Subject: **DISCLOSURE OF MATERIAL INFORMATION**

Dear Sir

In accordance with Section 96 and 131 of the Securities Act, 2015 and Regulations 5.6.1 of the Pakistan Stock Exchange Regulations, we hereby convey the following:

We take immense pleasure to announce that Beco Steel Limited (the Company) has executed an agreement with a renewable energy solutions provider for the installation of a 2-megawatt (MW) solar power generation system.

The system will be installed at the Company's plant premises located in Badami Bagh, Lahore. The total capital expenditure for this project is estimated at approximately PKR 121 million.

This strategic investment in green energy is projected to generate annual savings of approximately PKR 129.65 million on the Company's energy costs. The initiative will not only significantly reduce the Company's cost of production and enhance operational efficiency but will also contribute positively to environmental sustainability by reducing its carbon footprint.

This step is a key component of the Company's long-term strategy to promote sustainable operations and maximize shareholder value.

You are requested to disseminate above information to TREC holders of the Exchange accordingly.  
Thank you and best regards
