Subject: Progress Report

Dear Sir,

This is to update the present status of the Company regarding revival of business. Since the Honourable Commission has graciously set aside the winding up order, the Company is now in process of getting the necessary amendment done in its memorandum for starting a new line of business, already submitted to SECP in brief. Management has recovered many necessary records required by the Auditors of the Company in absence of which they have been giving disclaimer in the annual reports. Hopefully this issue will be resolved as well. Finally, the Company will be able to join CDC and become regular in all respects again. Thanks and regards

Yours Sincerely,
