Dear Sirs,

MATERIAL INFORMATION

In accordance with Clause (xx) of the Listing Regulation No. 35 under the Code of Corporate Governance, we are pleased to announce that by the grace of Almighty Allah and with the dedicated efforts of the company, **JDW Group's Second High-Pressure, Bagasse Based Cogeneration Plant of 26.8 MW** at JDW Sugar Mills Unit-III, Ghotki (Sindh), has been successfully commissioned today and is supplying affordable and renewable electricity to the National Grid.

Our other 26.6 MW plant at JDW Unit-II, Sadiqabad (Punjab), was previously commissioned in June 2014 and has been continuously supplying electricity since then.

The two new power plants with total capacity of approximately 53 MW are pioneering projects based on indigenous and environmentally friendly bagasse as fuel. They will Insha'Allah serve as major catalysts in realization of the sugar industry's 2,500 MW potential.

Thanking you,

Yours faithfully,

For & on behalf of:

JDW Sugar Mills Limited

Muhammad Rafique
(Company Secretary)
