<b><u>Female Directors</u></b>	Mrs. Sara Mehmood Mehkri Mrs. Saba Mehkari Farooqui Mrs. Uzma Mehmood Ali Mehkri Mrs. Sofia Zakaria

**OVERVIEW OF GLOBAL, LOCAL ECONOMIC AND FINANCIAL SCENERIO**

Financial year 2020 turned out as one of the most challenging year in the history of our company. Compounding the damage from covid-19 pandemic, the Russian invasion of Ukraine has magnified the slowdown in the global economy ,which is entering what could become a protracted period of feeble growth and elevated inflation, according to the world bank's latest Global Economic Prospects report. This raises the risk of stagflation, with potentially harmful consequences for middle-and low-income economies alike. Global growth is slump by 5.1 % in 2021 whereas during the current fiscal year it is reduced by 2.9% in 2022.The present government takes effective measures to overcome the halted situation. As a result Pakistan's economy witnessed positive signs during the ongoing fiscal year 2021-2022 as remittances grew upto 29.4 billion dollar (FY 2021:6,924 billion rupees) with a growth rate of 6%, foreign direct investment rose to 1867 million dollar (FY 2021: 1820 million dollar), tax collection

Increased interest rates due to rise in inflation and the rupee devaluation led to a downfall in sales and production activity of the company.

#### **OVERVIEW OF GLOBAL AND LOCAL STEEL INDUSTRY**

The rising trend in imported prices continued during the fiscal year as well. The china FOB price increased by 40%. Similar trend was observed in the USA and European markets. The market situation is badly effected from the rising trend of US Dollar which yield a shortage of dollar in the country. Imports as a share of total supply increased from 25% to 35% (value wise increases from Rs 109 billion last year to Rs 157 billion this year).

The automobile and foaming industry sector reflect and maintained positive momentum generating demand for all i.e. spoke wire, MS wire, spring wire, high carbon wire and MS products but there is single digit decline in demand from last year.

The depreciation of the Pakistani Rupee against the USD lead to an exorbitantly tremendous effect on the operating cost and also in virtually all input costs of doing business put a great pressure on the business activities in general, and steel in particular.

#### **PERFORMANCE OF METROPOLITAN STEEL CORPORATION LIMITED**

Alhamdulillah, the market remained receptive to your company. The sales increased significantly as compared to last year result in a net yield of Rs. 8.063 million. The top line increased is associated with the both rise in demand of our products that lead to increase in volume and price simultaneously. The capacity utilization during the current fiscal year is 7.21% while in the previous year 6.65% grew by approximately 0.56% high as compared to other industries that has gone through the growing phase. The gross revenue reflected as Rs.100,734 million (FY 2021: 92,671 million). The profit / (loss) before tax and after tax is (79.848) million, (79.880) million (FY 2021: PBT 1.071 million, 1.845 million ). Your company reported net loss of Rs. (79.880) million. The company expect that the next year would be the profitable and rewarding period for you.

A brief summary shows the financial results with the corresponding figures are as follows:

	Note	2022 ----- Rupees in '000' -----	2021
Sales – Net	25	100.734	92.671
Cost of sales	26	(118.384)	(81.167)
<b>Gross profit / (loss)</b>		<b>(17.650)</b>	<b>11.504</b>
Administrative expenses	27	(6.666)	(5.280)

Selling and distribution costs	28	(419)	(366)
			(5,646)
<b>Operating profit / (loss)</b>		<b>(7,085)</b>	<b>5,858</b>
Finance cost	29	(69)	(57)
Other charges	30	(81,184)	(7,589)
Other income	31	26,140	2,859
<b>Profit / (loss) before taxation</b>			1,072
Taxation	32	(32)	774
<b>Profit / (loss) after taxation</b>		<b>(79,880)</b>	1,846
<b>Other comprehensive income</b>			
<b>Items that will not be reclassified subsequently to statement of profit or loss</b>			
Revaluation surplus on property, plant and equipment - net		-	227,291
Deferred tax thereon - net		-	(4,924)
<b>Other comprehensive income for the year</b>			222,367
<b>Total comprehensive income / (loss) for the year</b>		<b>(79,880)</b>	<b>224,213</b>
<b>Earning / (loss) per share - basic and diluted</b>	33	<b>(2.58)</b>	<b>0.06</b>

The annexed notes from 1 to 45 form an integral part of these financial statements.

#### **CORPORATE GOVERNANCE AND FINANCIAL REPORTING FRAMEWORK**

The Board of Directors of your Company is dedicated towards maintaining high standards of good corporate governance. The Directors confirm compliance with the Corporate and Financial Reporting Framework of the Securities and Exchange Commission of Pakistan and the Code of Corporate Governance for the following matters:

- The financial statements, prepared by the management of the Company, fairly present its state of affairs, the results of its operations, cash flows and changes in equity.
- Proper books of accounts have been maintained by the Company.
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgments.

- International Financial Reporting Standards, as applicable in Pakistan, have been duly followed in preparation of financial statements.
- The system of internal controls is sound in design and has been effectively implemented and monitored. The process of monitoring the internal controls will continue as an ongoing process with the objective to further strengthen the controls and bring improvements in the system.
- There are no doubts upon the Company's ability to continue as a going concern.
- There has been no material departure from the best practices of Corporate Governance, as given in the Regulations of the Rule Book of the Pakistan Stock Exchange Limited.
- A summary of key operating and financial data of the Company is annexed.
- Information about taxes and levies is given in notes to the accounts.

**BOARD OF DIRECTORS AND ITS COMMITTEES**

The Board, The governance at Metropolitan Steel Corporation Limited is a combination of processes established and executed by the Board of Directors and the management of the Company, which is reflected in the Company's structure as well as culture and how it is managed and led toward achieving its goals as a whole. The corporate governance structure of the Company is based on statutory and regulatory compliance requirements that are applicable to companies listed on the Pakistan Stock Exchange Limited and Company's Articles of Association complemented by several internal procedures. These procedures include a risk assessment and control system, as well as a system of assurance on compliance with applicable laws, regulations and the Company's Code of Conduct. The Board of Directors of your Company is highly engaged in maintaining long-term and sustainable value creation founded on durable ideologies of governance. The Board comprises of two Non-Executive Directors and two Executive Director.

Mr. Mehmood Ali Mehkri	5
Mr. Muhammad Umar Mehkari	5
Mrs. Sara Mehmood Mehkri	5
Mr. Asim Siddiqui	1
Mrs. Saba Mehkari Farooqui	4
Mrs. Uzma Mehmood Ali Mehkri	4
Mrs. Sofia Zakaria	4
Mr. Abdul Rafay	4

**BOARDS'S AUDIT COMMITTEE**

The Board's Audit Committee (BAC) monitors the Company's systems of internal controls and risk management process periodically, assists the Board in fulfilling its oversight responsibilities primarily in reviewing regulatory compliance risks and reporting financial and non-financial information to shareholders. The BAC reviews and challenges, where necessary, the actions and judgments of

management. The BAC has the autonomy to call for information from management and to consult directly with the external auditors or advisors as considered appropriate. After each meeting, the Chairman of the BAC reports to the Board. During the year, five (5) meetings of the BAC were held. All the meetings were held in Pakistan. The attendance by each director in the BAC meetings is as follows:

<i>Name of directors</i>	<i>Number of meetings attended</i>
Mrs. Saba Mehkari Farooqui	5
Mr. Mehmood Ali Mehkri	5
Mr. Abdul Rafay	3
Mr. Muhammad Umer Mehkari	4
Mr. Muhammad Asim Siddiqui	2

**HUMAN RESOURCE AND REMUNERATION COMMITTEE**

The purpose of the Human Resources & Remuneration Committee (HR&R) is to assist the Board in fulfilling its oversight responsibilities in the field of Human Resources, their development, succession planning and compensation and to perform all such responsibilities as are assigned to the HR&R Committee by the Act and the Code of Corporate Governance Regulations. During the year, one (1) meeting of the HR&R Committee was held. The meeting was held in Pakistan. The Head of HR attended the HR&R Committee meeting by invitation. The attendance by each Director in the HR&R Committee meeting is as follows:

<i>Name of directors</i>	<i>Number of meetings attended</i>
Mr. Mehmood Ali Mehkri	1
Mr. Muhammad Asim Siddiqui	1
Mr. Muhammad Umer Mehkari	1

**ANNUAL PERFORMANCE ,EVALUATION OF BOD'S AND COMMITTEES OF BOD'S**

The Company ensures to evolve and follow the corporate governance guidelines and best practices sincerely to not just boost long term shareholders value but also to respect minority shareholder's rights. The Company considers it as inherent responsibility to disclose timely and accurate information regarding financial performance as well as the leadership and governance of the Company. A report on annual performance evaluation of Board of Directors and its Committees is part of Chairman's Review which is annexed in this annual report.

with section 154 of the Companies Act, 2017 and Code of Corporate Governance Regulations, 2019. The Board and management of the Company encourage females to join the organization.

### **DIRECTOR'S REMUNERATION**

The Board of Directors has a formal policy and transparent procedures for remuneration of directors in accordance with the Companies Act, 2017 and Code of Corporate Governance. The remuneration of the Board members is approved by the Board itself. However, in accordance with the Code of Corporate Governance, it is ensured that no Director takes part in the proceedings of the Board Meetings in deciding his own remuneration. The Company does not pay remuneration to non-executive directors. The Company's remuneration policies are structured in line with prevailing industry trends and business practices. The details of the Directors and CEO's remuneration are adequately disclosed in respective notes to the financial statements.

### **DIRECTOR'S TRAINING**

The orientation courses for Directors will be arranged by the Board, as and when needed, to apprise them of their duties and responsibilities as envisaged in the Companies Act, 2017 and the Code of Corporate Governance. The Company ensures that Directors are provided with appropriate briefing and orientation material to enable them to get first-hand knowledge on the operations of the Company. The Directors will acquire the required directors' training within the time specified in the code of corporate governance.

### **EXTERNAL/STATUTORY AUDITORS**

The present auditors, Reanda Haroon Zakaria & Company, Chartered Accountants are retiring at the conclusion of the annual general meeting to be held on 27 October 2022 and offer themselves for re-appointment. The Board, upon recommendations of the Audit Committee, has endorsed the re-appointment to Reanda Haroon Zakaria & Company, Chartered Accountants as statutory auditors of the Company for the year ending 30 June 2023.

### **PATTERN OF SHAREHOLDING**

The Pattern of shareholdings as of 30 June 2022 is annexed with this annual report.

### **MODIFICATION IN THE AUDITOR'S REPORT**

The External Auditors of the Company have provided modified opinion on the state and affairs of the Company and the same is enclosed in this annual report. With respect to the modifications in the auditor's report, our response is as follows:

The auditors have qualified trade debts, unclaimed dividends, lease liabilities and markup accrued on lease liabilities amounting to Rs. 13.01 million, Rs. 42.71 million, Rs. 1.27

- million, Rs. 21.34 million and Rs. 3.75 million respectively due to unavailability of records being old in nature. The management of the Company is pursuing these records and hoping that these qualifications will not occur in next year.
- As regards to non-compliances mentioned in the review report on statement of compliance the management of the Company is pursuing qualified persons to be hired as chief financial officer, head of internal audit, and Independent Director.
- As regards the existence of material uncertainty relating to going concern, the management of the Company is of the view that the Company is a going concern and has prepared the financial statements on going concern assumption based on the following reasons:
  - a) The Company revived its business in the previous year with the hope of becoming a best in the market. Further, the Company sales volume during the year has been increased excessively more than expectation which clearly depicts that the future profitability of the company.
  - b) Moreover, the company is in the phase of starting one more new operation relating to binding wire which will ultimately make company more profitable.
  - c) Moreover, the Company has started operations through sale of its products to various projects, retailers and Companies. The prices of Company's products are competitive and the management is of the view that the Company will generate sufficient revenues in the subsequent years that will be used to further enhance the operation of the company.

### **BUSINESS CONTINUITY PLAN**

The Company's comprehensive Business Continuity Plan (BCP) is in place which includes activities required to keep the organization running without interruption of normal operations during a period of disaster.

### **THE CORPORATE GOVERNANCE PRACTICES**

The Board of Directors of the Company is committed to the principles of good Corporate Governance. The corporate governance practice of the Company is based on statutory and regulatory compliance requirements that are applicable to companies listed on the Pakistan Stock Exchange Limited and Company's Articles of Association complemented by several internal procedures. The Board is responsible for governing the organization by setting strategies and objectives of the Company. The management is required to adopt and formulate policies and guidelines for achieving the said goals and objectives.

### **CODE OF CONDUCT**

The Code of Conduct of the Company defines what we stand for and believe in, documenting the uncompromisingly high ethical standards our Company has upheld since its foundation. Strong business ethics forms the basis for all of our relationships with employees, customers, competitors, suppliers and colleagues. It is a fundamental policy of the Company to conduct its business with honesty, integrity and in accordance with the highest ethical and legal standards.

### **OPERATING AND FINANCIAL DATA**

Operating and financial data and key ratios of the Company for the last six years are annexed to this annual report.

### **ACKNOWLEDGEMENT**

The Board expresses its gratitude to all the valued stakeholders including respected shareholders, valued customers, financial institutions and suppliers for their confidence, sincerity and support. The Board would also like to thank the management and employees for their sincere contribution and appreciable efforts in driving the Company on the path of high sustainability and growth.

For and on behalf of the Board of Directors

**Muhammad Umar Mehkari**  
Chief Executive Officer

October 27, 2022

## **CHAIRMAN'S REVIEW**

Dear Shareholders, It is my pleasure to present the annual audited financial statements and my review of the performance of your Company for the outgoing financial year 2022 which posed historic challenges for the global and local economy. The Russian invasion of Ukraine has magnified the slowdown in the global economy, which is entering what could become a protracted period of feeble growth and elevated inflation, according to the World Bank's latest Global Economic Prospects report. With the blessing of Almighty Allah, during the current fiscal year the company depicted a sharp increase in sales as compared to last year that the business sentiments have been shaken due to the 'hard landing' approach taken by the policy-makers that radically slowed demand, ultimately shrinking margins across many industries including steel.

Such challenging times are often an opportunity for re-birth. The Board of Directors, management and employees of your Company are committed to growth despite volatility in local and global economies over the years and are tirelessly executing strategies that have enabled your Company to produce high quality products. Increasing market share will continue to be a key milestone that the management strives towards, regardless of macro-economic imbalances. I am very hopeful that demand for High carbon steel and mild steel wires will increase in the upcoming future.

The overall performance of the Board, its members and sub-committees has been assessed as 'Satisfactory'. As the Chairman of the Board, I would like to extend my gratitude to all Board Members for their valuable participation, support and continued guidance. I would also like to thank all Shareholders for their extra-ordinary efforts, support and confidence.

**Mahmood Ali Mehkri**  
Chairman

October 27, 2022

**STATEMENT OF COMPLIANCE WITH LISTED COMPANIES  
(CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019 (THE REGULATIONS)**

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS  
OF METROPOLITAN STEEL CORPORATION LIMITED**

*Review Report on Statement of Compliance Contained in Listed Companies (Code of Corporate Governance) Regulations, 2019*

We have reviewed the enclosed Statement of Compliance with the Listed companies (Code of Corporate Governance) Regulations, 2019 ("the Regulations") prepared by the Board of Directors of **Metropolitan Steel Corporation Limited**, ("the Company") for the year ended June 30, 2022 in accordance with the requirements Regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As part of our audit of the financial statements we are required to obtain an understanding of accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon the recommendations of the Audit Committee, place before the Board of Directors for their review and approval, its related party related party transactions. We are only required and have ensured compliance of this requirement to the extent of approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Following instances of non-compliance with the requirements of the Regulations were observed which have not been stated in the Statement of Compliance:

- a) There are no adequate systems and controls in place for identification and redress of grievances arising from unethical practices as required under clause 10 (3) (iii) of the Regulations.
- b) There is no system of sound internal control established as required under clause 10 (3) (iv) of the Regulations.
- c) There is no formal and effective mechanism is put in place for an annual evaluation of the Board's own performance, members of the Board and of its committees as required under clause 10 (3) (v) of the Regulations.

Based on our review, except for the above instances of non-compliances, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Regulations as applicable to the Company for the year ended June 30, 2022.

Further we highlight below instances of non-compliance with the requirements of the Regulations as reflected in the Statement of Compliance:

- i) **Paragraph 2** There is no independent Director on the Board and professional indemnity insurance cover for independent Director on the Board as required under section 6 of the Regulations.
- ii) **Paragraph 9** The Company has not arranged any directors' training programs for its directors as required under section 18 and 19 of the Regulations.
- iii) **Paragraph 10 & 11** The Board has not determined the appointment of any Chief Financial Officer as required under section 22 of the Regulations. Further Qualification of Company secretary is not in compliance with the criteria specified under section 24 of the Regulations.
- iv) **Paragraph 12(a)** Audit committee does not include any independent Director as required under 27 (1) (i) of the Regulations. Further, the Company has not complied with requirements of 27 (1) (i), (ii) and (iv) for composition of audit committee and 27 (3) relating to terms of reference of audit committee of the Regulations.
- v) **Paragraph 12(b)** HR committee does not include any independent Director as required under 28 (1) of the Regulations.
- vi) **Paragraph 14** No meeting of HR and remuneration committee was arranged during the year.
- vii) **Paragraph 15** There is no internal audit function in the Company as required under section 31 of the Regulations. Further the Company has not determined the appointment of head of internal audit as required under section 23 of the Regulations.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF METROPOLITAN STEEL CORPORATION LIMITED  
REPORT ON THE AUDIT OF FINANCIAL STATEMENTS**

**Qualified Opinion**

We have audited the annexed financial statements of **Metropolitan Steel Corporation Limited (the Company)**, which comprise the statement of financial position as at 30 June 2022, and the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit except for the matters stated in the *Basis for Qualified Opinion* section of our report.

In our opinion, except for the possible effects of the matters described in the *Basis for Qualified Opinion* section of our report, and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2022 and of the loss and other comprehensive loss, the changes in equity and its cash flows for the year then ended.

**Basis for Qualified Opinion**

We were unable to substantiate stores and spares, trade debts, unclaimed dividends, lease liabilities and markup accrued on lease liabilities amounting to Rs. 13.01 Million, Rs. 42.71 Million, Rs. 1.27 Million, Rs. 21.34 Million and Rs. 3.75 Million respectively due to non-availability of records and being old in nature. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Material Uncertainty relating to Going Concern**

We draw attention to Note 1.3 to the accompanying financial statements, which indicates that Company has incurred gross loss of Rs. 17.65 (2021: earned gross profit of Rs. 11.50) Million and has incurred after tax loss amounting to Rs. 79.88 (2021: earned after tax profit amounting to Rs. 1.85) Million and its accumulated losses stood at Rs. 78.93 (2021: Rs. 4.32) Million. These conditions along with other matters mentioned in note 1.3, indicate the existence of material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

**Emphasis of Matter**

- i. We draw attention to the fact that the accompanying financial statements are not authenticated by the Chief Financial Officer as required by the Companies Act, 2017 because the same was not appointed till the date of authorization of the accompanying financial statements.

Our opinion is not modified in respect of above matter.

**Key Audit Matter(s)**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matters described in the *Basis for Qualified Opinion* section and *Material Uncertainty relating to Going Concern* section we have determined the matter described below to be the key audit matter to be communicated in our report

**Following are the Key audit matter(s):**

S. No.	Key audit matter(s)	How the matter was addressed in our audit
1)	<b>Valuation of stock in trade</b>  Refer note 8 to the financial statements.  Inventory forms significant part of the Company's assets.  We identified the valuation of stock in trade as a key audit matter as it directly affects the profitability of the Company.	Our audit procedures to assess the valuation of stock in trade amongst others include the followings:  <ul style="list-style-type: none"> <li>• Obtain an understanding of internal controls over purchases and valuation of stock in trade and testing, on a sample basis, their design, implementation and operating effectiveness.</li> <li>• Comparing on sample basis specific purchases with underlying supporting documents / agreements, if any</li> <li>• Obtaining an understanding of management's determination of net realizable value (NRV) and the key estimates adopted.</li> </ul>
2)	<b>Provision for doubtful debts</b>  Refer note 10 and 30 to the annexed financial statements, management has made provision off claim receivable amounting to Rs. 81.18 Million owing to the fact that same is long outstanding and is under litigation.	Our audit procedures amongst others include the followings:  <ul style="list-style-type: none"> <li>• We assessed the reasonableness of Management's assumptions regarding the collectability of balance in question.</li> </ul>

S. No. Key audit matter(s)

*How the matter was addressed in our audit*

- Evaluated Board minutes for approval of making provision off such claim receivable.
- Obtained legal confirmation from the legal advisor of the Company
- Inspected the aging and checked the subsequent receipts of the balance
- Assessed the adequacy of disclosures in accordance with requirements pertaining to IFRS

3) *Waiver of Director Loan*

Refer to note 21 and 31 to the annexed financial statements where Director loan amounting to Rs. 18.55 Million is waived by the director which is related party transaction

We identified this related party transaction as a Key Audit Matter because of nature of such transactions and its significance to the financial statements as a whole.

Our audit procedures amongst others include the followings:

- We Inspected minutes of BOD meeting to understand nature and approval of transaction.
- Obtained confirmation from related party for transaction and balance.
- Assessed the adequacy of disclosures related to related party in notes to the financial statements.

*Information Other than the Financial Statements and Auditor's Report Thereon*

Management is responsible for the other information. The Other Information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

*Responsibilities of Management and Board of Directors for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- except for the possible effects of matters described in the *Basis for Qualified Opinion* section of our report, proper books of accounts have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- except for the possible effects of matters described in the *Basis for Qualified Opinion* section of our report, the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account;
- investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is **Farhan Ahmed Memon**.

Chief Executive

  
Director

**METROPOLITAN STEEL CORPORATION LIMITED  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2022**

**1 LEGAL STATUS AND OPERATIONS**

**1.1** Metropolitan Steel Corporation Limited (the Company) was incorporated on August 24, 1955 as a Public Limited Company. The shares of the Company are quoted on Pakistan Stock Exchange Limited. The Company is a manufacturer of steel products such as torsteel, ribbed bars, wire rods, bailing hoops, mild and high carbon steel wires, transmission towers and cold profiles. The registered office of the Company is situated at Landhi Industrial Area, Plot # HE:1/2, Karachi.

**1.2** The geographical location and addresses of business units are as under:

Location	Address
Registered office and Manufacturing facility	Landhi Industrial Area, Plot # HE:1/2

**1.3** During the year, the Company has incurred gross loss of Rs. 17.65 (2021: earned gross profit of Rs. 11.50) Million and has incurred after tax loss amounting to Rs. 79.88 (2021: earned after tax profit of Rs. 1.85) Million and its accumulated losses stood at Rs. 78.93 (2021: Rs. 4.32) Million.

These conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

However, the management of the Company has prepared these financial statements on going concern basis due to the following reasons:

- The Company has revived its business by resuming production activities and its sales are increasing.
- Moreover, the Company has started operations through sale of its products to various projects, retailers and Companies. The prices of Company's products are competitive and the management is of the view that the Company will generate sufficient revenues in the subsequent years that will be used to complete the civil works related to installation of wire plants and procurement of materials.
- The Company is now on growing phase and sales are increasing compare to last year. The Company has no bank liability and is in process of identifying new customers, therefore the management is very confident that future will be very bright for the Company.
- Further during the year director has voluntarily waived the loan owing to Company to meet the financial needs of Company.

**2 BASIS OF PREPARATION**

**2.1 Statement of compliance**

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the international Accounting Standard Boards (IASB) as notified under the Companies Act, 2017.
- Provision of and directives issued under the Companies Act, 2017.

Where provisions and directives issued under the Companies Act, 2017 differ from the IFRS standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

## 2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except for:

- long and short term investments are stated at the fair values;
- leasehold land, buildings on leasehold land and plant and machinery which have been classified under property, plant and equipment and are stated at revalued amounts; and
- stock in trade which have been stated at net realizable value.

These financial statements have been prepared under the accrual basis of accounting except for the cash flow information.

## 2.3 Functional and presentation currency

These financial statements are presented in Pakistani Rupees which is the Company's functional and presentation currency.

## 2.4 New accounting pronouncements:

### 2.4.1 Amendments to approved accounting standards and interpretations which became effective during the year ended June 30, 2022:

During the year certain new accounting and reporting standards / amendments / interpretations became effective and applicable to the Company. However, since such updates were not considered to be relevant to these financial statements, the same have not been reported.

### 2.5 New / revised accounting standards, amendments to published accounting standards and interpretations that are not yet effective:

The following International Financial Reporting Standards (IFRS Standards) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after the dates specified below:

**2.5.1 Onerous contracts - Cost of Fulfilling a Contract (Amendments to IAS 37)** effective for the annual periods beginning on or after 1 January, 2022 amends IAS 37 by mainly adding paragraphs which clarify what comprises the cost of fulfilling a contract. Cost of fulfilling a contract is relevant when determining whether a contract is onerous. An entity is required to apply the amendments to contracts for which it has not yet fulfilled all its obligations at the beginning of the annual reporting period in which it first applies the amendments (the date of initial application). Restatement of comparative information is not required, instead the amendments require an entity to recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings or other component of equity, as appropriate, at the date of initial application. The amendments are not likely to affect the financial statements of the Company.

**2.5.2 Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16)** effective for annual periods beginning on or after January 01, 2022 clarifies that sales proceeds and costs of items produced while bringing an item of property, plant and equipment to the location and condition necessary for it to be capable of operating in the manner intended by management e.g. when testing etc., are recognized in statement of profit or loss in accordance with applicable Standards. The entity measures the cost of those items applying the measurement requirements of IAS 2. The standard also removes the requirement of deducting the net sales proceeds from cost of testing. An entity shall apply those amendments retrospectively, but only to items of property, plant and equipment that are brought to the location and condition necessary for them to be capable of operating in the manner intended by management on or after the beginning of the earliest period presented in the financial statements in which the entity first applies the amendments. The entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of that earliest period presented. The amendments are not likely to affect the financial statements of the Company.

**2.5.3 Amendments to IFRS 3 'Business Combinations' - Reference to the Conceptual Framework**, issued in May 2020, amended paragraphs 11, 14, 21, 22 and 23 of and added paragraphs 21A, 21B, 21C and 23A to IFRS 3. An entity shall apply those amendments to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after January 01, 2022. Earlier application is permitted if at the same time or earlier an entity also applies all the amendments made by Amendments to References to the Conceptual Framework in IFRS Standards, issued in March 2018. The amendments are not likely to affect the financial statements of the Company.

**2.5.4 Amendments to IAS 1 'Presentation of Financial Statements' - Classification of liabilities as current or non-current** amendments apply retrospectively for the annual periods beginning on or after January 01, 2023. These amendments in the standards have been added to further clarify when a liability is classified as current. The standard also amends the aspect of classification of liability as non-current by requiring the assessment of the entity's right at the end of the reporting period to defer the settlement of liability for at least twelve months after the reporting period. An entity shall apply those amendments retrospectively in accordance with IAS 8. The management is currently in the process of assessing the impacts of these amendments to these financial statements.

**2.5.5 Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2)** - the Board has issued amendments on the application of materiality to disclosure of accounting policies and to help Companies provide useful accounting policy disclosures. The key amendments to IAS 1 include:

- requiring companies to disclose their material accounting policies rather than their significant accounting policies;
- clarifying that accounting policies relating to immaterial transactions, other events or conditions are themselves immaterial and as such need not to be disclosed; and
- clarifying that not all accounting policies that relate to material transactions, other events or conditions are themselves material to a company's financial statements.

The management is currently in the process of assessing the impacts of above amendments to these financial statements.

The Board also amended IFRS practice statement 2 to include guidance and two additional examples on the application of materiality to accounting policy disclosures. The amendments are effective for annual reporting periods beginning on or after January 01, 2023 with earlier application permitted.

**2.5.6 Definition of Accounting Estimates (Amendments to IAS 8)** - The amendments introduce a new definition for accounting estimates clarifying that they are monetary amounts in the financial statements that are subject to measurement uncertainty.

The amendments also clarify the relationship between accounting policies and accounting estimates by specifying that a Company develops an accounting estimate to achieve the objective set out by an accounting policy. The amendments are effective for periods beginning on or after January 01, 2023, and will apply prospectively to changes in accounting estimates and changes in accounting policies occurring on or after the beginning of the first annual reporting period in which the company applies the amendments. The amendments are not likely to affect the financial statements of the Company.

**2.5.7** Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12) - The amendments narrow the scope of the initial recognition exemption (IRE) so that it does not apply to transactions that give rise to equal and offsetting temporary differences. As a result, Companies will need to recognize a deferred tax asset and a deferred tax liability for temporary differences arising on initial recognition of a lease and a decommissioning provision. For leases and decommissioning liabilities, the associated deferred tax asset and liabilities will need to be recognized from the beginning of the earliest comparative period presented, with any cumulative effect recognized as an adjustment to retained earnings or other components of equity at that date. The amendments are effective for annual reporting periods beginning on or after January 01, 2023 with earlier application permitted. The amendments are not likely to affect the financial statements of the Company.

**2.5.8** Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28) - The amendment amends accounting treatment on loss of control of business or assets. The amendments also introduce new accounting for less frequent transaction that involves neither cost nor full step-up of certain retained interests in assets that are not businesses. The effective date for these changes has been deferred indefinitely until the completion of a broader review.

**2.6** *The following annual improvements to IFRS standards 2018 - 2020 are effective for annual reporting periods beginning on or after January 01, 2022:*

The following annual improvements to IFRS Standards 2018-2020 are effective for annual reporting periods beginning on or after 01 January 2022.

- IFRS 9 - The amendment clarifies that an entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf, when it applies the '10 per cent' test in paragraph B3.3.6 of IFRS 9 in assessing whether to derecognize a financial liability.
- IFRS 16 - The amendment partially amends illustrative example 13 accompanying IFRS 16 by excluding the illustration of reimbursement of leasehold improvements by the lessor. The objective of the amendment is to resolve any potential confusion that might arise in lease incentives.
- IAS 41 - The amendment removes the requirement in paragraph 22 of IAS 41 for entities to exclude taxation cash flows when measuring the fair value of a biological asset using a present value technique

The above amendments are not likely to affect the financial statements of the Company.

### **3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year:

#### **3.1 Property, plant and equipment and depreciation**

##### **3.1.1 Owned assets**

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses except for leasehold land which is stated at revalued amount and buildings on leasehold land and plant and machinery which are stated at revalued amount less accumulated depreciation and accumulated impairment losses. Cost of property, plant and equipment comprises the acquisition cost and directly attributable cost of bringing the assets to its working condition.

Depreciation is charged to income applying the reducing balance method, using the rates stated in note 5.1. Depreciation on addition is charged from the month the asset is available for use, whilst no depreciation is charged in the month on which the asset is disposed off.

The assets' residual values, and useful lives are reviewed and adjusted, if appropriate, at each reporting date.

Maintenance and normal repairs are charged to income as and when incurred. Major renewals and improvements are capitalized and the assets so replaced, if any, are retired.

Valuations are performed frequently enough to ensure that the fair value of a revalued asset does not differ materially from its carrying amount at the reporting date.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gains or losses on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is charged to statement of profit or loss.

#### **3.1.2 Capital work-in-progress**

Capital work-in-progress is stated at cost less impairment losses, if any and consists of expenditure incurred and advances made in the course of their construction and installation. Transfers are made to relevant category of operating fixed assets when they are available for intended use.

#### **3.2 Revaluation surplus on property, plant and equipment**

Revaluation surplus is recorded in other comprehensive income and accumulated to the Revaluation surplus on property, plant and equipment in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognized in profit or loss, the increase is recognized in statement of profit or loss. A revaluation deficit is recognized in the statement of profit or loss, except to the extent that it offsets an existing surplus on the same asset recognized in the revaluation surplus on property, plant and equipment.

An annual transfer from the revaluation surplus on property, plant and equipment to unappropriated profit is made for the difference between depreciation based on the revalued carrying amount of the asset and depreciation on the asset's original cost. Upon disposal, any surplus relating to the particular asset being sold is transferred to unappropriated profit.

#### **3.3 Impairment of non - financial assets**

The carrying amounts of the Company's non financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If such indication exists, the asset's recoverable amount, being higher of value of use and fair value less costs to sell, is estimated. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognized in the statement of profit or loss.

#### **3.4 Financial assets**

##### **Initial Measurement**

The Company classifies its financial assets in to following three categories:

- fair value through other comprehensive income (FVOCI);
- fair value through profit or loss (FVTPL); and
- measured at amortized cost.

A financial asset is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition

**Subsequent Measurement**

**Debt investments at FVOCI** These assets are subsequently measured at fair value. Interest / markup income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognized in the statement of profit or loss. Other net gains and losses are recognized in other comprehensive income. On de-recognition, gains and losses accumulated in other comprehensive income are reclassified to the statement of profit or loss

**Equity investments at FVOCI** These assets are subsequently measured at fair value. Dividends are recognized as income in the statement of profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in other comprehensive income and are never reclassified to the statement of profit or loss.

**Financial assets at FVTPL** These assets are subsequently measured at fair value. Net gains and losses, including any interest / markup or dividend income, are recognized in statement profit or loss.

**Financial assets measured at amortized cost** These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest / markup income, foreign exchange gains and losses and impairment are recognized in the statement of profit or loss.

**3.5 Investments**

**3.5.1** Short term investment are classified as at fair value - through profit or loss and is initially measured at cost being the fair value at the time of acquisition and subsequently is measured at fair value determined using the market value at each reporting date. Net gains and losses, including any interest / markup or dividend income, are recognized in statement profit or loss.

**3.5.2** Investment in TDR is measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest / markup income, foreign exchange gains and losses and impairment are recognized in the statement of profit or loss.

**3.6 Securities under repurchase / resale agreements investment in associates**

Securities purchased under a corresponding commitment to resell at a specified future date (reverse-repo) are recorded as receivables against carry-over transactions at fair value of the consideration given. Securities sold under a simultaneous commitment to repurchase at a specified future date (repo) are recognized in the statement of financial position as investments and the counterpart liability is shown as payable against carry over transactions. All carry over transactions are accounted for on settlement date basis.

**3.7 Impairment of financial assets**

The Company recognizes loss allowances for ECLs in respect of financial assets measured at amortized cost.

The Company measures loss allowances at an amount equal to lifetime ECLs, except for the following, which are measured at 12-month ECLs:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balance for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than past due for a reasonable period of time. Lifetime ECLs are the ECLs that result from all possible default events over the expected life of a financial instrument. 12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months). The maximum period considered when estimating ECLs is the maximum contractual period over which the Company is exposed to credit risk.

Loss allowances for financial assets measured at amortized cost are deducted from the Gross carrying amount of the assets.

The Gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering of a financial asset in its entirety or a portion thereof. The Company individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery.

The Company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

**3.8 De-recognition**

Financial assets are derecognized when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

**3.9 Financial liabilities**

Financial liabilities are classified as measured at amortized cost or 'at fair value through profit or loss' (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the statement of profit or loss.

Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in the statement of profit or loss. Any gain or loss on de-recognition is also recognized in the statement of profit or loss.

Financial liabilities are derecognized when the contractual obligations are discharged or cancelled or have expired or when the financial liability's cash flows have been substantially modified.

**3.10 Offsetting of financial assets and financial liabilities**

Financial assets and financial liabilities are set off and only the net amount is reported in the statement of financial position when there is a legally enforceable right to set off the recognized amount and the Company intends to either settle on a net basis, or to realize the asset and settle the liability simultaneously.

**3.11 Stores, spare parts and loose tools**

These are valued at lower of cost or net realizable value which is determined principally on weighted average cost method except for those in transit which are valued at actual cost. Provision is made for slow moving and obsolete items based on parameters set by the management.

Net realizable value is determined on the basis of estimated selling price in the ordinary course of business determined by independent valuer. Provision is made for slow moving and obsolete items based on parameters set by the management.

**3.12 Stock-in-trade**

Stock of raw materials except those in-transit and finished goods are valued at lower of average cost or net realizable value. Average cost in relation to finished goods represents prime costs and appropriate portion of manufacturing expenses.

Items-in-transit are stated at cost comprising invoice values plus other charges paid thereon till the reporting date.

Net realizable value is determined on the basis of estimated selling price in the ordinary course of business less estimated cost of completion and selling expenses. Provision is made for slow moving and obsolete items based on parameters set by the management.

**3.13 Trade debts**

These are measured at original invoice amount less an estimate for doubtful receivable balances based on the review of all outstanding amounts at the year end. Debts are written off when identified as irrecoverable.

**3.14 Provisions**

Provisions are recognized when the Company has a legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the outflow can be made. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

**3.15 Trade and other payables**

Trade and other payables are recognized initially at fair value plus directly attributable cost, if any, and subsequently measured at amortized cost.

**3.16 Leases**

A contract is, or contains a lease if the contract conveys a right to control the use of an identified asset for a period of time in exchange for consideration. The Company leases vehicles for its staff. The Company recognizes a right-of-use asset and lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, and subsequently at cost less any accumulated depreciation and impairment losses if any, and adjusted for certain remeasurements of the lease liability. The right-of-use asset is depreciated using the reducing balance method. The estimated useful lives of assets are determined on the same basis as that for owned assets. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the entity's incremental borrowing rate. The lease liability is subsequently increased by the interest cost on the lease liability and decreased by lease payments made. It is re-measured when there is a change in future lease payments arising from a change in an index or rate, a change in assessment of whether extension option is reasonably certain to be exercised or a termination option is reasonably certain not to be exercised.

The right-of-use assets are presented in the same line items as it presents underlying assets of the same nature that it owns.

**3.17 Cash and cash equivalents**

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of statement of cash flows, cash and cash equivalents comprise cash in hand, and bank balances.

**3.18 Taxation**

**3.18.1 Current**

Provision for current taxation is computed in accordance with the provisions of the Income Tax Ordinance, 2001.

The charge for current taxation is based on taxable income at the current rate of taxation after taking into account applicable tax credit, rebates and exemptions available, if any, or Minimum tax on turnover or Alternate Corporate Tax (ACT), whichever is higher.

**3.18.2 Deferred**

Deferred tax is provided for, using the balance sheet method, providing the temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amount used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities using tax rates enacted at the reporting date. Deferred tax asset is recognized only to the extent that it is probable that the future taxable profits will be available and credits can be utilized.

**3.19 Revenue recognition**

- Revenue is measured based on the consideration specified in a contract with a customer. Revenue from operations of the Company are recognized when the goods are provided, and thereby the performance obligations are satisfied. The Company's contract performance obligations are fulfilled at the point in time when the goods are dispatched to the customer. Invoices are generated and revenue is recognized at that point in time, as the control has been transferred to the customers. Revenue is measured at fair value of the consideration received or receivable, excluding amount of sales tax. Revenue from Sale of goods are recorded on dispatch of goods to customers.
- Profit on bank deposits are accounted for on an accrual basis.
- Gain on disposal of fixed assets is recognized on transfer of title to the buyer.
- Other income is recognized on the occurrence of transaction.
- Dividend income is recorded when the right to receive the dividend is established. Return on securities other than shares is recognized on accrual basis.

**3.20 Borrowings**

Borrowings / debt is recognized initially at fair value, net of transaction costs incurred. These are subsequently measured at amortized cost and any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the statement of profit or loss over the period of borrowings / debt under the effective interest method. Markup / profit on borrowings/ debt is calculated using the effective interest method and is recognized in the statement of profit or loss.

**3.21 Foreign currency transactions and translations**

Transactions in foreign currencies are accounted for in Pakistani Rupees at the foreign exchange rates prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies are re-translated into rupees at the foreign exchange rates approximating those prevailing at the reporting date. Exchange differences, if any, are charged in statement of profit or loss.

**3.22 Proposed dividend and transfer between reserves**

Dividends declared and transfer between reserves, except appropriations which are required by the law, made subsequent to the statement of financial position date are considered as non adjusting events and are recognized in the financial statements in the year in which such dividends are declared or transfers between reserves are made.

**3.23 Segment reporting**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the Company's other components. The Company has only one reportable segment.

**3.24 Earnings per share**

The Company presents basic and diluted earnings / loss per share (EPS) for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary share holders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

**3.25 Related party transactions**

Transactions and contracts with the related parties are based on the policy that all transactions between the Company and related parties are carried out at arm's length prices which are determined in accordance with the methods prescribed in the Companies Act, 2017.

**4 USE OF ESTIMATES AND JUDGMENTS**

In preparing these financial statements, management has made judgment, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to estimates are recognized prospectively. Information about judgments made in applying accounting policies that have the most significant effects on the amount recognized in the financial statements to the carrying amount of the assets and liabilities and assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment in the subsequent year are set forth below:

- a) Property, plant and equipment
- b) Impairment of assets
- c) Useful lives of depreciable assets
- d) Recognition of financial assets
- e) Provision for slow moving stores, spare parts and loose tools
- f) Provision for slow moving stock in trade
- g) Recognition of current tax and deferred tax
- h) Accrued liabilities

The Company's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended June 30, 2021.

### 38.1 Financial risk management

The board of directors of the Company has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has exposure to the following risks from its use of financial instruments:

- Credit risk and concentration of credit risk
- Liquidity risk
- Market risk

#### 38.1.1 Credit risk and concentration of credit risk

Credit risk is the risk that arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. The Company attempts to control credit risk by monitoring credit exposures by undertaking transactions with a large number of counter parties in various industries and by continually assessing the credit worthiness of counter parties.

The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognized at the reporting date.

Concentration of credit risk occurs when a number of counterparties have a similar type of business activities. As a result, any change in economic, political or other conditions would affect their ability to meet contractual obligations in similar manner. The Company's credit risk exposure is not significantly different from that reflected in the financial statements. The management monitors and limits the Company's exposure to credit risk through monitoring of client's exposure and conservative estimates of provisions for doubtful assets, if any.

The above note reflects the comparative position of the Company's financial statements.

The carrying amount of financial assets represents the maximum exposure to credit risk before any provisions at the reporting date as specified below:

	2022	2021
	---- Rupees in '000' -----	
Long term deposits	3,209	3,209
Short term investment in units of mutual funds	14	14
Short term investment in TDR	8,000	8,000
Claims recoverable	-	81,184
Trade debts	49,966	48,036
Short term deposits	-	7,216
Interest receivable	71	89
Balances with banks	5,133	684
	<u>66,393</u>	<u>148,432</u>

The Company does not hold any collateral against the above balances. General provision is made for doubtful amounts according to the Company's policy. The provision is written off when the Company expects that it cannot recover the balances due.

Apart from above, the Company considers the amount to be fully recoverable.

#### 38.1.1.1 Concentration of credit risk

The Company's major sales are with government companies in energy sector, which is a concentration and a credit risk. However, the Company has established policies and procedures for timely recovery of trade debts. With respect to parties other than government companies, the Company mitigates its exposure and credit risk by applying credit limits to its customers.

	2022	2021
Note	---- Rupees in '000' -----	
<i>The age analysis of gross trade receivables is as follows:</i>		
Up to 1 year	7,258	5,329
3 years and above	42,707	42,707
9.2	<u>49,966</u>	<u>48,036</u>

The credit quality of Company's bank balances can be assessed with reference to external credit ratings as follows:

	Rating		2022	2021
	Short term	Long term	---- Rupees in '000' -----	
		Rating agency		
United Bank Limited	A-1+	AAA	JCR-VIS	2
Dubai Islamic Bank Pakistan Limited	A-1+	AA	JCR-VIS	591
Meezan Bank Limited	A-1+	AAA	JCR-VIS	12
			<u>5,133</u>	<u>684</u>

The credit quality of Company's Investment at fair value through profit or loss can be assessed with reference to external credit ratings as follows:

	Rating		2022	2021
	Short term	Long term	---- Rupees in '000' -----	
		Rating agency		
Al-Ameen Islamic Sovereign Funds	-	AA-(f)	JCR-VIS	14
			<u>14</u>	<u>14</u>

#### 38.1.2 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due. Liquidity risk arises because of the possibility that the Company could be required to pay its liabilities earlier than expected or difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. The Company's approach to managing liquidity is to ensure, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The following are the contractual maturities of the financial liabilities:

	2022				
	Carrying Amount	Contractual cash flows	Up to one year	More than one year but not less than five year	More than five year
----- Rupees in '000' -----					
<b>Financial liabilities at amortized cost</b>					
Trade and other payables	10,868	10,868	10,868	-	-
Markup accrued	3,745	3,745	3,745	-	-
Unclaimed dividend	1,273	1,273	1,273	-	-
Lease liabilities	21,338	21,338	21,338	-	-
	<u>37,224</u>	<u>37,224</u>	<u>37,224</u>	-	-
	2021				
	Carrying Amount	Contractual cash flows	Up to one year	More than one year but not less than five year	More than five year
----- Rupees in '000' -----					
<b>Financial liabilities at amortized cost</b>					
Trade and other payables	15,857	15,857	15,857	-	-
Markup accrued	3,745	3,745	3,745	-	-
Short term borrowings	10,404	10,404	10,404	-	-
Unclaimed dividend	1,273	1,273	1,273	-	-
Lease liabilities	21,338	21,338	21,338	-	-
	<u>52,617</u>	<u>52,617</u>	<u>52,617</u>	-	-

### 38.1.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company is exposed to interest rate risk only.

### 38.1.4 Interest rate risk

Interest rate risk is the risk that the fair value of the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises from short and long term borrowings, if any and liabilities against assets subject to finance lease. At the reporting date the interest rate profile of the Company's markup bearing financial instruments is as follows:

	2022	2021
	Carrying amount	
----- Rupees in '000' -----		
<b>Variable rate instruments</b>		
Financial assets - balances with banks and TDR	12,542	8,670
Financial liabilities	(21,338)	(21,338)
	<u>(8,796)</u>	<u>(12,668)</u>

	2021		
	Level 1	Level 2	Level 3
----- Rupees in '000' -----			
Short term investments	14	8,000	-
Operating fixed assets - Freehold Land	-	495,600	-
- Buildings on freehold land	-	86,977	-
- Plant and machinery	-	161,505	-
<b>Total</b>	<u>14</u>	<u>752,082</u>	-

### 40 CAPACITIES AND PRODUCTION

	2022	2021
	Capacity in tons on single shift basis	Actual Production in tons
Mild steel wires	<u>1,200.00</u>	<u>154.00</u>
High carbon steel wires	<u>5,000.00</u>	<u>293.00</u>
		<u>412.00</u>

40.1 The short fall in capacity utilization is due resumption of production activities after long span.

### 41 CAPITAL MANAGEMENT OBJECTIVES, POLICIES AND PROCEDURES

The objective of the Company, when managing capital, is to safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders and to maintain a strong capital base to support the sustained development of its businesses.

The Company manages its capital structure by monitoring return on net assets and makes adjustments to it in the light of changes in economic conditions.

The Company monitors capital using a gearing ratio, which is net debt divided by total shareholders equity plus net debt. Net debt is calculated as total loans and borrowings from financial institution including any finance cost thereon, less cash and bank balances. The Company's strategy is to maintain leveraged gearing. The gearing ratios as at the reporting date are shown below:

	2022	2021
	----- Rupees in '000' -----	
Markup accrued	3,745	3,745
Short term borrowings	-	10,404
Lease liabilities	21,338	21,338
<b>Total debt</b>	<u>25,083</u>	<u>35,487</u>
Less: cash and bank balances	(5,133)	(684)
<b>Net debt</b>	<u>19,950</u>	<u>34,803</u>
<b>Total shareholders' equity</b>	<u>1,567</u>	<u>76,177</u>
<b>Capital and equity</b>	<u>21,517</u>	<u>110,980</u>
<b>Gearing ratio</b>	(C=A/B) <u>92.72%</u>	<u>31.36%</u>

**42 CREDIT FACILITIES**

Detail of credit facilities available to Company as at the date of statement of financial position is as follows:

Name of bank	Nature of facility	Sanctioned limit		Un - availed		Pricing		Security / Margin	
		2022	2021	2022	2021	2022	2021	2022	2021
----- Rupees in '000' -----									
Dubai Islamic	Letter of Credit - Sight	25,000	25,000	25,000	17,784	0.1% per quarter on opening and retirement	0.1% per quarter on opening and retirement	100% Cash over Import Documents	100% Cash over Import Documents
Dubai Islamic	Bank Guarantee	8,000	8,000	-	-	0.1% per quarter to be paid in advance	0.1% per quarter to be paid in advance	100% Cash Margin in Account	100% Cash Margin in Account
				2022		2021			
				----- Number -----					

**43 NUMBER OF EMPLOYEES**

Total number of employees at the end of the year	27	27
Average number of employees during the year	25	20
Employees working in the factory at the year end	27	27
Average employees working in the factory during the year	25	20

**44 DATE OF AUTHORIZATION FOR ISSUE**

These financial statements were authorized for issue on 04 OCT 2022 by the Board of Directors of the Company.

**45 GENERAL**

The figures have been rounded off to the nearest thousand Rupee.

  
Chief Executive

  
Director

**38.1.5 Sensitivity analysis**

**Fair value sensitivity analysis for fixed rate instruments**

The Company does not account for any fixed rate financial assets and financial liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss.

**Cash flow sensitivity for variable rate instruments**

A change of 100 basis points in interest rates at the reporting date would have increased / (decreased) equity and profit or loss by the amount shown below. This analysis assumes that all other variables, in particular foreign currency rates remain constant. The analysis is performed on the same basis for 2021.

Profit or loss		Equity	
100 bp increase	100 bp decrease	100 bp increase	100 bp decrease
----- Rupees in '000' -----			
<b>As at June 30, 2022</b>			
<b>Cash flow sensitivity - variable rate instruments</b>			
88	(88)	88	(88)
<b>As at June 30, 2021</b>			
<b>Cash flow sensitivity - variable rate instruments</b>			
127	(127)	127	(127)

**38.1.6 Currency risk**

Currency risk is the risk that the fair value or future cash flows of the financial instrument will fluctuate because of changes in foreign exchange risk.

**38.1.6.1 Exposure to currency risk**

The Company is exposed to currency risk on Bills payable that are denominated in a currency other than the respective functional currency of the Company, primarily U.S. Dollar. At the reporting date the exposed to currency risk is as follows:

	2022		2021	
	----- Amounts in '000' -----			
	Rupees	US Dollars	Rupees	US Dollars
Bills payable	-	-	7,216	45.75
Total exposure at the statement of financial position	-	-	7,216	45.75

	Profit or loss	
	10 percent strengthening of Pak Rupee against US Dollar increase	10 percent Weakening of Pak Rupee against US Dollar (decrease)
----- Rupees in '000' -----		
<b>Sensitivity analysis</b>		
<b>As at June 30, 2022</b>		
<b>As at June 30, 2021</b>		
-	-	-
722	-	(722)

**38.1.7 Other price risk**

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk). The company is exposed to price risk with respect to equity investment. Investments are monitored through continuous trend prevailing in the market for which an investment committee has been setup to take appropriate decision.

A 10% increase / decrease in shares / units prices at year end would have increased / decreased the Company's profit in case of short term investments at fair value through profit or loss and increase / decrease in unrealized gain on remeasurement of investments at fair value through other comprehensive income as follows:

	<u>Profit or loss and OCI 10%</u>	
	<u>increase</u>	<u>(decrease)</u>
	<u>----- Rupees in '000' -----</u>	
<b>As at June 30, 2022</b>		
Investment at fair value through profit or loss	<u>14</u>	<u>(14)</u>
<b>As at June 30, 2021</b>		
Investment at fair value - through profit or loss	<u>14</u>	<u>(14)</u>

**39 FAIR VALUES OF FINANCIAL ASSETS AND LIABILITIES**

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Financial assets which are tradable in an open market are remeasured at the market prices prevailing on the reporting date. The carrying values of all other financial assets and liabilities reported in the financial statements approximate their fair value.

In accordance with the requirements of IFRS 13 Fair value measurement, the Company classifies its long term investments and short term investments in terms of following fair value hierarchy:

- Level 1:** Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2:** Fair value measurements using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3:** Fair value measurements using Inputs for assets or liability that are not based on observable market data (i.e. unobservable inputs).

The following table shows financial instruments recognized at fair value, analyzed between those whose fair value is based on:

	<u>2022</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
	<u>----- Rupees in '000' -----</u>		
Short term investments	<u>14</u>	<u>8,000</u>	-
Operating fixed assets - Freehold land	-	<u>495,600</u>	-
- Buildings on freehold land	-	<u>131,788</u>	-
- Plant and machinery	-	<u>154,001</u>	-
<b>Total</b>	<u>14</u>	<u>789,389</u>	-
