Dear Sirs,

Re: Material Information- Successful Commission of Machike Installation, District Sheikhpura

We are pleased to inform that our Machike Installation has been fully completed and a formal inauguration ceremony will be held on 7th June 2014. The Honorable Minister of State for Petroleum and Natural Resources, Mr. Jam Kamal Khan will be the chief guest of the ceremony. The installation has been constructed on approximately 5.9 acres and is designed to cater 6000 metric tons of high speed diesel and 1000 metric tons of motor gasoline. As you are aware that one of our main objective of the IPO was to raise funds to complete our Machike Installation, the same has been completed in a record time.

The commissioning of our Machike Installation will improve our supply chain management in central Punjab and will lead to increase in the Company's sales of diesel and gasoline.

Yours truly,
