Chairman's Review
For the Year Ended June 30, 2025

It is my privilege to present the Chairman's Review of Al Shaheer Corporation Limited for the year ended June 30, 2025.

The year under review was marked by significant challenges and a period of transition for the Company. In December 2024, new Board members were elected following the directives of the Securities & Exchange Commission of Pakistan. The incoming Board took prompt steps to strengthen the Company's governance by reconstituting Board Committees and appointing a new Chief Executive Officer, Chief Financial Officer, and Company Secretary. Efforts were also made to present a transparent and accurate picture of the Company's position to regulatory authorities and financial institutions.

After the year-end, in July 2025, six (6) directors resigned and were replaced to maintain the required composition of the Board and its committees. Since then, the newly formed Board and Management have undertaken a comprehensive review of the Company's operations, financial standing, and governance framework.

Looking ahead, the Board is fully committed to strengthening corporate governance, improving operational efficiency, and restoring sustainable profitability. Key priorities include ensuring regulatory compliance, resolving outstanding settlements with financial institutions and creditors, and revitalizing operational activities while enhancing stakeholder engagement.

On behalf of the Board, I extend my sincere appreciation to our shareholders, business partners, and all stakeholders for their continued support during this time of transformation. With renewed leadership and a clear strategic direction, we are confident in Al Shaheer Corporation's ability to create long-term value in the years to come.

چیسر مین کا جائزہ

برائے مالی سال ختم شدہ 30 جون 2025

یہ میرے لیے اعزاز کی بات ہے کہ میں الشہیر کارپوریشن لمیٹڈ کے لیے مالی سال ختم شدہ 30 جون 2025 کا چیسر مین کا جائزہ پیش کروں۔

جائزہ سال کمپنی کے لیے نمایاں چیلنجز اور ایک عبوری دور کا حامل رہا۔ دسمبر 2024 میں، سکیورٹیز اینڈ ایکسچینج کمیشن آف پاکستان کی ہدایات کے بعد نئے بورڈ ممبران منتخب کیے گئے۔ نئے بورڈ نے کمپنی کی گورننس کو مضبوط کرنے کے لیے فوری اقدامات کیے، جن میں بورڈ کمیٹیوں کی از سر نو تشکیل اور چیف ایگزیکٹو آفیسر، چیف فنانشل آفیسر اور کمپنی سیکرٹری کی تعیناتی شامل ہے۔ مزید یہ کہ ریگولیٹری اتھارٹیز اور مالیاتی اداروں کے سامنے کمپنی کی پوزیشن کی شفاف اور درست تصویر پیش کرنے کی کوششیں بھی کی گئیں۔

سال کے اختتام کے بعد، جولائی 2025 میں چھ (6) ڈائریکٹرز نے استعفیٰ دیا اور بورڈ اور اس کی کمیٹیوں کی مطلوبہ تشکیل کو برقرار رکھنے کے لیے ان کی جگہ نئے افراد کو شامل کیا گیا۔ اس کے بعد سے، نئے تشکیل شدہ بورڈ اور انتظامیہ نے کمپنی کے آپریشنز، مالی حیثیت اور گورننس کے ڈھانچے کا جامع جائزہ لیا ہے۔

آئندہ کے لیے، بورڈ اس بات کے لیے پرعزم ہے کہ کارپوریٹ گورننس کو مزید مضبوط بنایا جائے، آپریشنل کارکردگی کو بہتر کیا جائے، اور پائیدار منافع بحال کیا جائے۔ اہم ترجیحات میں ریگولیٹری تقاضوں کی تکمیل، مالیاتی اداروں اور قرض خواہوں کے ساتھ بقیہ معاملات کا حل، آپریشنل سرگرمیوں کی بحالی اور اسٹیک ہولڈرز کے ساتھ تعلقات کو مزید مستحکم کرنا شامل ہیں۔

بورڈ کی جانب سے، میں اپنے شیئر ہولڈرز، بزنس پارٹنرز اور تمام اسٹیک ہولڈرز کا اس تبدیلی کے دور میں تعاون پر دلی شکر یہ ادا کرتا ہوں۔ نئی قیادت اور واضح حکمت عملی کے ساتھ، ہمیں یقین ہے کہ الشہیر کارپوریشن آنے والے برسوں میں طویل المدتی ویلیو پیدا کرنے کی بھرپور صلاحیت رکھتی ہے۔

Subsequent to the year-end, in July 2025, six (6) directors resigned and were replaced to maintain the required composition of the Board and its committees.

Principal Activities

The Company is primarily engaged in the processing, packaging, and marketing of halal meat and related products, catering to both local and international markets.

الشہیر کارپوریشن لمیٹڈ

ڈائریکٹرز کی رپورٹ برائے اراکین برائے مالی سال اختتام پذیر 30 جون 2025

الشہیر کارپوریشن لمیٹڈ ("کمپنی") کے نئے تشکیل شدہ ڈائریکٹرز بورڈ کو یہ رپورٹ ڈائریکٹرز کی جانب سے آڈٹ شدہ مالی بیانات کے ساتھ پیش کرتے ہوئے خوشی محسوس ہو رہی ہے جو 30 جون 2025 کو ختم ہونے والے مالی سال کے لیے مرتب کیے گئے ہیں، جو کمپنیز ایکٹ 2017 کی دفعہ 227 اور لسٹڈ کمپنیز (کوڈ آف کارپوریٹ گورننس) ریگولیشنز 2019 کے تقاضوں کے مطابق ہے۔

بورڈ کی تشکیل اور گورننس کا جائزہ

مالی سال کے دوران کمپنی کے بورڈ کی تشکیل میں نمایاں تبدیلیاں ہوئیں۔ 30 جون 2024 تک صرف ایک ڈائریکٹر موجود تھا جبکہ دیگر عہدے مختلف اوقات میں خالی رہے۔ اکتوبر 2024 میں واحد ڈائریکٹر نے بھی استعفیٰ دے دیا جس سے بورڈ مکمل طور پر خالی ہو گیا۔

اس صورتحال کے پیش نظر، نومبر 2024 میں سیکورٹس اینڈ ایکسچینج کمیشن آف پاکستان کی ہدایات کے تحت بڑے شیئر ہولڈرز کے ذریعے 17 دسمبر 2024 کو ڈائریکٹرز کے انتخابات منعقد کیے گئے، جس کے نتیجے میں بورڈ کی دوبارہ تشکیل ہوئی۔ مالی سال کے بعد، جولائی 2025 میں چھ (6) ڈائریکٹرز نے استعفیٰ دیا اور انہیں بورڈ اور اس کی کمیٹیوں کی مطلوبہ تشکیل کو برقرار رکھنے کے لیے نئے ڈائریکٹرز سے تبدیل کیا گیا۔

بنیادی سرگرمیاں

کمپنی بنیادی طور پر حلال گوشت اور متعلقہ مصنوعات کی پروسیسنگ، پیکنگ اور مارکیٹنگ میں مصروف ہے، جو ملکی اور بین الاقوامی دونوں مارکیٹوں کے لیے فراہم کی جاتی ہیں۔

عملیاتی اور اسٹریٹجک جائزہ

کمپنی بینکوں اور مالیاتی اداروں سے مالیاتی معاہدوں میں ڈیفالٹ پر رہی اور اس حوالے سے مذاکرات جاری ہیں۔ نئی مینجمنٹ اندرونی کنٹرول نافذ کرنے اور کمپنی کو دوبارہ تعمیل کی طرف لانے کے لیے فعال طور پر کام کر رہی ہے۔ ڈائریکٹرز کی معاوضے سے متعلق پالیسی شفاف طریقہ کار کے ساتھ موجود ہے۔ تفصیلات مالی بیانات کے نوٹ نمبر 30 میں دی گئی ہیں۔

آڈیٹرز کی ڈسکلیمر آف اوپینین

ڈائریکٹرز بورڈ اراکین کو مطلع کرتا ہے کہ کمپنی کے بیرونی آڈیٹرز، گرانٹ تھارنٹن انجم رحمان، چارٹرڈ اکاؤنٹنٹس نے مالی سال ختم شدہ 30 جون 2025 کے مالی بیانات پر ڈسکلیمر آف اوپینین جاری کیا ہے۔ یہ رائے کمپنی کو درپیش شدید مالی، عملیاتی اور ریگولیٹری چیلنجز کی وجہ سے دی گئی ہے، جن میں شامل ہیں:

• فنانسنگ سہولتوں کے شرائط و ضوابط کی خلاف ورزی

• بینک اکاؤنٹس منجمد ہونا

• جاری قانونی کارروائیاں اور ریگولیٹری تحقیقات

• ایکسپورٹ ریسیورہ کی وصولی نہ ہونا

• پاکستان اسٹاک ایکسچینج (PSX) کے نان کمپلائنٹ سیگمنٹ میں شمولیت:

بورڈ ان امور کی سنگینی کو تسلیم کرتا ہے اور بنیادی مسائل کے حل کے لیے اپنے مکمل عزم کا اظہار کرتا ہے۔ نئی

مینجمنٹ پہلے ہی درج ذیل اقدامات اٹھا چکی ہے

• PSX اور SECP کے ساتھ عدم تعمیل کے معاملات حل کرنا

• بیرونی آڈیٹرز کے ساتھ تعاون اور زیر التواء آڈٹس مکمل کرنا

• تمام متعلقہ اسٹیک ہولڈرز کے ساتھ رابطہ رکھ کر زیر التواء مسائل کا حل نکالنا

کمپنی مکمل طور پر شفافیت، تمام قوانین اور معیارات کی تعمیل اور اسٹیک ہولڈرز کے اعتماد کی بحالی کے لیے پر عزم ہے۔

کارپوریٹ سوشل ریسپانسبلٹی اور پائیداری

کاروباری سرگرمیوں کی معطلی کے باعث سال کے دوران کوئی CSR سرگرمی نہیں کی گئی۔ تاہم نیا بورڈ ایک جامع ESG (ماحولیاتی، سماجی اور گورننس) فریم ورک تیار کرنے اور لازمی پالیسیوں کے نفاذ کے لیے پرعزم ہے۔

آڈیٹرز

موجودہ آڈیٹرز، گرانٹ تھارنٹن انجم رحمان، چارٹرڈ اکاؤنٹنٹس، سالانہ عام اجلاس کے اختتام پر ریٹائر ہو جائیں گے اور دوبارہ تقرری کے لیے رضامند ہیں۔ ان کی دوبارہ تقرری مالی سال 2026 کے لیے آڈٹ کمیٹی نے تجویز کی ہے۔

ڈیویڈنڈ

سال کے دوران نقصان اور کمپنی کی مالی صورتحال کے پیش نظر کوئی ڈیویڈنڈ اعلان نہیں کیا گیا۔

شیئر ہولڈنگ کا پیٹرن

30 جون 2025 کو شیئر ہولڈنگ کا پیٹرن اور شیئر ہولڈرز کی کیٹیگریز سالانہ رپورٹ کے ساتھ منسلک ہیں۔

اہم خطرات اور ان کا ازالہ

کمپنی کو درپیش اہم خطرات درج ذیل ہیں:

- مالی دباؤ اور ڈیفالٹ
- ریگولیٹری عدم تعمیل
- بورڈ گورننس کی عدم استحکام

نیا بورڈ درج ذیل اقدامات کر رہا ہے:

- گورننس اور اندرونی کنٹرول کو مضبوط بنانا
- بورڈ کمیٹیوں کی دوبارہ تشکیل اور فعال کرنا
- کاروباری سرگرمیوں کو احتیاط سے دوبارہ شروع کرنا
- اسٹیک ہولڈرز کے اعتماد میں اضافہ کرنا

آئندہ کے امکانات

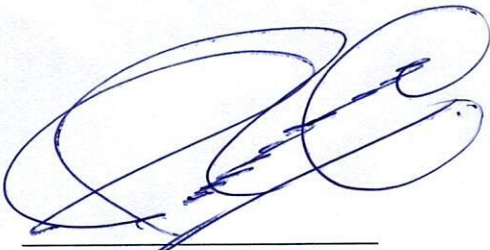

نیا تشکیل شدہ بورڈ کمپنی کے گورننس فریم ورک کو مستحکم کرنے، ماضی کی خلاف ورزیوں کو دور کرنے اور اسٹریٹجک متبادل پر غور کر رہا ہے، جن میں بنیادی کاروباری سرگرمیوں کی بحالی، نئے شعبوں میں تنوع، اور مالی و عملیاتی ڈھانچے کی ازسرنو ترتیب شامل ہے۔

بورڈ پر امید ہے کہ الشہیر کارپوریشن ایک مضبوط بحالی کے دہانے پر ہے۔ ایک مضبوط انفراسٹرکچر اور بہتر گورننس فریم ورک کے ساتھ، کمپنی کو ٹرن اراؤنڈ کے لیے تیار کیا جا رہا ہے۔ (اے، جی، ایم) کے بعد، کمپنی صرف ماضی کے چیلنجز پر قابو پائے گی بلکہ اپنی بنیادی طاقتوں کو بروئے کار لاتے ہوئے منافع بخش بنے گی۔ موجودہ اقدامات اس بات کو یقینی بنائیں گے کہ حالیہ نقصانات کا ازالہ ہو اور مستقبل کی کارکردگی کاروبار کی اصل صلاحیت کو ظاہر کرے۔ آگے بڑھتے ہوئے، شیئر ہولڈرز توقع کر سکتے ہیں کہ کمپنی مزید مضبوط، پائیدار اور ترقی کی جانب گامزن ہوگی۔

تشکر

of Al Shaheer Corporation Limited

Report on the Audit of the Unconsolidated Financial Statements

Disclaimer of Opinion

**Grant Thornton Anjum
Rahman**

1st & 3rd Floor,
Modern Motors House,
Beaumont Road,
Karachi, Pakistan.

T +92 21 35672951-56

We were engaged to audit the unconsolidated financial statements of Al Shaheer Corporation Limited (the Company), which comprise the unconsolidated statement of financial position as at June 30, 2025, and the unconsolidated statement of profit or loss, unconsolidated statement of comprehensive income, unconsolidated statement of cash flow statement and the unconsolidated statement of changes in equity for the year then ended, and notes to the unconsolidated financial statements, including a unconsolidated summary of material accounting policies.

We do not express an opinion on the accompanying unconsolidated financial statements of the Company. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these unconsolidated financial statements.

Basis for Disclaimer of Opinion

- i) As described in Note 1.3 to the unconsolidated financial statements, the Company has faced severe financial, operational, and regulatory challenges, including breaches of covenants, terms and conditions of financing facilities, frozen bank accounts, legal proceedings, regulatory investigations, non-realization of export receivables, and placement on the PSX's non-compliant segments. As a result, the Company incurred heavy losses, with accumulated losses of Rs. 4,836.45 million as of June 30, 2025 (2024: Rs 4,444.37 million) and its current liabilities exceeding current assets by Rs 3,214.18 million (2024: Rs 2,678.25 million) creating material uncertainty about its ability to continue as a going concern. Although, the management prepared the unconsolidated financial statements on a going concern basis and disclosed a revival plan, we were unable to obtain sufficient appropriate audit evidence regarding the assumptions underlying this plan and accordingly, could not determine whether any adjustments might have been necessary to the unconsolidated financial statements had the going concern assumption been inappropriate.
- ii) As disclosed in Note 1.3, the Company was non-compliant with several statutory and regulatory requirements, including the Companies Act, 2017, income and sales tax laws (including related payments) and Pakistan Stock Exchange (PSX) Rule Book. No provisions were recorded for related penalties or surcharges, and due to lack of sufficient evidence, we were unable to determine whether any adjustments or disclosures were necessary.

- iii) As disclosed in Notes 14 and 17 to the unconsolidated financial statements, the Company has reported borrowings amounting to Rs. 2,715.99 million (2024: Rs 2,758.19 million). Independent confirmations from majority of the lenders were not received despite repeated follow-ups, and no alternative audit procedures could be performed. Furthermore, as disclosed in Note 1.3, due to breaches of loan covenants, terms, and conditions, borrowings classified as non-current should have been classified as current liabilities. The Company has also not recorded any accrued markup on these borrowings. Accordingly, we were unable to determine adjustments that might be necessary in respect of these borrowings and the related finance costs.
- iv) We were unable to obtain sufficient audit evidence to verify their completeness and validity the payables amounting to Rs. 370.92 million (2024: Rs 370.92 million) included in trade and other payables as mentioned in note 16 to the unconsolidated financial statements. Accordingly, we were unable to determine whether any adjustments might be necessary in respect of these liabilities.
- v) We were unable to obtain sufficient appropriate audit evidence regarding the export rebate receivable of Rs. 174.63 million (2024: Rs 180.70 million) included in other receivables as mentioned in note 11, due to lack of adequate supporting documentation. Accordingly, we could not determine whether any adjustments were necessary might be necessary in respect of these receivables.
- vi) As disclosed in Note 15 to the unconsolidated financial statements, the Company has recognized a gratuity liability of Rs. 118.93 million (2024: Rs 118.93 million). However, a detailed employee-wise breakup of the liability was not available as at the reporting date. Additionally, no further provision has been recorded since October 1, 2023, as the eligible employees left the Company. In the absence of this supporting information, we were unable to verify the completeness and accuracy of the gratuity liability recognized in the unconsolidated financial statements.
- vii) As disclosed in Notes 18 and 25.2 to the unconsolidated financial statements, the Company is involved in various pending litigations. In addition, the Securities and Exchange Commission of Pakistan (SECP) is conducting an investigation into the affairs of the Company. The ultimate outcome of these matters is currently uncertain, and due to the absence of sufficient appropriate audit evidence, we were unable to determine whether any adjustments may be required in the accompanying unconsolidated financial statements.

Responsibilities of Management Board of Directors for the Unconsolidated Financial Statements

AL SHAHEER CORPORATION LIMITED
NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

1 THE COMPANY AND ITS OPERATIONS

- 1.1 Al Shaheer Corporation Limited (the Company) was incorporated on 30 June 2012 and is quoted on Pakistan Stock Exchange. The Company is principally engaged in trading of different kinds of halal meat including goat, cow, chicken and fish, both for export market and local sales. Geographical location and address of all the business units are as under:

Location	Business Unit
Suit # G/5/5, 3rd Floor, Mansoor Tower, Block-8, Shahrah-e-Roomi, Clifton, Karachi	Registered office
Plot Bearing Survey No. 348, Deh Shah Mureed, Tappo, Songal, Gadap Town, Karachi	Slaughter house
3.5km Manga Road Raiwand, Lahore	Poultry plant

- 1.2 These are the separate financial statements of the Company in which investment in subsidiary is stated at cost less impairment loss.
- 1.3 During the year June 30, 2024, the Company encountered severe management and operational disruptions that significantly impacted its performance and financial standing. The Chief Executive Officer resigned on February 1, 2024, followed by the resignation of the entire Board of Directors and the Company Secretary on October 10, 2024. These developments left the Company without a duly constituted Board or senior management for a significant period, resulting in a leadership vacuum and a breakdown in effective oversight. As a result, production operations were severely curtailed, with facilities running at minimal capacity. This led to a sharp decline in sales and erosion of market share.

The situation was further exacerbated by regulatory actions. The Pakistan Stock Exchange (PSX) designated the Company as non-compliant due to breaches of PSX Rules. Concurrently, the Securities and Exchange Commission of Pakistan (SECP) launched investigations under Section 29 of the Securities Act, 1997. Additionally, the State Bank of Pakistan (SBP) initiated proceedings against former directors for violations of foreign exchange regulations, particularly regarding delays in submission of export documents and non-realization of export proceeds. As at the reporting date, the Company has not recovered its outstanding export receivables, and related matters remain under review with SBP.

These challenges have led to further complications, including breaches of loan covenants and terms with financial institutions. The SECP has frozen Company bank accounts, and financial institutions have initiated legal actions for the recovery of outstanding loans. In response, and under the directive of the SECP, the Company's sponsors and shareholders appointed a new Board of Directors, Chief Executive Officer, and Chief Financial Officer subsequent to the year end.

The financial performance during the year further deteriorated, with the Company incurring a net loss of Rs. 392 million (2024: 3508 million). As of June 30, 2025, accumulated losses stood at Rs. 4,836 million (2024: Rs. 4,444), and current liabilities exceeded current assets by Rs. 4,355 million (2024: Rs. 3,214 million). These adverse conditions raise significant doubt about the Company's ability to continue as a going concern.

Nevertheless, the newly appointed Board and management have initiated a strategic recovery plan. Key measures include stabilizing the governance framework, rectifying prior regulatory non-compliances, and resuming plant operations. Efforts are also underway to rebuild stakeholder relationships and attract large institutional clients, including international franchise groups. The revised business model now emphasizes a shift towards institutional clientele over the retail segment, with the aim of achieving long-term profitability and operational sustainability.

Furthermore, the Company is actively working with financial stakeholders to restructure its existing loan facilities. The Board remains confident that the ongoing revival plan, supported by stakeholders, will gradually restore financial health and operational stability.

4 USE OF CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of these unconsolidated financial statements in conformity with the approved accounting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates underlying the assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the process of applying the Company's accounting policies, management has made the following accounting estimates and judgments which are significant to the unconsolidated financial statements:

i) Impairment of non-financial asset	5.3

AL SHAHEER CORPORATION LIMITED
NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

4.1 Property, plant and equipment

The Company reviews the appropriateness of the rate of depreciation, useful life and residual value used in the calculation of depreciation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. In making these estimates, the Company uses the technical resources available with the Company. Any change in estimates in future might affect the carrying amount of respective classes of property, plant and equipment, with a corresponding effect on the depreciation charge and impairment.

4.2 Stock-in-trade

The Company's management reviews the net realizable value (NRV) of stock-in-trade to assess any diminution in the respective carrying values and wherever required, provision for impairment is made.

4.3 Trade debts and other receivables

Impairment loss against doubtful trade and other debts is recorded in accordance with basis mentioned in note 9.1 of these unconsolidated financial statements.

4.4 Impairment of financial assets

The Company uses a provision matrix to calculate Expected Credit Loss (ECL) for trade debts and other receivables. The provision rates are based on days past due for Company's various customer that have similar loss patterns. The provision matrix is initially based on the Company's historical observed default rates. The Company calibrates the matrix to adjust the historical credit loss experience with forward-looking information. For instance, if forecast economic conditions are expected to deteriorate over the next year which can lead to an increased number of defaults in the manufacturing sector, the historical default rates are adjusted. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed. The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Company's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future.

4.5 Taxation

In applying the estimate for income tax payable, the Company takes into account the applicable tax laws and the decision by appellate authorities on certain issues in the past. Instance where the Company's view differs from the view taken by the income tax department at the assessment stage and where the Company considers that its view on items of material nature is in accordance with law, the amounts are shown as contingency.

5 MATERIAL ACCOUNTING POLICIES

5.1 Property, plant and equipment

Operating fixed assets

Property, plant and equipment including leasehold land and all additions except capital work-in-progress are stated at cost less accumulated depreciation and accumulated impairment losses. Cost of property, plant and equipment comprises acquisition cost and directly attributable cost of bringing the assets to its working condition. Borrowing cost including the exchange risk fee (if any) that are directly attributable to the acquisition, construction and production of a qualifying asset is capitalized as part of the cost during the period in which activities that are necessary to prepare the asset for its intended use are carried out.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the asset will flow to the Company and the cost of the asset can be measured reliably. The carrying amount of the replaced part is derecognized. Normal repairs and maintenance are charged to the unconsolidated statement of profit or loss as and when incurred. Major renewals and improvements are capitalized and the assets so replaced, if any, are retired.

Depreciation on assets other than leasehold land and free hold land is calculated so as to write-off the assets over their expected economic lives under the diminishing balance method at rates given in note no. 6 to the unconsolidated financial statements. Depreciation is charged from the month when the asset is available for use and ceased from the month of disposal. Impairment losses, if any, are recorded on the basis as defined in note 5.3.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date.

AL SHAHEER CORPORATION LIMITED
NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

The gain or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as other income or expense.

Right-of-use assets

The right-of-use asset is initially measured based on the initial amount of the lease liability, any lease payments made at or before the commencement date, plus any initial direct costs incurred, an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received. The right-of-use asset is depreciated on a diminishing balance method. The right-of-use assets is reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The Company has elected to apply the practical expedient not to recognize right-of-use assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low-value assets. The lease payments associated with these leases is recognized as an expense on a straight line basis over the lease term.

Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment if any. All expenditures connected to the specific assets incurred during installation and construction period are carried under capital work-in-progress. These expenditures are transferred to relevant category of property, plant and equipment as and when the assets start operation. Impairment losses, if any, are recorded on the basis as defined in note 5.3.

5.2 Intangible assets

These are stated at cost less accumulated amortization and impairment. Amortization is charged on reducing balance method over the useful lives of the assets. Amortization is charged from the month the asset is available for use up to the month of derecognition. Amortization methods, useful lives and residual values are reviewed at each reporting date and adjusted, if appropriate. Impairment losses, if any, are recorded on the basis as defined in note 5.3.

5.3 Impairment of non-financial asset

Assets that are subject to depreciation/amortization including capital work-in-progress are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which they are separately identifiable (cash-generating units)

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

5.4 Investment in subsidiary

Investment in subsidiaries are recognized and carried at cost in these unconsolidated financial statements. The carrying amount of investments is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists the investment's recoverable amount is estimated which is the higher of its value in use and its fair value less cost to sell. An impairment loss is recognized if the carrying amount exceeds its recoverable amount. Impairment losses are recognized in the unconsolidated statement of profit or loss. An impairment loss is reversed if there has been a change in estimates used to determine the recoverable amount but limited to the extent of initial cost of investments. A reversal of impairment loss is recognized in the unconsolidated statement of profit or loss in the year in which they are occurred.

5.5 Long term deposits

These are stated at fair value of consideration given.

5.6 Stock-in-trade

These are valued at the lower of cost or net realizable value. Cost is determined as follows:

- | | |
|--|---|
| - Livestock, raw and packaging materials | - at weighted average cost of purchases |
| - Stock in-transit | - invoice price of purchases |
| - Finished Goods (Raw meat) | - at weighted average cost |

AL SHAHEER CORPORATION LIMITED
NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS

5.7 Trade debts and other receivables

These are classified at amortized cost and are initially recognized when they are originated and measured at fair value of consideration receivable. These assets are written off when there is no reasonable expectation of recovery. Actual credit loss experience over past years is used to base the calculation of expected credit loss.

5.8 Cash and cash equivalents

For the purposes of the unconsolidated statement of cash flows, cash and cash equivalents comprise of cash in hand and bank balances, short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value and short term running finances under mark up arrangements.

5.9 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

On initial recognition, a financial asset is classified and measured at : amortized cost, fair value through other comprehensive income or fair value through profit or loss . The classification of financial asset is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

For the purpose of subsequent measurement, all financial assets of the Company are classified at amortized cost, These are measured using effective interest rate method and are subject to impairment on account of Expected Credit Loss (ECL). The Company uses the simplified approach and calculates ECLs based on the lifetime ECLs on its trade debts and other financial assets. The Company has established a provision matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to the financial assets and the economic environment.

Financial liabilities

All financial liabilities are recognized initially at fair value. For the purpose of subsequent measurement financial liabilities are recognized at amortized cost.

Derecognition

A financial asset is derecognized where the rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and the Company has:

- a) Transferred substantially all of the risks and rewards of the asset; or
- b) Neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expired.

Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is only offset and the net amount is reported in the unconsolidated statement of financial position if the Company has legally enforceable right to set off the recognized amount and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously. Income and expenses arising from such assets and liabilities are also offset accordingly.

5.10 Staff retirement benefits

The obligation under the fund is determined through an independent actuarial valuation using best estimate basis for projection purposes. Actuarial valuation of the scheme carried out every year. However, during the year, the Company did not have available data regarding employees, owing to the factors mentioned in note 1.3. Consequently, the defined benefit scheme remained inoperative and no actuarial valuation has been carried out as at reporting date.

The Company generally supplies of its products including delivery of product. As the transportation of product coincides with actual delivery, sale of product and transportation is considered single performance obligation.

The financing facility converted from a Running Musharakah to a Diminishing Musharakah (Sale and Lease Back) facility amounted to Rs. 49.73 million and was obtained for the purchase of specific machinery and equipment. As of the reporting date, the outstanding principal is Rs. 49.73 million and markup amounts to Rs. 12.27 million, resulting in a total exposure of Rs. 62.00 million. The facility was secured by a charge over plant, machinery and equipment as well as 32.33% equity participation from Al Shaheer Corporation Limited. - 18.9 The Company received a notice of demand from Sindh Bank Limited under Section 15 of the Financial Institutions (Recovery of Finances) Ordinance, 2001 ("FIO 2001") for the sale of mortgaged properties without court intervention. In response, the Company filed a constitutional petition in January 2024 before the High Court of Sindh at Karachi challenging the vires of Section 15 of the FIO 2001 on the grounds that it is ultra vires the Constitution of Pakistan, 1973, as it denies the right to a fair trial by granting banks authority to determine liability and default without judicial recourse. The financing facility is secured through mortgage of the Company's land and machinery. Sindh Bank issued a final notice dated December 2, 2023, stating that sale proceedings would commence after 30 days; however, these proceedings have not been initiated as the Company's petition remains pending before the Court.
- 18.10 Faysal Bank, through its legal counsel, issued notices to the Company on November 11, 2022, September 18, 2023, December 6, 2023 and June 07, 2024 in respect of a financing facility of Rs. 100 million availed by the Company, along with accrued interest of Rs. 3.50 million, aggregating to a demand of Rs. 103.50 million plus late payment charges, penalties, and cost of funds. - 18.11 Mr. Imran Elahi, owner and landlord of Plot No. 18-C, Commercial Area "A", Phase-I, DHA, Karachi, had leased the premises to Mr. Kamran Ahmed Khalil, who defaulted on payment of rent since October 2023, failed to pay water and conservancy charges of Rs. 82,540, and did not provide copies of paid withholding tax challans despite repeated requests. The landlord served a legal notice demanding payment of Rs. 2.06 million, submission of withholding tax challans, and vacation of the premises within 15 days, but no response was received. Subsequent court notices were also ignored, and no written statement was filed. On June 13, 2024, the Court ordered Mr. Kamran Ahmed Khalil to vacate the premises within 30 days, failing which execution could be sought. In October 2024, the executing court enforced the decree, broke open the lock, and handed over possession of the premises to the owner in satisfaction of the decree.

It has been alleged that the Company withheld such dues and has not released them to date. As per the Company's HR policy, the employees were also entitled to amounts relating to maintenance during the car buy-back period. The plaintiffs contend that the Company had assured settlement of outstanding salaries through adjustment in the car buy-back process; however, despite repeated reminders, no adjustment letter was issued. The matters are currently pending adjudication. Moreover, these cases also includes those employees who in response to the salary withheld by the Company, refused to return the cars back to the Company and as a result the Company did not release the title deeds of those cars to those employees.

29 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks such as market risk, credit risk and liquidity risk. The Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company's Board of Directors oversees the management of these risks which are summarized below:

AL SHAHEER CORPORATION LIMITED
NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS

Total financial liabilities	<u>4,227,260</u>	<u>3,246,569</u>

29.2 Fair value of financial assets and liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique.

The Company classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the:

- a) Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- b) Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- c) Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the transfer has occurred.

The Company's policy for determining when transfers between levels in the hierarchy have occurred includes monitoring of the following factors:

- changes in market and trading activity (e.g. significant increases / decreases in activity)
- changes in inputs used in valuation techniques (e.g. inputs becoming / ceasing to be observable in the market)

There are few transfers of level 3 short term investment to level 1 as it become listed during the year.

Level 1: Quoted prices (unadjusted) in active markets

Level 2: Non active markets The fair value of financial instruments of non active market is based on inputs available in the market.

Level 3: Inputs for the asset or liability that are not based on observable market data (i.e. Unobservable inputs)

The fair value of financial instruments traded in active markets is based on market value of financial instrument at the reporting date. A market is regarded as active when it is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

As at June 31, 2025 there are no financial assets and financial liabilities classified as fair value. The carrying values of all financial assets and liabilities reflected in the unconsolidated financial statements approximate their fair values.

29.2.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk.

AL SHAHEER CORPORATION LIMITED
NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

29.2.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term financing and short-term borrowings at floating interest rates to meet its business operations and working capital requirements. The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant:

	Carrying Amount	
	2025	2024
Variable rate instruments	-----Rupees in '000'-----	
Financial liabilities	2,715,995	2,758,200
	<u>2,715,995</u>	<u>2,758,200</u>

As at 30 June 2025, if KIBOR had been 100 bps lower/higher with all other variables held constant, profit before tax for the year would have been higher/lower by Rs. 27.16 million. (2023: Rs. 27.58 million) mainly because of higher/lower interest expense on variable rate instruments.

29.2.3 Currency risk

Foreign exchange risk represents the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. It arises mainly where receivables and payables exist due to transactions entered into foreign currencies. As of the reporting date, the Company is not exposed to foreign currency risk.

29.3 Credit risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Concentrations of credit risk arise when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. The Company's management is regularly conducting detailed analysis on sectors.

The Company seeks to minimize the credit risk through having exposures only to customers considered credit worthy and obtaining securities where applicable. As of 30 June 2025.

The Company's objective is to maintain a balance between continuity of funding and flexibility by maintaining sufficient bank balances and committed credit lines. The table below summarizes the maturity profile of the Company's financial liabilities at 30 June 2024 based on contractual undiscounted payment dates and present market interest rates:
