1.2 If the Acquirer is an Individual

Not Applicable	
2. DETAILS OF PUBLIC OFFER	
a) The names, dates and editions of the newspapers where the public announcement of intention was published	The Nation and Nawa-e-Waqt on 12 September 2024
b) The number and percentage of shares proposed to be acquired by the Acquirer(s) from the shareholders through agreement, if any, the offer price per share and the mode of payment of consideration for the shares to be acquired	Not Applicable
c) Reasons for acquiring shares or control of the Target company	Target's Urea Plant with an annual production capacity of 433 thousand tones represents 7% of the total installed capacity of the Country. The Plant, based on Japanese technology, was commissioned in 1999 and is relatively the newest urea plant of the Country. The Plant has been operated at sub-optimal level due to gas outfall during more than the past decade and therefore the Target is in financial distress. Single Super Phosphate (SSP) is also produced by the Target, with SSP plant being operated nearly at full capacity. SSP is perceived, by the small farmers, as cheaper substitute of the DAP. It is believed that the Target has strong potential to revive. With a strong financial footing and proven operational expertise, the Acquirer intends to endeavor operational turnaround of the Plant resulting in optimum production levels, increased production of the Target's urea plant is anticipated to arise due to the additional urea demand expected to enter due to the Green Initiative launched by the Government of Pakistan through SIFC, alleviating urea imports and thus contributing towards saving of scarce foreign exchange reserves and long-term food security of the Country. The Acquirer also intends to evaluate opportunities and explore available options for the upgrade of the urea plant, so as to enable it to produce at full capacity. The Acquirer also intends to (through the Board of the Target) to take effective steps to streamline operations and management, facilitate the restructuring of debts with lenders so that the Target company may meet its obligations and commitments. The Acquirer intends to take all necessary steps under the law, to safeguard shareholders' interest and increase profitability of the Target Company. The Target Company will continue being listed post-acquisition.
d) Details regarding future plan for the Target Company, including whether after acquisition the Target Company would continue as a listed company or not	The Acquirer also intends to evaluate opportunities and explore available options for the upgrade of the urea plant, so as to enable it to produce at full capacity. The Acquirer also intends to (through the Board of the Target) to take effective steps to streamline operations and management, facilitate the restructuring of debts with lenders so that the Target company may meet its obligations and commitments. The Acquirer intends to take all necessary steps under the law, to safeguard shareholders' interest and increase profitability of the Target Company. The Target Company will continue being listed post-acquisition.
e) In case of conditional offer, specify the minimum level of acceptance (i.e. number and percentage of shares)	Not Applicable
f) In case there is any agreement with the present management, promoters or existing shareholders of the target company, any overview of the important features of the agreement(s) including acquisition price per share, number and percentage of shares to be acquired under the agreement(s), name of the Seller(s), date of agreement, manner of payment of consideration, additional important information, if any	Not applicable.
g) Number of shares already held by Acquirer along with the date(s) of acquisition. Also state whether it was purchased through open market or acquired through negotiated deal	1. FFC holds 11,620,000 ordinary shares of AGL. These purchases were made through open market in September 2024. 2. FFC acquired 106,014,632 ordinary shares of AGL from NBP on 15 October 2024 and 4,806,461 ordinary shares of AGL from BOP 18 October 2024. In each case, through regulated share purchase / Negotiated Market Deal (NDM).
h) Minimum level of acceptance if any	Not Applicable

3. OFFER PRICE AND FINANCIAL ARRANGEMENTS

3.1 Justification for the Offer Price

a) Disclosure about the form of consideration for the shares to be acquired through the Public Offer	Bank Transfer / Cheque / Pay-order
b) Disclosure of the total amount of consideration to be paid for the shares to be tendered during the Public Offer (assuming full acceptance)	It is estimated that the total payment will be PKR 5,866,960,185/- against the Public Offer of 151,052,013 ordinary shares at a price of PKR 38.84 per share.
c) Whether the shares of the Target company are frequently traded or infrequently traded in the light of criteria prescribed in Regulation 13 of the Regulations	Frequently traded shares as per the Regulations
d) Justification for the offer price for the shares of the target company in light of criteria contained in Regulation 13 of the Regulations	Since the shares of the Target Company are frequently traded as per the Regulations, the price to be offered to the Public should be higher amongst the following price: 1. The negotiated weighted average price under the share purchase agreement for the acquisition of voting shares of the Target Company: PKR 37.32 per share paid under the agreements through NDM (mentioned in part 2(g) above) 2. The highest price paid by the Acquirer for acquiring the voting shares of the Target Company during the 180 days preceding the date of public announcement of offer: PKR 38.84 per share 3. The weighted average share price of target company on the securities exchange during the 180 days preceding the date of public announcement of public offer: PKR 27.08 per share 4. The weighted average share price of target company on the securities exchange during 25 trading days preceding the date of public announcement of intention and only those days shall be taken into account on which the shares of the target company have been traded: PKR 29.90 per share The highest price among the above options is approximately PKR 38.84 per ordinary share at which the shares are being offered to be purchased from the general public through this Public Offer
