The General Manager,
Karachi Stock Exchange Limited,
Stock Exchange Building,
Stock Exchange Road,
Karachi.

Dear Sir,

There was a minor fire incident at the Corporate Branch and registered office of Bank Alfalah Limited at B.A. Building, I.I. Chundrigar Road, Karachi. The situation was, however, brought under control very quickly with the combined efforts of the rescue fire brigade team and Bank Alfalah's local administration team. All employees were evacuated out of the building promptly and there has fortunately been no injury or employee incident. While the situation continues to be assessed, there does not seem to have been any real damage to the Bank building.

The Fire Marshall has advised that the building be kept clear for at least another 24 hours. Consequently the Bank's Corporate Branch at the affected location will remain temporarily closed until further notice. All services and transactions for customers will continue without disruption at any of its other branch locations.

In the meantime the undersigned may be contacted at the following address and numbers:
