Subject: Material information

Dear Sir

In accordance with Clause (Xiii) of the Listing Regulation No. 35 under the Code of Corporate Governance, we are informing you about an incidence of fire at our Factory located at 2.5 Km off Manga Raiwind, Lahore.

In this regard, kindly note that during the afternoon on Saturday April 25, 2015, a sudden breakout of fire resulting from short circuiting caused damage to our inventories and stores area. Fire brigade was called to prevent any further damage. The fire got extinguished by Sunday April 26, 2015. Due to commendable efforts of our staff and fire fighters we curtailed the fire to inventories areas and restricted it from spreading to our operations area. We have suffered inventory losses, the assessment of which is being made by the Insurance companies. It is being announced that our operational area is completely safe and unhurt by the Grace of God.

Yours sincerely
For **Azgard Nine Limited**.
