Dear Sir(s),

Rumors on Getting License for Production of Tractors

It has come to our knowledge through the query by a number of persons/investors with different names that a rumor is circulating in the market that the company is about to get the license for producing tractors.

We hereby clarify that Ghani Automobile Industries Limited, being the listed company would disclose any material/price sensitive information if and when required. However, the rumors regarding getting license for producing tractors are misleading and baseless.

The Company is assembling two wheelers and three wheelers only.

Yours Sincerely,

Hafiz Mohammad Imran Sabir
Company Secretary
