Karachi

Subject: **Material Information**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

KE has awarded EPC Contract for the construction of 500/220 kV Grid at KANUPP - K-Electric Interconnection (KKI) to Siemens (Pakistan) Engineering Company Limited. The estimated value of the EPC Contract is around USD 84 Million. Completion of this project will enable KE to import additional power of up to 800 MW from National Grid from Summer 2024.

Yours Sincerely,
