Dear Sir,

Unit No. 4 Scheduled Maintenance Outage

This is to inform you that Unit No. 4 was on a scheduled maintenance outage for its first major overhaul for 79 days from October 12, 2007. During inspection certain extra rehabilitation works need to be undertaken for which additional spares have been resourced on an urgent basis. This will result in the Company availing the allowances permissible under our Power Purchase Agreement and we do not envisage any financial penalties on the Company. It is expected that this Unit will return to service in March 2008.

Kindly inform your members accordingly.

Kind regards

Arshad A. Hashmi
Company Secretary
