MATERIAL INFORMATION

Dear Sir,

As required by the material information disclosure provisions of the Listing Rules, we would like to inform the Exchanges that Engro Fertilizers Limited, a 100% owned subsidiary of Engro Corporation Limited, has filed a case in the Honorable High Court of Sindh, against the suspension and curtailment of its gas supplies. The Ministry of Petroleum and Natural Resources, the Ministry of Industries, alongwith SNGPL have been made Respondents. The Honorable High Court has passed an Order that, inter alia, says that the supply to gas to the Petitioner (Engro Fertilizers Limited) should not be disconnected.

This is to further inform you that the gas supply which had been disconnected earlier had been restored on April 20, 2011 and the new fertilizer plant of Engro Fertilizers Limited is now producing urea.

This is for the information of the Stock Exchanges.

Very truly yours,

ANDALIB ALAVI
