MATERIAL INFORMATION

Dear Sirs,

As required under the material information disclosure provisions of the Listing Rules, we would like to inform you that yesterday SNGPL disconnected the gas supply to the new fertilizer plant of our 100% owned subsidiary, Engro Fertilizers Limited.

We have been assured that SNGPL remains committed to the rotational supply of gas between the four fertilizer plants on their network and consequently Engro's plant (alongwith one other) will be provided gas first once it is restored to the fertilizer industry as our 30 days supply was not completed – please refer to our earlier letter dated June 8, 2012, copy attached.

Very truly yours,

ANDALIB ALAVI
Vice President – Legal
& Company Secretary
