MATERIAL INFORMATION

Dear Sirs,

As required by the material information disclosure provisions of the Listing Rules, and with reference to our earlier letter of May 19, 2011, copy enclosed, we would like to inform the Exchanges that SNGPL has resumed gas supply to the new fertilizer plant of our 100% owned Subsidiary, Engro Fertilizers Limited. Presently 55 million cubic feet of gas per day (MMSCFD) is being supplied against a contracted quantity of 100 MMSCFD.

Yesterday the Honorable High Court of Sindh in the Petition filed by Engro Fertilizers Limited has ordered that the "Petitioner be supplied between 80-100 MMSCFD till further orders." It is therefore expected that the gas supply to the Petitioner's plant will be increased to atleast 80 MMSCFD soon.

Very truly yours,

ANDALIB ALAVI
Vice President - Legal
& Company Secretary

Encl: as above.
