Subject: Progress Report

Dear Sir,

we would like to inform the PSX that the Company has struggled hard to get out pf multiple complicated issues including law and order situation mentioned in previous correspondences. Fortunately many serious issues have been resolved and now Company is making positive progress which includes payment of outstanding liabilities and restructuring of business as well. We are pleased to inform you that the Company has started business/investment activity last year and hopefully results will follow soon. The Auditors disclaimer is based upon non availability of certain records, now most of the concerned information is available and hopefully the opinion will be different in next annual report. Company's legal advisor is following up the appeal at SECP to set aside the winding up order so the company can opt for CDC.

Yours Sincerely,
