MATERIAL INFORMATION

Dear Sirs

Under the material information disclosure requirements of the Listing Rules, we have to inform you that the new fertilizer plant of our 100% owned subsidiary, Engro Fertilizer Limited, has been shut down late Friday night, after SNGPL informed the Company that as a consequence of curtailed supply from some gas fields and in order to manage the demand and supply position, they are discontinuing gas supply to the plant. SNGPL has said that they shall endeavour to resume the gas supply as soon as the position improves.

Very truly yours,

FOR ANDALIB ALAVI
