Dear Sir,

Sub: MATERIAL INFORMATION

We wish to inform you that Sui Northern Gas Pipelines Limited, vide their letter No: GMS: 119 dated 4th July 2011, informed that due to reduction of supplies from different fields, they are facing huge gap between demand and supply resulting in extremely low Transmission Pack endangering their transmission system and requested us to stop consuming gas immediately. About restoration of gas supply, the letter of SNGPL stated that "as soon as the situation improves we shall revert to you".

Our Plant was accordingly stopped in the early hours of 5th July 2011 and we were expecting the restoration of gas within a couple of days. However, the gas supply to our Plant stands suspended to-date.

We will inform you as and when the supply of gas is restored.

With regards,

For Dawood Hercules Chemicals Limited

Aftab Ahmed Qaiser
Company Secretary
