**Subject: DISCLOSURE OF MATERIAL INFORMATION**

Dear Sir,

As required under regulation 5.19.13 of the Listing Regulation and the Securities Act 2015, we are pleased to inform you that after arrival of partial shipments from Europe and China the Company (Ghani Global Glass Limited) has successfully installed, commissioned and now commenced the commercial operation of its Vials and Ampoules manufacturing plant (value addition project) under the supervision of European experts. Productions of glass ampoules and vials by the company are from its own glass tubing. The company has installed world renowned "OCMI" and "SPAMI" ampoules and vials manufacturing machinery. Alhamdulillah sales of glass vials and ampoules has been commenced after approval of product quality by pharmaceutical companies.

Balance shipments (of plant and machinery) from Europe are expected to arrive during the months of January to May 2017 in accordance with the terms of letter of credits. On installation of these machineries the productions of these sections will further increase in the months to come.

You are requested to disseminate the above information to the members of TRE certificate holders.

Truly yours  
For Ghani Global Glass Limited
