Subject: **Material Information**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

We hereby inform that the first unit of K-Electric's Bin Qasim Power Station 3 (BQPS-III) is currently offline following a fault identified during a test being conducted as part of the plant's commissioning. While the plant is still under Test Run, the team of global experts has been tasked to resolve this on priority. There will be no financial implications on the Company pertaining to the repair of this fault as the plant is still under commissioning and under Project Contractors' control. The power demand of the city is also being managed via alternate means.

Yours Sincerely,
