Re: **Material Information**

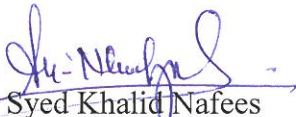

Dear Sir,

This has reference to our previous letter dated August 24, 2015 regarding the shutdown of Makori Gas Processing Facility (MGPF) due to technical issues.

Based on the information received from the Operator of TAL Block, we are pleased to inform you that production of oil and gas that was curtailed due to shutdown of MGPF has been successfully restored. However, production of LPG is expected to be resumed by mid September, 2015.

The pre-commerciality working interest of Pakistan Oilfields Limited is (25%).

Yours faithfully,
For Pakistan Oilfields Limited

Syed Khalid Nafees
Company Secretary
