**MATERIAL INFORMATION**

Dear Sir,

As required by the material information disclosure provisions of the Listing Rules, we would like to inform the Stock Exchanges that our 100% subsidiary, Engro Fertilizers Limited, has declared achievement of "Commercial Operations Date" effective today i.e. June 24, 2011, of its new fertilizer plant, capable of producing 1.3 million tonnes of urea per annum. The plant has been satisfactorily producing on-spec urea at expected production levels considering the gas curtailment currently underway.

A briefing for the Members of the Stock Exchange has been arranged at 3:15 p.m. today, at our offices.

Very truly yours,

for **ANDALIB ALAVI**
