Dear Sirs,

As per the requirement of para xx of the Listing regulations under the head of Code of Corporate Governance we advise you that there was a fire at the Company's factory premises causing damage of Gravure production hall, machines, stocks in hand, equipments and fittings. An immediate assessment was carried out by the factory management on the basis of which it has been concluded that the present and future production capacity and capability of offset business shall not be affected by this incident. However, gravure production in our own factory will be affected and future profitability will be dependent on our ability to mitigate of losses and arrange contract manufacturing during interim. As the fixed assets and stocks were fully insured the management expects a minimal amount of financial loss on this account.

Yours faithfully,
For **MERIT PACKAGING LIMITED**
