Mr Haroon Askari

General Manager Operations  
Karachi Stock Exchange (G) Ltd  
Stock Exchange Building/Road  
Karachi.

Dear Sir,

**Subject: Placement of Company on the Non-Compliant Segment of the  
Exchange on account of Default of the Listing Regulation**

We are in receipt of the letter No.KSE/Gen-4621, Dated July 01, 2010 on the subject  
Captioned above.

It is submitted that the undersigned appeared on the hearing on May 04, 2009 and  
described the state of affairs of the Company at length and requested for extension of  
time for announcing dividends to the shareholders till June 30, 2010.

The Exchange acceded to our request and granted us the extension of time for declaring  
Dividends to the shareholders as per the requirements of the Company Law 1984. Despite  
the serious efforts on the part of management to start production at our mills, we are  
unable to do so because of high rates of mark-up offered by the banks and the overall  
socio-political situation of the country. Adding further, the management remained  
involved in litigation with the sponsoring banks. However, the management is fully  
committed towards its valued shareholders who remained with us and fully supported us  
in this critical time.

Keeping in view the facts narrated above, we hereby request you to grant us the extension  
till June 30, 2011 and oblige.

Thanks and regards

Yours truly,  
for **FAWAD TEXTILE MILLS LIMITED**
