past he has worked with reputed financial sector organizations including BMA Funds, Saudi Pak Industrial and Agricultural Company (Pvt.) Ltd, Attock Refinery Limited and KPMG. Mr. Khan is a fellow member of the Institute of Chartered Accountant of Pakistan having a professional experience of over nineteen years ranging from financial reporting, regulatory compliance, budgeting and taxation to corporate and secretarial practices including 15 years of experience in the asset management and investment advisory industry.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Mustafa Kamal - Head of Fixed Income

"Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes."

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management and has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming part of the Alfalah Investments team, he was associated with UBL Funds Ltd in managing their Risk Management Function. Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Asset Allocation
(as at 30-June-2024)

منی مارکیٹ

مالی سال 23 میں حقیقی جی ڈی پی کی شرح نمو -0.21 فیصد کے مقابلے مالی سال 24 کے لئے 2.38 فیصد درج کی گئی ہے۔

مالی سال 24 کے لئے افراط زر کی اوسط 23.9% رہی جو کہ مالی سال 23 میں 29.04 فیصد تھی، جس کی بنیادی وجہ کم سیاسی شور کی بدولت زرمبادلہ کی شرح میں استحکام، زرعی شرح منافع میں اضافہ، مالی استحکام اور سال کے اختتام تک تیل کی قیمتوں میں 12 فیصد کمی ہے۔ نتیجتاً، سنٹرل بینک نے جون 2024 سے مانیٹری نرمی شروع کر دی جس کے نتیجے گزشتہ 12 اجلاسوں میں شرح سود میں 250bps کی کمی کی گئی۔

اگلی مانیٹری پالیسی 12 ستمبر 2024 کو شیڈول ہے، جہاں پالیسی ریٹ میں مزید اضافہ کو مسترد کیا جاسکتا ہے کیونکہ افراط زر کی شرح کم رہنے کی پیش گوئی کی گئی ہے، جس سے توقع ہے کہ مزید مالیاتی نرمی کی راہ ہموار ہوگی۔

موجودہ حقیقی شرح سود متاثر کن طور پر 8.4 فیصد ہے، جو اپنی تاریخی اوسط 1 فیصد سے کہیں زیادہ ہے، جو ممکنہ مالیاتی آسانی کے اقدامات کے لئے ایک مضبوط بنیاد فراہم کرتی ہے۔ اس سے ممکنہ طور پر اگلے مالی سال کے دوران پالیسی ریٹ میں 5 سے 6 فیصد کمی ہو سکتی ہے۔ تاہم، خاص طور پر بجٹ اور آئی ایم ایف پروگرام میں بیان کردہ اصلاحات سے پیدا ہونے والے ممکنہ افراط زر کے اثرات کے ساتھ ساتھ شرح تبادلہ اور تیل کی قیمتوں میں اتار چڑھاؤ سے خطرات برقرار ہیں۔

فنڈ کے آپریشنز اور کارکردگی

الفلاح GHP الفانڈ

مالی سال 24 کے دوران، AGISTF نے گزشتہ اسی مدت کے دوران 78.70 فیصد کی ٹینچ مارک ریٹرن کے برعکس 93.40 فیصد کار ریٹرن کمایا۔

ادائیگی:

سال کے دوران، فنڈ نے پونٹ ہولڈرز کو 32.7589 فی پونٹ نقد منافع ادا کیا۔

Asset Allocation
(as at 30-June-2024)

مانیٹری پالیسی کمیٹی کے حالیہ اجلاس میں 100bps کمی کے بعد بھی حقیقی شرح سود نمایاں طور پر مثبت ہے۔ مالیاتی نرمی پورا سال جاری رہنے کی توقع ہے کیونکہ مالی سال 25 میں افراط زر اوسطاً 11 سے 12 فیصد رہنے کی توقع ہے۔ تاہم شرح سود میں کٹوتی کی مقدار اور رفتار کا تعین کرنے کے لیے کئی عوامل پر غور ضروری ہے جن میں بجٹ کا دباؤ، پاکستانی روپیہ کی قدر میں کمی اور مشرق وسطیٰ کے تنازعات میں خرابی کی وجہ سے تیل کی قیمتوں میں اضافہ اور اکتوبر 2024 میں گردش قرضوں میں کمی کی وجہ سے بجلی کے نرخوں میں اضافہ کا ایک اور دور شامل ہے۔ یہ تمام عوامل افراط زر کے تخمینہ کے لئے زیادہ خطرہ پیدا کرتے ہیں۔

ایکویٹی مارکیٹ کا جائزہ

مالی سال 24 کے دوران، بینچ مارک انڈیکس تیزی کی راہ پر ہوا اور بہتر معاشی اشاروں کے باعث 90.33 فیصد کا مثبت ریٹرن درج کرایا۔ سال کے دوران انڈیکس مثبت رہا کیونکہ یہ جون 24 میں 80,059 کی انتہائی سطح پر پہنچ گیا تھا، اور 78,445 پوائنٹس کی چٹائی سطح پر بند ہوا۔

میکرو اکنامک اشاروں میں بہتری جیسے کہ الف) افراط زر کی کمی کے رجحان کی وجہ سے معاشی سرگرمیوں میں بحالی؛ ب) کثیرالجہتی اور دوطرفہ تعاون اور مالی استحکام کی وجہ سے غیر ملکی زرمبادلہ کے ذخائر کا بہتر اور پاکستانی روپیہ کا مستحکم ہونا اور ج) آئی ایم ایف کے ساتھ 9 ماہ کا طویل اسٹینڈ بائی معاہدہ ہونے کے نتیجے میں سرمایہ کار کے جذبات میں تیزی آنا اور اس کے نتیجے میں سرمایہ کاروں کی ایلویشن کی ایکویٹی پر منتقلی کیونکہ ویلیویشن پہلے ہی متاثر کن تھی۔

مالی سال 24 میں غیر ملکی خالص خریدار رہے، کیونکہ خالص غیر ملکی آمد مالی سال 23 کے دوران 22.09 ملین امریکی ڈالر خالص آمد کے مقابلے میں 139.23 ملین امریکی ڈالر رہی۔

مندرجہ بالا عوامل کی وجہ سے KSE-100 انڈیکس کا اوسط تجارتی حجم بھی سالانہ 156 فیصد اضافہ سے 232 ملین حصص تک پہنچ گیا۔ بینکنگ، فریٹ لائزر اور پاور سیکٹرز نے انڈیکس میں سب سے زیادہ حصہ ڈالا، کیونکہ سرمایہ کاروں نے پرکشش ویلیویشن، زیادہ ڈیویڈنڈ شرح منافع، مستحکم طلب اور پاور سیکٹر کے معاملے میں امریکی تخمینہ آمدنی والے شعبوں کو اہمیت دی جبکہ کیمیائی شعبے نے عالمی کساد بازاری کے خوف اور مئی چینی حربوں کی بہت زیادہ صلاحیت کی وجہ سے عالمی کیمیائی مارجن میں کمی کی وجہ سے انڈیکس میں سب سے زیادہ منفی کردار ادا کیا۔

آگے بڑھتے ہوئے، ہمیں یقین ہے کہ 37 ماہ کی توسیعی فنڈ سہولت پر عملے کی سطح کے نئے معاہدے سے مالی اور بیرونی کھاتوں کی جانچ پڑتال اور استحکام برقرار رہے گا، ممکنہ طور پر توجہ میکرو اکنامک استحکام کو برقرار رکھنے پر ہوگی جس میں دانشمندانہ مانیٹری پالیسی کو یقینی بنانا، مالی خسارے سے بچنا، مارکیٹ پر مبنی شرح تبادلہ کو برقرار رکھنا اور طویل مدتی معاشی اصلاحات کو نافذ کرنا ہوگا۔ یہ اقتصادی منصوبہ کے لئے انتہائی ضروری وضاحت اور یقین دہانی فراہم کرے گا۔

سازگار میکرو اکنامک نقطہ نظر یعنی گرتی ہوئی افراط زر، مانیٹری نرمی، ذخائر میں بہتری اور پاکستانی روپیہ کا استحکام، مستقبل میں ایکویٹی مارکیٹ کے لیے بڑے بوسٹر کا کام کرے گا کیونکہ بینچ مارک انڈیکس پر کشش ملٹی پلر (4x) کی فارورڈ PE پر تجارت کر رہا ہے اور 12 فیصد کی شاندار شرح منافع کی پیشکش کرتا ہے۔

ڈائریکٹر کی یونٹ ہولڈرز کو رپورٹ برائے ختمہ سال 30 جون 2024

بورڈ آف ڈائریکٹر کی جانب سے، 30 جون 2024 کو ختم ہونے والے سال کے لئے میں الفلاح GHP اگم ٹی پلائر فنڈ (AGIMF)، الفلاح GHP کیش فنڈ (AGCF)، الفلاح GHP الفا فنڈ (AGAF)، الفلاح GHP ویلیو فنڈ (AGVF)، الفلاح GHP سورجی فنڈ (AGSOF)، الفلاح GHP اگم ٹی (AGIF)، الفلاح GHP اسٹاک فنڈ (AGSTF)، الفلاح GHP منی مارکیٹ فنڈ (AGMMF)، الفلاح اسٹیل ریٹرن فنڈ پلان 4، الفلاح اسٹیل ریٹرن فنڈ پلان 6، الفلاح اسٹیل ریٹرن فنڈ پلان 8، الفلاح اسٹیل ریٹرن فنڈ پلان 9، الفلاح اسٹیل ریٹرن فنڈ پلان 10، الفلاح اسٹیل ریٹرن فنڈ پلان 11، الفلاح GHP پراسیوریٹی پلاننگ فنڈ (AGPPF)، الفلاح GHP ڈیڈ ویکیٹڈ ایکٹیوٹی فنڈ (AGDEF)، الفلاح فنانشل سیکٹر اگم ٹی (AFSIF) اور الفلاح کنزیومر اینڈیکس ایکسیج ٹریڈ فنڈ (ACIETF) کے مالیاتی گوشوارے پیش کرتے ہوئے خوشی محسوس کرتا ہوں۔

معاشی جائزہ

مالی سال 23 میں 0.21 فیصد کے مقابلے میں مالی سال 24 کے لیے حقیقی جی ڈی پی کی شرح نمو 2.38 فیصد رہنے کا تخمینہ لگایا گیا ہے۔ مالی سال 23 میں سیلاب کی وجہ سے اہم زرعی فصلوں اور مویشیوں کی بڑے پیمانے پر تباہی کی وجہ سے بڑی طرح متاثر ہونے کے بعد زراعت کے شعبے میں 6.25 فیصد کی مضبوط نمو کی وجہ سے نمو مثبت رہی ہے۔

برآمدات میں 12 فیصد کا فی اضافہ سے بیرونی کھاتوں میں لیکج کم کرنے میں مدد ملی کیونکہ مالی سال 24 کے لئے کرنٹ اکاؤنٹ خسارہ 681 ملین امریکی ڈالر رہا جو کہ گزشتہ سال کے اسی عرصہ میں (79 فیصد کی نمایاں کمی) 3.275 بلین امریکی ڈالر تھا۔ مزید برآں ترسیلات زر رواں سال بیرونی توازن کے استحکام کے لیے کلیدی معاون ثابت ہوئیں اور مالی سال 24 میں بھی اس میں اضافہ کا رجحان برقرار رہا کیونکہ ماہانہ ترسیلات زراوسطاً 2.5 بلین امریکی ڈالر ہیں جو مالی سال 23 میں 2.3 بلین امریکی ڈالر تھے۔

کثیرالہجتی اور دو طرفہ شراکت داروں کی جانب سے ترسیلات زر کی بحالی اور آئی ایم ایف پروگرام کے تسلسل کی وجہ سے جون کے اختتام پر غیر ملکی زرمبادلہ کے ذخائر بڑے پیمانے پر بحال ہو کر 13.97 بلین امریکی ڈالر ہو گئے جو گزشتہ سال کے اختتام پر 9.16 بلین امریکی ڈالر تھے۔ بہتر میکروز کے نتیجے میں اس سال ایکسیج ریٹ میں استحکام آیا جسے گزشتہ سال شدید وباؤ کا سامنا کرنا پڑا۔ مستقبل میں پاکستانی روپیہ کی قدر میں سالانہ بنیادوں پر 5 سے 6 فیصد کی معمولی سطح پر کمی ہو سکتی ہے کیونکہ دوست ممالک کی جانب سے ممکنہ بہاؤ اور مالی استحکام سے ممکنہ طور پر روپیہ کی قدر میں کمی کا امکان ہے۔

مالی سال 24 کے لئے افراط زر کی اوسط شرح 23.9 فیصد رہی جو مالی سال 23 میں 29.04 فیصد تھی، جس کی بنیادی وجہ شرح تبادلہ میں استحکام کے ساتھ ساتھ سیاسی شوری کی کمی، زرعی پیداوار میں اضافہ، مالی استحکام اور تیل کی قیمتوں میں کمی اور یہاں تک کہ سال کے اختتام تک 12 فیصد تک کم ہونا ہے۔ افراط زر میں کمی کے جواب میں مرکزی بینک نے 10 جون 2024 کو پالیسی شرح میں 150bps کی کمی کا اعلان کیا جو جون 2023 کے بعد شرح میں پہلی بار کمی ہے۔

مالیاتی محاذ پر، گزشتہ سال 16% کے مقابلے میں مالی سال 24 میں ٹیکس ریونیو میں 28 فیصد کا شاندار اضافہ ہوا ہے۔ مالی سال 24 کے ٹیکس ریونیو بریک اپ کے مطابق، براہ راست ٹیکس ریونیو میں 29 فیصد کا اضافہ ہوا ہے، جبکہ ڈیوٹیز اور سیلز ٹیکس سمیت بالواسطہ ٹیکسوں میں 22 فیصد کا اضافہ ہوا ہے۔ مزید برآں، زیادہ مارک اپ اخراجات اور دفاعی اخراجات کے نتیجے میں مالیاتی خسارہ مالی سال 24 کے لیے جی ڈی پی کے 6.81 فیصد تک پہنچ گیا ہے جو کہ گزشتہ سال کی اسی مدت کے لیے 7.7 فیصد تھا۔

آئی ایم ایف اور پاکستان کے درمیان 37 ماہ کی توسیعی فنڈ سہولت (ای ایف ایف) پر عملے کی سطح کا معاہدہ طے پا گیا ہے جس سے تقریباً 5320 ملین سعودی ریال (7 بلین امریکی ڈالر) ملنے کی توقع ہے۔ یہ معاہدہ 2023 کے اسٹینڈ بائی انتظامات (SBA) کے ذریعے حاصل کردہ معاشی استحکام پر مبنی ہے جو مئی 24 میں کامیابی سے اختتام پذیر ہوا۔ یہ معاہدہ آئی ایم ایف کے ایگزیکٹو بورڈ کی منظوری سے مشروط ہے جو آئندہ چند ہفتوں میں سامنے آئے گی اور پاکستان کے ترقیاتی اور دو طرفہ شراکت داروں (خاص طور پر چین اور جی سی سی ممالک) کی جانب سے ضروری مالی امداد کی بروقت یقین دہانیوں کی تصدیق ہوگی۔ آئی ایم ایف پروگرام نے ہمارے اقتصادی منصوبے کے لئے انتہائی ضروری یقین دہانی فراہم کی ہے۔ اس کی رہنمائی اور حمایت نے پائیدار نمو اور خوشحالی کی راہ کو مضبوط کیا ہے۔

لارج اسکیل مینیو فیکچرنگ انڈیکس (LSMI) بڑھ رہا ہے اور مئی 2024 انڈیکس میں سالانہ 7.5 فیصد کا اضافہ ہوا ہے۔ معاشی سرگرمیوں میں مزید اضافہ کی توقع ہے کیونکہ مالیاتی نرمی پہلے ہی شروع ہو چکی ہے اور توقع ہے کہ یہ مزید نرم ہوگی۔ مالی سال 25 میں جی ڈی پی میں بالترتیب 3.60 فیصد اضافہ متوقع ہے اور توقع ہے کہ اس سال بھی زراعت اہم کردار ادا کرے گی۔
