DIRECTORS' REVIEW

The Directors of the Company are pleased to present their review along with the interim financial statements of the Company for the quarter ending on September 30, 2024.

Operational Results

This year commenced with a positive momentum; however, uncertainty persisted within the country, compounded by government-imposed controls on the depreciation of the Pakistani Rupee and efforts to expand the tax base. Despite these initiatives, the overall financial performance of key industries, including Construction, Steel, and Cement, has not improved compared to the previous year, largely due to substantial taxes on property transactions and ongoing political instability.

Despite the prevailing condition of the country, The Company has been able to achieve net sales for the quarter at Rs. 2,117 million as compared to Rs. 2,070 million in the same quarter of last year. However, gross profit increased by 20% mainly because of better product mix and vigilant cost control initiatives.

Selling and Administrative expenditure were at Rs. 287 million compared to Rs.252 million of the same period last year after adjusting inflationary increase in expenses, while marketing activities were carried out in line with marketing plan.

The above factors supported the Company in achieving profit before tax of Rs. 124 million. However, due to provision for super tax in addition to the normal tax for the current year, the profit after tax for the quarter ended registered at Rs. 77 million.

Future Outlook

In the upcoming year, the financial landscape is improving due to increased inflows from multilateral and bilateral partners. Easing import restrictions and strong agricultural performance are expected to boost the industrial sector, nevertheless, the company is cautiously optimistic about continuing the business trend in the remaining part of the year through better marketing by winning customer confidence, improved capacity utilization and better supply chain & treasury management to keep costs optimization.

The Directors take this opportunity to thank our shareholders, our stakeholders and valued customers for their continued trust. Your Company appreciates the dedication demonstrated by all team members of the Company

On behalf of the Board
