(iv) REASON FOR NOT BEING HOLD TO AGM

The Company is under heavy losses for the last three years. This forced the management to take austerity measures on war footing basis (including large scale downsizing of staff). Due to this, finalization of audit of accounts is not possible within required timeline. As a result thereof, AGM is not possible to be conducted within the prescribed time period.

Under the circumstances you are requested to please allow extension to hold company's annual general meeting by November 27, 2017.
