SUBJECT : IMPLEMENTATION OF NEW CORE BUSINESS SYSTEM

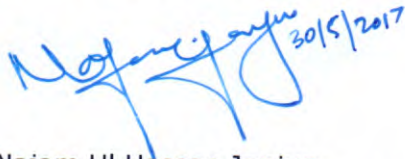

Dear Sir,

Commencing the 05th of June 2017 (Monday) Jubilee Life Insurance Company Limited is implementing a new business application for its individual life insurance operations. The entire core data of policyholders, claimants, policies, transactions etc. will be transferred from the legacy application to the new system. Thereafter, future operations on policies will be performed in the new application.

During the course of this transformation, Company will put on hold all its operations for Individual Life Business. Hence, effective the 05th of June 2017 (Monday) till the 09th of June 2017 (Friday) no data / transactions, pertaining to Individual Life Business, will be entered in the System. Furthermore, there would be limited access to Customer Portals at our Website during this phase.

Fund Unit pricing for Individual Life Business too will not be performed during this period. After going live with the new application, all pending transactions will be processed in the new system on the unit prices of next business day.

In case of any change in the implementation plan or alteration in time lines, the Pakistan Stock Exchange will be informed accordingly.
