## REPORT OF THE FUND MANAGER Meezan Cash Fund (MCF)

### Type of Fund

Open end cash fund investing primarily in Shariah compliant money market and Islamic bonds (Sukuks).

### Objective

Its objective is to seek maximum possible preservation of capital and a reasonable rate of return via investing primarily in liquid Shariah compliant money market & debt securities.

### Investment Policy and Strategy

The fund provides investors with the opportunity to park their excess liquidity in secure high quality instruments. To minimize the impact of interest rate volatility, the investment policy limits the investment avenues to short term tenors. As per its investment policy, MCF can invest or place funds in instruments/avenues with a credit rating of at least 'Double A' (AA). Moreover, the investment policy limits interest rate risk by capping the maturity of instruments up to a maximum of six months, along with maximum portfolio weighted average time to maturity of three months.

### Performance Review

Meezan Cash Fund (MCF) provided a positive return of 21.22% to its investors for the year ended June 30, 2024 as compared to its Six Month deposits at Islamic Banks (benchmark) return of 10.28%.

	MCF	Six Month deposits at Islamic Banks (Benchmark)

Net Asset Value as on June 30, 2024	51.28	
Return During the Period - Net	21.22%	10.28%
Outperformance - Net	10.94%	

**Benchmark: 3 Month average deposit rate of 3 AA rated Islamic Banks**

**Pure. Profit.**

The Fund earned a gross income of Rs. 8,403 million as compared to Rs. 3,443 million in last year, which was primarily due to profit on bank deposits, placements and Sukuks amounting to Rs. 8,402 million. The fund also incurred expenses totalling to Rs. 484 million, which brought the net income figure to Rs. 7,919 million. The net assets of the Fund as at June 30, 2024 were Rs. 71,892 million as compared to Rs. 25,882 million at the end of last year depicting an increase of 178%. The net asset value per unit as at June 30, 2024 was Rs. 51.2750 as compared to Rs. 51.0165 per unit as on June 30, 2023.

### **Distributions**

An interim distribution in the form of cash dividend by the Fund during the fiscal year ended June 30, 2024 was Rs. 10.54 per unit (21.08%). Total distribution made by the fund was Rs. 2,866 million.

## **Report of the Shariah Advisor –Meezan Cash Fund (MCF)**

July 23, 2024/Muharram 16, 1446 AH

**Alhamdulillah**, the period from July 1, 2023 to June 30, 2024 was the **Fifteenth** year of operations of **Meezan Cash Fund** (the “MCF” or the “Fund”) under management of Al Meezan Investment Management Limited (the “Al Meezan” or the “Management Company”). I, Dr. Muhammad Imran Ashraf Usmani, am the Shariah Advisor of the Fund and issuing the Shariah Advisor Report (the “Report”) in accordance with the Trust Deed of the Fund. The scope of the Report is to express an opinion on the Shariah compliance of the Fund’s activity.

It is the responsibility of the Management Company of the Fund to establish and maintain a system of internal controls to ensure Shariah compliance with the Shariah guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the Management Company’s personnel and review of various documents prepared by the Management Company to comply with the prescribed criteria.

We have reviewed and approved the modes of investments of the Fund in light of Shariah requirements. On the basis of information provided by the Management Company, all operations of the Fund for the year ended June 30, 2024 have been in compliance with the Shariah principles.

In light of the above, we hereby certify that all the provisions of the scheme and investments made on account of the Fund under management of Al Meezan are Shariah-compliant and in accordance with the criteria established by us.

We further confirm that earnings realized through prohibited sources were transferred to the charity account (where applicable).

May Allah bless us with the best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

And Allah knows the best.

**INDEPENDENT AUDITOR'S REPORT**

**To the Unit holders of Meezan Cash Fund**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of Meezan Cash Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

**Basis for Opinion**

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	<b>Net Asset Value</b> (Refer notes 5 and 6 to the financial statements)	
	Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2024 amounted to Rs. 18,942.30 million and balances with banks aggregated to Rs. 45,432.12 million.  The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: <ul style="list-style-type: none"><li>Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;</li><li>Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and</li><li>Obtained bank reconciliation statements and tested reconciling items on a sample basis.</li></ul>

15

### **Other Matter**

The financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 26, 2023.

### **Other Information**

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.

187

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Khattab Muhammad Akhi Baig**.

**MEEZAN CASH FUND**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2024**

**1 LEGAL STATUS AND NATURE OF BUSINESS**

1.1 Meezan Cash Fund (the Fund) was established under a Trust Deed executed under the Trust Act, 1882 between Al Meezan Investment Management Limited as the Management Company ("the Management Company") and the Central Depository Company of Pakistan Limited (CDC) as the Trustee. The trust deed was executed on May 14, 2009 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Management Company has been licensed by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.

In the year 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). The Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 9, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Fund has been formed to provide the unit holders with stable stream of halal income on their investments and to generate long term risk adjusted returns. The Fund shall also keep exposure in short-term instruments for the purpose of maintaining liquidity and to capitalise on exceptional returns if available at any given point in time. The Fund shall seek to maximise preservation of capital and a reasonable rate of return via investing primarily in liquid Shariah compliant money market and Shariah compliant debt securities. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah principles. Meezan Bank Limited acts as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.

1.3 The Fund is categorized as an open-end Shariah Compliant (Islamic) Money Market Scheme listed on the Pakistan Stock Exchange Limited. Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund.

1.4 The Management Company has been assigned a quality rating of AM1 by VIS Credit Rating Company Limited dated December 29, 2023 (2022: AM1 dated December 30, 2022) and by PACRA dated June 21, 2024 (2023: AM1 dated June 23, 2023). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes. The Fund has been given a stability rating of AA+(f) by VIS Credit Rating Company Limited dated December 29, 2023 (2023: AA+(f) dated January 3, 2023).

1.5 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

**2 BASIS OF PRESENTATION**

The transactions undertaken by the Fund are in conformity with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

**3 BASIS OF PREPARATION**

**3.1 Statement of compliance**

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

*AHEW*

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

### **3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year**

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and have, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

### **3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective**

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 is yet to be adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements.
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

### **3.4 Critical accounting estimates and judgments**

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.3 and 6).

### **3.5 Accounting convention**

These financial statements have been prepared under the historical cost convention except for investments classified as 'at fair value through profit or loss' which are measured at their respective fair values.

### **3.6 Functional and presentation currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

## **4 MATERIAL ACCOUNTING POLICY INFORMATION**

- ### **4.1**
- The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented unless otherwise stated.

## 4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

## 4.3 Financial assets

### 4.3.1 Classification and subsequent measurement

#### 4.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost;
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL) based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

#### 4.3.2 Impairment (other than debt securities)

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

#### 4.3.3 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has been placed on the Management Company's website as required under the SECP's circular.

#### 4.3.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

#### 4.3.5 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

#### 4.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

#### 4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

#### 4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

#### 4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

#### 4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

#### 4.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours of the day when the application is received. The offer price represents the net assets value of the units as of the close of that business day plus the allowable sales load, provision for duties and charges and provision for transaction costs, if applicable.

Units redeemed are recorded at the redemption price prevalent on the date on which the distributors receive redemption applications during business hours on that date. The redeemed price represents the net assets value per unit less back end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

#### 4.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

#### 4.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

#### 4.11 Revenue recognition

- Gains / (losses) arising on sale of investments are recorded at the date at which the transaction takes place;
- Profit on bank deposits and term deposit receipts is recognised on time proportion basis using the effective yield method;
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise; and
- Income on sukuk certificates, certificates of musharakah, term deposit receipts and government securities is recognised on a time proportionate basis using the effective yield method except for the securities which are classified as non-performing asset under Circular 33 of 2012 issued by SECP for which the profits are recorded on cash basis.

#### 4.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

#### 4.13 Taxation

##### Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

##### Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Provided that, for the purpose of determining distribution of at least 90% of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

#### 4.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net profit / loss of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

#### 4.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

The remuneration is payable to the Management Company monthly in arrears.

9.2 Sindh sales tax on remuneration of the Management Company levied through the Sindh Sales Tax Act on Services, 2011 has been charged at the rate of 13%. (2023: 13%).

9.3 The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) upto a maximum limit approved by the Board of Directors of the Management Company as part of annual plan.

Accordingly, the Management Company has charged selling and marketing expenses based on its discretion while keeping in view the overall return and the total expense ratio limit of the Fund as defined under the NBFC Regulations, 2008 at the following rates during the year ended June 30, 2024, subject to total expense charged being lower than actual expense incurred:

Rate applicable from July 01, 2023 to July 31, 2023	Rate applicable from August 1, 2023 to March 31, 2024	Rate applicable from April 1, 2024 to June 30, 2024	Rate applicable from July 1, 2022 to Mar 31, 2023	Rate applicable from April 1, 2023 to May 31, 2023	Rate applicable from June 1, 2023 to June 30, 2023

9.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

The Management Company, based on its own discretion, has charged such expenses at the following rates during the year ended June 30, 2024 subject to the total expense charged being lower than actual expense incurred.

Rate applicable from July 01, 2023 to January 31, 2024	Rate applicable from February 1 2024 to June 30, 2024	Rate applicable from July 1 2022 to June 30, 2023
0.15% per annum of the average annual net assets of the Fund	0% per annum of the average annual net assets of the Fund	0.15% per annum of the average annual net assets of the Fund

9.5 During the year, SECP carried out routine offsite review and onsite inspection of the Management Company and inspected, among other matters, the mechanism of chargeability of selling and marketing expenses to the funds under its management. As a result of this inspection, SECP recommended changes in the mechanism of chargeability of selling and marketing expenses to the fund. As agreed with SECP, the Management Company has refunded an aggregate amount of Rs. 17.67 million to the identified unit holders through the issuance of additional units of the Fund subsequent to the year end. There is no impact of this refund on Net Assets Value of the Fund as at June 30, 2024.

11.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay non-refundable fee to the Securities and Exchange Commission of Pakistan (SECP). Accordingly, the Fund has charged SECP fee at the rate of 0.075% (2023: 0.02%) per annum of the daily net assets during the period.

Further, the Fund is required to pay SECP fee within fifteen days of the close of every calendar month. Previously, the Fund was required to pay SECP fee within three months of the close of accounting year.

		<u>809,008</u>	<u>79,523</u>

12.1 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Honorable High Court of Sindh (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 27.018 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been made, the Net Asset Value of the Fund as at June 30, 2024 would have been higher by Re 0.02 (2023: Re 0.05) per unit.

### 15 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 1.18% (2023: 1.11%) which includes 0.16% (2023: 0.08%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a Money Market scheme.

### 16 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2024 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

## 20 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The risk management policy of the Fund aims to maximise the return attributable to the unitholders and seeks to minimise potential adverse effects on the Fund's financial performance.

Risks of the Fund are being managed by the Fund manager in accordance with the approved policies of the Investment Committee which provides broad guidelines for management of risk pertaining to market risks (including price risk, interest rate risk and currency risk) credit risk and liquidity risk. Further, the overall exposure of the Fund complies with the NBFC Regulations, and the directives issued by the Securities and Exchange Commission of Pakistan (SECP).

Risks managed and measured by the Fund are explained below:

### 20.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: profit rate risk, currency risk and price risk.

#### (i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2024, the Fund is exposed to such risk on its balances held with banks and investments in certificate of musharaka, corporate sukuks, government securities and term deposit receipts. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

#### a) Sensitivity analysis for variable rate instruments

The Fund's profit rate risk arises from the balances in savings accounts and investments in corporate sukuks and government securities. At June 30, 2024, if there had been increase / decrease of 100 basis points in interest rates, with all other variables held constant, net assets of the Fund for the year then ended would have been higher / lower by Rs 535.44 million (2023: Rs 165.754 million).

The composition of the Fund's investment portfolio and KIBOR rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

----- 2024 -----

**(ii) Currency risk**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

**(iii) Price risk**

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

**20.2 Liquidity risk**

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemption requests during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

### 20.3 Credit risk

**20.3.1** Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arising on the debt instruments is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed.

Credit risk arising on the debt instruments other than government securities is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed. The Fund, however, also invests in unrated instruments based on internal ratings assigned by the Fund manager using an approach that is consistent with the approach used by the rating agencies. Credit risk arising on other financial assets is monitored through a regular analysis of financial position of brokers and other parties. In accordance with the risk management policy of the Fund, the investment manager monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets.

#### 20.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks and profit receivable thereon, corporate sukuks, certificates of musharakah and receivable against conversion of units and against investments. The credit rating profile of balances with banks is as follows:

**22 UNIT HOLDERS' FUND RISK MANAGEMENT**

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirements of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 20, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.
