

**Feroze1888 Mills Limited
has been selected in the Annual Forbes Asia 200
Best Under A Billion Companies list**

Dear Market Participants/Investors., Assalam-o-Alaikum

Alhamdulillah, it is indeed with immense pleasure that I share - Feroze1888 Mills Limited has been selected in the Annual Forbes Asia 200 Best Under A Billion Companies list. The Virtual Forum and Awards Ceremony was held on November 23, 2020 to celebrate the occasion.

The annual Forbes Asia Best Under A Billion list spotlights top performing publicly listed companies in the Asia-Pacific region with sales under \$1 billion. The selection is based on a composite score that incorporated the overall track record in measures such as debt, sales and earnings growth over both the most recent fiscal one- and three-year periods, and the strongest one- and five-year average returns on equity. The criteria also ensured a geographic diversity of companies from across the region.

The award truly reflects the sheer dedication of all the employees, support of all the business partners and trust of our shareholders that they have put in the Company.

This recognition is very special because it makes our Country proud and live up to our Brand Purpose of "Weaving a Better World, a Better Pakistan".
