Dear Sir,

We refer to our last letter to the Stock Exchanges dated June 18, 2012 (copy attached). As you know the gas curtailment and load shedding is an on-going issue in Pakistan and affecting many different industries. Consequently, we feel there is no benefit in constantly informing the Stock Exchanges about the curtailment/resumption of gas supplies on a regular basis.

We shall however of course inform the Stock Exchanges if any matter of a more permanent or serious nature occurs

Very truly yours,

ANDALIB ALAVI
Vice President - Legal
& Company Secretary
