**SUBJECT: COMPLIANCE DEADLINE**

Dear Sir,

Reference to the subject mentioned above and your letter No. PSX/Gen-3354 and Notice No. PSX/N-931 dated July 30, 2019 advising us to submit the monthly progress report to the Exchange regarding resumption of business operations in principal line of business / commercial production.

We would like to submit that SECP has approved our request for alteration in the Memorandum and Articles of Association of the Company to include the current source of revenue under principal line of business. The certified true copy of Memorandum and Articles of Association is attached herewith.

Based on the above, we would like to submit that we have rectified the default of Clause 5.11.1 (b) within the stipulated time by including the current source of revenue under principal line of business since the factory has been rented out upon shareholders' approval and it's generating revenue to meet the day to day expenses and to pay off the creditors.

Therefore, you are kindly requested that the name of our company please be removed from the Defaulters' Segment of the Exchange and shares in the name of Sponsors, Directors and Senior Management be allowed for trading which are currently freeze. Accordingly, the trading in shares of the Company may please not be suspended neither further actions under subsequent provisions of Clause 5.11.2 of PSX Regulations be taken please.

Thanking you for your kind understanding and usual cooperation and we look forward to receiving your kind and prompt action for removing the name of our company from the Defaulters' Segment.

Thanking you.
