Dear Sir(s),

MATERIAL INFORMATION

In accordance with the Section-15(D) of the Securities and Exchange Ordinance, 1969 and the clause-(xx) of the Listing Regulation-35 of Karachi Stock Exchange and clause-(xxiii) of Listing Regulation-35 of Lahore Stock Exchange & Islamabad Stock Exchange under the Code of Corporate Governance, we are pleased to convey the following information:

"On behalf of our principals, Gilead Sciences Inc., USA, we are pleased to announce that in order to further expand access to treatment for Hepatitis C and ensure that the maximum number of eligible patients can benefit from its availability in Pakistan, we have informed the Drug Regulatory Authority of Pakistan that we are voluntarily reducing the Maximum Retail Price (MRP) of Sovaldi Tablets (Sofosbuvir 400 mg) from Rs. 55,000 per bottle of 28 tablets to Rs. 38,000 per bottle. In order to ensure that patients receive the maximum benefit from the price reduction, we will be supplying direct to patients at the Trade Price, i.e. Rs. 32,300 per monthly dose of Sovaldi.

The revised price is applicable with effect from today, March 5, 2015. Subsequent to the recent registration of Sovaldi, we are making best efforts to make the drug available to all eligible patients at the earliest, and are hopeful that this additional price benefit will allow for many more patients to benefit from the treatment."

You may circulate this material information to your members accordingly.

Yours Sincerely,

Syed Ghausuddin Saif
Company Secretary
