NIC Building, Jinnah Avenue, Blue Area,  
Islamabad.

Reference: **Circulating Fake Letter & Rumors in the social media**

Dear Sir,

We would like to inform you that recently fake letters & rumors are circulating in Stock Exchange through social media resulting the PSX market to move up or down drastically depending upon the rumors, resulting in huge turnover of volume of shares. This is the major reason of movement in the shares price either way.

We would like to put this information on record.

Best Regards.
