Dear Sir(s),

Material Information related to the Business

We are pleased to inform that the Management of Lucky Cement Limited has entered a Memorandum of Understanding (MoU) with M/s Oracle Coal Fields PLC, the UK developer of 1.4 billion tons coal deposits in Pakistan, for the supply of indigenous coal for its cement plants. The coal will be mined by Sindh Carbon Energy Limited, a subsidiary company of Oracle Coal Field, who has been granted exploration license by the Director General Mines & Minerals Department, Government of Sindh at Block-4, Thar Coal Field, District Tharparkar, Sindh.

The signing of this MoU will not only encourage the exploration and mining of indigenous coal available in abundance at Thar Coal Field but will also reduce the import of coal and foreign exchange savings for the country.

This is for the information and circulation to the members of the exchange(s).

Yours truly,
For: **LUCKY CEMENT LIMITED**
