## ***SUB: MATERIAL INFORMATION***

Dear Sir,

In connection with the Listing Regulation and Code of Corporate Governance, we are pleased to convey the following information:

The Board of Directors of the Company in their meeting held today reviewed and discussed the Tariff awarded by NEPRA for revised fuel conversion petitions of Lalpir Power Limited. The petition was filed in April 2015 in response to NEPRA's original order issued in March 2015.

On certain key parameters, the award did not accord completely with our assertions in the revised petition. Nevertheless, the company has decided to proceed with the project for its strategic importance for company future. In the interest of time, the Board has decided not to approach NEPRA with a fresh petition and authorized the Chief Executive to engage technical and financial advisors and prepare an execution plan.

The management is also in touch with potential EPC contractors to re-affirm if the objectives of conversion can still be achieved within the parameters defined by NEPRA.

Disclosure form in terms of Section 15-D of the Securities and Exchange Ordinance, 1969, is attached for information and circulation amongst the TRE Certificate Holders of the Exchange.

Thanking you,

Yours truly,

  
**KHALID MAHMOOD CHOCHAN**
