**INTERIM CONDENSED FINANCIAL STATEMENTS
FOR THE HALF YEAR ENDED DECEMBER 31, 2007.**

Dear Sir,

This has reference to the captioned subject. Upon subsequent scrutiny, we have noted that due to a typographical printing error the subtotal of the non-current assets, for current and comparative period has been erroneously printed as Rs. 113,660,948/- as at December 31, 2007 and Rs. 103,852,384/- as at June 30, 2007 instead of 294,122,369 and Rs. 277,708,038/- respectively. However, the individual figures of the non-current assets including all other figures as well as the over all footing of the balance sheet had been printed correctly and there is no impact of the same on the profitability and results of the Company for the above period.

In view of the above we have again enclosed 300 copies of the said financial statements for distribution amongst your members.

Thanking you,

Islam Ahmed Khan
Company Secretary
