MATERIAL INFORMATION

Dear Sirs

Under the material information disclosure requirements of the Listing Rules, we have to inform you that from newspaper reports, it appears that the ECC of the cabinet has approved the continued usage, till December 2015, by Engro Fertilizer of the 60mmccfd of gas being supplied from Mari Gas. This will enable to company to operate both plants for the coming year as well. This decision was also facilitated by the company offering to install, at its cost, booster compressors at Guddu thermal power station.

Very truly yours,

For FAIZ CHAPRA
Company Secretary
