Dear Sir

We would inform you that a fire broke out in the main production area on Wednesday the 23rd January, 2008. This caused severe damage to the entire production area including plant and machinery, raw material storage area and finished goods warehouse alongwith record room.

It was surely devastating time for us but we managed to pull out of it due to the support and encouragement from all Government authorities. We have also taken immediate steps to fulfill the requirements of all our valued customers by converting our Lahore Plant from single to three shifts production immediately.

Insha Allah we will very soon get all the colours back in the lives of our stakeholders, staff, associates and customers.

Kindly circulate this information to the members.

Yours truly,

Khurram Nagori
Company Secretary
