Dear Sir,

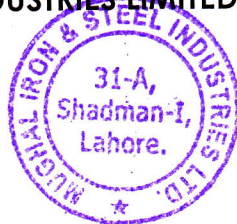

In compliance with Rule 5.6.1(b) of the PSX regulations and in consideration of the recent news regarding sealing of various furnaces and re-rolling mills in Lahore and its surroundings by the Environment Protection Department (EPD) for contributing towards issue of "Smog" by creating pollution, we wish to clarify that we have not been subject to any such action and our operations are running uninterrupted.

We hope the above shall clarify the position.

Yours Sincerely,
