- The Government of Pakistan through Finance Act 2015 has made certain amendments in Section 150 of the Income Tax Ordinance 2001 whereby different rates are prescribed for deduction of withholding tax on the amount of dividend paid by the companies. These rates are as under:

(a) For filers of income tax returns	12.5%
(b) For non-filers of income tax returns	17.5%

 To enable the Company to make tax deductions on the amount of cash dividend @ 12.5% instead of 17.5% all the shareholders whose names are not entered into the Active Tax-Payers List (ATL) provided on the website of FBR, despite the fact that they are filers, are advised to make sure that their names are entered into the ATL before the book closure of the Company, otherwise tax on their cash dividend will be deducted @ 17.5% instead of 12.5%.

For shareholders holding their shares jointly as per the clarification issued by the Federal Board of Revenue, withholding tax will be determined separately on "Filer / Non-Filer" status of the Principal shareholder as well as joint-holder(s) based on their shareholding proportions. Therefore, all shareholders who hold shares jointly are required to provide shareholding proportions of the principal shareholder and joint-holder(s) in respect of shares held by them to the Share Registrar, in writing as follows:

Company Name	Folio/ CDC Account No.	Total Shares	Principal Shareholder		Joint Shareholder
