Subject: **Material Information**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 (a) of PSX Regulations, we hereby convey the following information:

Pak leather Crafts limited is pleased to inform that the board of Directors in its meeting held on February 20th, 2026 has approved to apply and obtain the membership of Leather Working Group (LWG). LWG, is a UK based international audit certification group and has designed standards to certify all stages of the supply chain, from raw hide to finished leather for its members. LWG certification is a crucial requirement for export to many international brands and retailers, especially in the US and Europe, who are committed to responsible sourcing. Obtaining this certification opens doors to global supply chains that would otherwise be inaccessible, directly contributing to increased export opportunities for Pakistani leather manufacturers.

Yours Sincerely,
