**Subject: Material Information**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

It is for your kind information that we have temporarily stopped our crushing operations on December 08, 2020, due to non-supply of sugarcane to the Tax Payer Sugar Mills because of the diversion of the entire sugarcane crops towards the Tax Free Commercial Gur making and its onward smuggling to Afghanistan. We plan to make another attempt to resume crushing operations in the last week of January 2021, subject to support of the Provincial Government.

Yours Sincerely,
