MATERIAL INFORMATION

Dear Sirs:

As required under the material information disclosure provisions of the Listing Rules, we are informing you about a recent amendment in SRO 565 of 2006 by FBR. The amendments came into immediate effect June 26, 2014 imposing duty on import of primary raw materials. Earlier under the same SRO zero rated duty was applicable on these products. This rise in duty is expected to increase the burden on our cost structure and cash flows. However, the matter is being pursued with relevant Government authorities, and we will update the Exchanges as required.

Very truly yours

MUNEEZA IFTIKHAR
Company Secretary
