**(NON-DISCLOSURE OF MATERIAL INFORMATION)**

Dear Sir,

Reference your letter no. KSE/C-297-333 dated January 17, 2014. As you will see from our notice of January 17, 2014, we have not yet been provided with official confirmation exactly what has been approved by the ECC. Once this has been provided we would notify the Exchanges accordingly. However, our understanding is that the 70 cents would be applicable on gas supplies being made presently and not from 2015, upon execution of the required documentation.

Very truly yours,
