Subject: MATERIAL INFORMATION

Dear Sir,

Pursuant to requirement of Sections 96 and 131 of the Securities Act, 2015 and Clause 5.19.13(c) of the Rule Book of Pakistan Stock Exchange Limited, we are pleased to report that the Honorable, Lahore High Court, Lahore has passed the order to the effect that the Environmental Impact Assessment (EIA) filed by Maple Leaf Cement Factory Limited (the "Company") is deemed to have been approved and the order passed by the Environmental Protection Agency (EPA) to stop construction work at new line-3 of the Company, has been set aside.

However, it has been ordered that the Company maintains status quo until issuance of the report delineating negative and positive areas for cement plants is issued by the Punjab Government. The EPA has been directed to issue orders in light of the report considering that Company's EIA already stands approved within a fortnight of its release, expected by mid January 2018.

You may please inform the TRE Certificate Holders of the Exchange accordingly.

Yours faithfully,

For Maple Leaf Cement Factory Limited

(Muhammad Ashraf)
