MATERIAL INFORMATION

Dear Sirs,

As required under the material information disclosure provisions of the Listing Rules, we would like to inform you as follows:

SNGPL has provided Engro Fertilizers Limited (EFert) the 100% owned subsidiary of Engro Corporation Limited, with extra gas from yesterday evening as part of its "rota" allocation. In combination with some other gas available to EFert, it will be able to operate both its plants at reduced loads. We expect the rota allocation for EFert to last for around one month. Like last year, as this will be an "on/off" scenario, we do not intend to inform the Exchanges each time this happens.

Very truly yours,

ANDALIB ALAVI
Vice President – Legal
& Company Secretary
