Dear Sirs,

Subject: **MATERIAL INFORMATION**

In continuation of the Company announcement made on 4<sup>th</sup> October 2012 with respect to the restoration of gas supply to DH Fertilizers Limited (DHFL), a wholly owned subsidiary of Dawood Hercules Corporation Limited, we wish to inform you that Sui Northern Gas Pipelines Limited (SNGPL) has advised DHFL that due to drop in the gas pressure of about 70-80 mmcf/d from their Qadirpur gas field, they are unable to provide further gas to DHFL. SNGPL further, informed that since the said problem is not likely to be fixed quickly, plant activities are to be shut down immediately.

As required under the material information regulation, kindly note that the DHFL plant was shut down on 9<sup>th</sup> October 2012 under the advice of SNGPL. Please inform the members of the Exchange.

Yours sincerely,  
For Dawood Hercules Corporation Limited
