Dear Sirs,

As per the requirement of clause 5.19.13(c) of PSX Regulations we advise you that there was a fire at the Kotri factory, causing damage to small portion of one section of the plant. Fire was spotted immediately and required steps were taken. The situation was under complete control within an hour of the incident.

An immediate assessment was carried out by the factory management on the basis of which it has been concluded that this incident will not have any serious impact on the production. The fixed assets and stocks were fully insured therefore the management expects a minimal amount of financial loss on this account.

Yours faithfully,
